

Saddam Hussein  
believed that  
the rest of the  
world would not  
interfere.

However, the  
invasion of  
Kuwait was very  
disturbing to  
the U.S. Why?

*The Rants, Raves & Thoughts of Saddam Hussein* Julian Smith, 2002 The Rants Raves and Thoughts series examines the speeches and writings of a variety of the world's high profile totalitarian dictators and terrorist leaders in a highly unusual and original way The books also feature political jokes by their contemporaries both friends and enemies and the dictators' own opinions of other world leaders The goals and inspiration of these books is to seek to explain what makes dictators and terrorists so ruthless in their own words and in the words of others To let these evidently psychotic people reveal who they are what they believe and what they hope to achieve and to strike a blow for the freedom to say and publish what we want about them      *Saddam Hussein's Speeches* Naz Sab, 2019-06-02 Saddam Hussein the overthrown President of Iraq has been characterized as the madman of the Middle East needs no introduction However to be really able to fathom the depth of darkness he inside his mind which enabled him to unleash the dictatorial terror he unleashed one should listen from the horse's mouth Saddam Hussein the dear leader has explained the extremity of his actions as President of Iraq as necessary to achieve subjective immunity against foreign plots and influences All actions of the revolution are justified by the exceptionalism of revolutionary needs An investigation of Saddam Hussein's life and career reveals this is merely the justification for a lifelong pattern all actions are justified if they are in the service of furthering Saddam Hussein's needs and ambitions Nothing must stand in the great struggler's messianic path as he pursues his and Iraq's so called revolutionary destiny as summarized by this extract from Saddam Hussein's remarkable Victory Day message of 6 August 1990 This is the only way to deal with these despicable Croesuses who relished possession to destroy devotion who were guided by the

foreigner instead of being guided by virtuous standards principles of pan Arabism and the creed of humanitarianism The second of August is the legitimate newborn child of the struggle patience and perseverance of the Kuwaiti people which was crowned by revolutionary action on that immortal day The newborn child was born of a legitimate father and an immaculate mother Greetings to the makers of the second of August whose efforts God has blessed They have achieved one of the brightest most promising and most principled national and pan Arab acts Two August has come as a very violent response to the harm that the foreigner had wanted to perpetrate against Iraq and the nation The Croesus of Kuwait and his aides became the obedient humiliated and treacherous dependents of that foreigner What took place on 2 August was inevitable so that death might not prevail over life so that those who were capable of ascending to the peak would not be brought down to the abysmal precipice so that corruption and remoteness from God would not spread to the majority Honor will be kept in Mesopotamia so that Iraq will be the pride of the Arabs their protector and their model of noble values This book will enlighten the reader about what was going on inside the head of the madman Saddam Hussein **Saddam Hussein** Andrew Cockburn, Patrick Cockburn, 2002 The idea of direct invasion is the greatest threat to Saddam It avoids the problems of securing local allies inside and outside Iraq which bedevil any indirect approach to get rid of him But it has one immense disadvantage from the US point of view if the US invades Iraq to install its own government it will be taking direct physical control of an area containing more than half the world's oil reserves It will look like the founding of a new American empire based on physical force and will be deeply resented It would outrage the Arabs at a moment when the Israel Palestine conflict is in a particularly bloody phase America could find that it has overplayed its hand just as Saddam did when he invaded Kuwait twelve years ago From the new Prologue At the outset of the 1991 Gulf War US leaders resolved the Iraqis will pay the price so long as Saddam Hussein remained in power This book makes chillingly clear just how terrible that price has been Eleven years ago Saddam was caught by surprise his preparations since September 11 show that lessons have been learnt In a substantial new prologue the authors analyse these preparations and the terrifying consequences of a military invasion of Iraq **The New York Times Index**, 2003 **Saddam's Secrets** Georges Hormuz Sada, 2009-08-24 Georges Sada was one of Saddam's top generals and foremost military advisors A truth teller in a government that made the truth dangerous A devout Christian in a Muslim country And a man who would stand up for what was right even at the risk of his own life In this eye opening expos General Sada shares his bizarre yet amazing journey as an insider to one of history's most sinister regimes He also for the first time reveals the disturbing truth about Saddam's plots to destroy Israel hide weapons of mass destruction and overtake the Arab world As an eye witness to history Sada paints a painfully truthful picture of Hussein and his country that is at once personal and alarming truthful and compelling candid and sobering It is a story guaranteed to send shock waves around the world *Saddam Speaks on the Gulf Crisis* Saddam Hussein, Ofra Bengio, 1992 This book presents the Gulf crisis from two different angles the onlooker's and the player's an analysis of the motivations in the war

and a selection of the speeches of its main protagonist President Saddam Husayn      Saddam Hussein and the Crisis in the Gulf Judith Miller, Laurie Mylroie, 1990 Examines the rise of Hussein his influence in Iraq his invasion of Kuwait and the threat he poses for the stability of the Middle East      **Saddam Hussein** Efraim Karsh, Inari Rautsi, 2002 Authors Efraim Karsh and Inari Rautsi experts on Middle East history and politics have combined their expertise to write what is largely considered the definitive work of one of the world's most reviled and notorious figures Drawing on a wealth of Iraqi Arab Western and Israeli sources including interviews with people who have had close contact with Saddam Hussein throughout his career the authors trace the meteoric transformation of an ardent nationalist and obscure Ba'ath party member into an absolute dictator Skillfully interweaving a realistic analysis of Gulf politics and history and now including a new introduction and epilogue this authoritative biography is essential for understanding the mind of a modern tyrant      **Saddam's Secrets** Georges Sada, Jim Nelson Black, 2006 One of Saddam Hussein's top military advisors paints a picture of Hussein his regime and his country Provided by publisher      *Saddam Hussein* Charles J. Shields, 2003-01 Describes the life of the leader of Iraq from his childhood through his rise to power the Iran Iraq War the Persian Gulf War to his ongoing presidency      **Saddam Hussein's Gulf Wars** Miron Rezun, 1992-10-30 This book deals extensively with Iraq and Saddam Hussein his rise to power his mastery of Iraqi statecraft his pan Arab proclivities and his two Gulf wars the first against Iran and the second against the U S led multinational coalition in 1990 1991 Israeli sources as well as materials gathered during a trip to Turkey and the Kurdish refugee areas in northern Iraq provide additional perspective for the author and his analysis The book portrays a multidimensional Saddam Hussein good and bad strategic and human It throws light on the reasons the U S went to war against Saddam and presents an in depth analysis of the United States policies which at one time supported Iraq's cause in the Gulf region A valuable feature of the book is its detailed discussion of the psychology of Saddam of the Arabs the Iranians the Israelis and the American public before during and after the Gulf War Rezun's conclusions challenge generally accepted views that lay the blame for the war on Saddam Hussein Although Saddam is a cruel and rapacious demagogue U S policymakers are to blame for having supported Saddam for so long The author also rejects the view that General Norman Schwarzkopf was a great hero of the last war Contrary to general opinion Schwarzkopf conducted a no risk operation into which Saddam Hussein was caught because of his miscalculation of U S intentions Critical of U S policies Rezun finds them naive and short sighted Although disapproving of U S policies during the war Rezun praises the support and sustenance given by the Bush administration to the Kurds in the final hours of the Gulf War This book is addressed to generalists and academic specialists and students of Middle East politics      Saddam Hussein's Iraq, 2nd Edition James R. Arnold, 2012-08-01 Saddam Hussein one of the world's most infamous dictators rose to power through Iraq's powerful Baath Party and became the nation's president in 1979 His goals included achieving pan Arabism more evenly distributing the nation's oil wealth and extending the party's power by reaching into every aspect of Iraqis lives However through his failed economic programs

greed corruption and the murder of thousands Hussein and his government brought ruin to the nation His dictatorship came to an end with the U S invasion of Iraq in 2003 Saddam was later captured by U S forces tried in an Iraqi court and convicted of mass murder and executed in 2006 by Iraqi authorities Read this book to learn more about the internal workings of one of the world s most devastating dictatorships      **Debriefing the President** John Nixon,2018-07-17 Debriefing the President presents an astounding candid portrait of one of our era s most notorious strongmen John Nixon the first man to conduct a prolonged interrogation of Hussein after his capture offers expert insight into the history and mind of America s most enigmatic enemy In December 2003 after one of the largest most aggressive manhunts in history US military forces captured Iraqi president Saddam Hussein near his hometown of Tikrit Beset by body double rumors and false alarms during a nine month search the Bush administration needed positive identification of the prisoner before it could make the announcement that would rocket around the world At the time John Nixon was a senior CIA leadership analyst who had spent years studying the Iraqi dictator Called upon to make the official ID Nixon looked for telltale scars and tribal tattoos and asked Hussein a list of questions only he could answer The man was indeed Saddam Hussein but as Nixon learned in the ensuing weeks both he and America had greatly misunderstood just who Saddam Hussein really was After years of parsing Hussein s leadership from afar Nixon faithfully recounts his debriefing sessions and subsequently strips away the mythology surrounding an equally brutal and complex man His account is not an apology but a sobering examination of how preconceived ideas led Washington policymakers and the Bush White House astray Unflinching and unprecedented Debriefing the President exposes a fundamental misreading of one of the modern world s most central figures and presents a new narrative that boldly counters the received account      **Finding and Capturing Saddam Hussein** Simone Payment,2004-12-15 Looks at America s search for deposed Iraqi president Saddam Hussein who was located on December 13 2003 hiding in a hole in the ground on a small farm near Tikrit Iraq      *Saddam's War* John Bulloch,Harvey Morris,1991-01-01      Saddam Con Coughlin,2005-10-18 Insightful penetrating and shocking the defining biography of Iraq s deposed tyrant Drawing on an unparalleled network of sources contacts and firsthand testimonies Con Coughlin takes us to the center of Saddam Hussein s complex bewildering regime and beyond Fully updated and revised Saddam His Rise and Fall meticulously describes how Hussein took power and immediately set about controlling every aspect of Iraqi life Coughlin examines Hussein s regime both before and after its fall exploring the contradictions of Saddam s private life his sponsoring of Islamic fundamentalism while whiskey drinking and womanizing as well as his reliance on and celebration of family negated by his violent and temperamental treatment of them With evidence from family members servants and staff Saddam His Rise and Fall is unique in its close up representation of this elusive and secretive world In all new chapters and an epilogue and with shocking new disclosures Coughlin also vividly recounts the last few months of Saddam s reign and his eventual capture by American forces      **Saddam Hussein** Jane Claypool Miner,1993 Traces the life of the leader of Iraq from his childhood of poverty

through his rise to power to his role in the Persian Gulf War      **Out of the Ashes** Andrew Cockburn, Patrick Cockburn, 1999-02-17 The world has changed since 1990 The cold war has ended the Soviet Union has disappeared new governments have taken power in Washington and around the globe But one familiar dreaded face still looms over the international landscape that of Saddam Hussein At the end of the Gulf War the White House was confident that the Iraqi dictator's days were numbered His army had been routed his country had been bombed back into a preindustrial age his subjects were in bloody revolt his borders were sealed It seemed impossible that he could survive such disasters World leaders waited confidently for the downfall of the pariah of Baghdad Almost a decade later they are still waiting This is the first in depth account of what went wrong Drawing on the authors firsthand experiences on the ground inside Iraq often under fire and their interviews with key players ranging from members of Saddam's own family to senior officials of the CIA **Out of the Ashes** tells what happened when the smoke cleared from the battlefields of the Gulf War Leaders of the uprising that almost toppled the dictator describe the desperate mission they undertook to plead for American help and how they were turned away We learn of Saddam's secret plan to fool and corrupt the UN weapons inspectors and how the scheme initially went awry Senior U S intelligence officials explain what they really thought of the Iraqi opposition movement they helped to create An agent on the CIA payroll recounts his exploits planting bombs in Baghdad While U S officials grappled with the ongoing crisis of Saddam's survival the Iraqi leader himself presided over a regime dominated by his own terrifying family Here is the full story of that family animals as one former intimate describes them and its vicious feuds including the downfall of the man who once stood at Saddam's right hand This tale of high drama labyrinthine intrigue and fatal blunders has been played out amid one of the greatest man made tragedies of our times At the outset U S leaders resolved that Iraqis will pay the price so long as Saddam Hussein remains in power **Out of the Ashes** makes chillingly clear just how terrible that price has been
