Sg Criminal Justice:

LEAA United States. Law Enforcement Assistance Administration, *A History of Human Rights Society in Singapore* Jiyoung Song, 2017-05-08 To celebrate Singapore's fiftieth anniversary for its independence from Malaysia in 2015 35 students academics and activists came together to discuss and write about pioneering Singaporean human rights activists and their under reported stories in Singapore The city state is known for its remarkable economic success while having strict laws on individual freedom in the name of national security public order and racial harmony Singapore's tough stance on human rights however does not negate the long and persistent existence of a human rights society that is little known to the world until today This volume composed of nine distinctive chapters records a history of human rights activists their campaigns main contentions with the government survival strategies and other untold stories in Singapore's first 50 years of state building

Gangs and Minorities in Singapore Narayanan Ganapathy, 2023-12-21 This book is a unique ethnographic study of a racially exclusive Malay Muslim gang Omega which has its roots in Singapore's prisons and controls much of the illicit drug trade in the state Similar to indigenous peoples elsewhere Singapore Malays are disproportionately represented in the criminal justice system and can respond to structural marginalization and colonization through gang involvement In demonstrating that gang membership can be an adaptive strategy for minority groups this book promotes a more inclusive and restorative justice model for people with repeat convictions

Do Exclusionary Rules Ensure a Fair Trial? Sabine Gless, Thomas Richter, 2019-04-17 This open access publication discusses exclusionary rules in different criminal justice systems It is based on the findings of a research project in comparative law with a focus on the question of whether or not a fair trial can be secured through evidence exclusion Part I explains the legal framework in which exclusionary rules function in six legal systems Germany Switzerland People's Republic of China Taiwan Singapore and the United States Part II is dedicated to selected issues identified as crucial for the assessment of exclusionary rules These chapters highlight the delicate balance of interests required in the exclusion of potentially relevant information from a criminal trial and discusses possible approaches to alleviate the legal hurdles involved

Social Policy in Post-Industrial Singapore Kwen Fee Lian, Chee-Kiong Tong, 2008-03-31 Notwithstanding the lean years that followed 1986 and 1997 sustained economic growth since the late 1970s has propelled Singapore into the post industrial age and reproduced the demographic and social structure of advanced western societies The rapid shift to a knowledge intensive economy requiring highly skilled services has resulted in a two speed society consisting of a highly competitive but rewarding sector and a marginalized population that is increasingly at risk Being avowedly anti welfarist the state for ideological reasons has resisted pressures to introduce a comprehensive welfare regime for its risk population preferring to privilege its productive citizenry Is Singapore a counter factual to the convergence thesis by preferring to put in place a social policy driven by the belief of its leaders that the more successful a society is the more it is able to care for those who fall behind

Issues of Law

and Justice in Singapore Daniel Koh, Kiem-Kiok Kwa, 2009 Approaches to Offender Rehabilitation in Asian Jurisdictions
Chi Meng Chu, Michael Daffern, 2024-04-04 This book aims to understand how Asian jurisdictions conceptualise rehabilitation within both the correctional and forensic mental health sectors Little has been written about rehabilitation practices for people in criminal justice and forensic mental health services in Asia Although there is some recognition of the need to develop and or adjust rehabilitation practices for non white non western peoples in Western jurisdictions the extent to which Western derived practices have been considered adjusted or adopted in Asian countries is not well known This book includes contributions from an international team who explore the ways in which history culture religion and resources impact how rehabilitation is conceptualised and offered in multiple Asian countries It aims to provide an understanding of the relative merits of contemporary Western practices across different Asian countries and consider how these practices have been adopted and adapted within correctional and forensic mental health sectors This book is essential for administrators who are developing rehabilitation strategies and for practitioners working with people who have a history of offending behaviour

The Law on Corruption in Singapore Boon Gin Tan, 2007 This monograph examines how the law of corruption in Singapore has evolved from its paradigm involving a breach of duty to include the perversion of justice and most recently marriages of convenience This book also deals with practical evidential issues including the indicia that the courts have looked to in determining the existence of a corrupt element in law and in fact The author has sought to reconcile the myriad cases by ordering the relevant extracts and linking them through explanatory notes to give the practitioner a clear and accessible guide to the law *Correctional Rehabilitation & Psychological Interventions In Singapore: Practitioners'*

Experiences In Singapore Prison Service Xiang Long Cheng, Gabriel Ong, 2023-03-20 Psychologists and correctional rehabilitation specialists in the Psychological and Correctional Rehabilitation Division of the Singapore Prison Service have been instrumental in designing and delivering the rehabilitation work with offenders This book seeks to capture these experiences in the area of rehabilitation and the anecdotal experiences working with different groups of offenders on the ground It provides a first hand look at the application of offender rehabilitation principles in practice It also provides details on the experiences and challenges of working in a correctional context through the anecdotal sharing To this end the book aims to provide a practical and practitioner lens overlaid with theoretical concepts to the practice of correctional rehabilitation While there have been experiences and insights documented this will be the first book that documents the anecdotal experiences in Singapore Prison Service *Annual Report* United States. Law Enforcement Assistance

Administration, 1968 **ADB/OECD Anti-Corruption Initiative for Asia and the Pacific Mutual Legal Assistance, Extradition and Recovery of Proceeds of Corruption in Asia and the Pacific: Frameworks and Practices in 27 Asian and Pacific Jurisdictions - Final Report** OECD, Asian Development Bank, 2008-12-23 The purpose of this report is to provide an overview of the legal and institutional framework for extradition and mutual legal assistance in corruption cases

Singapore Perspectives 2011 Faizal bin Yahya,2011 The Singapore Perspectives series is a yearly publication that provides critical analysis of emerging trends and issues Singapore faces in terms of social economic and political development It is a quick and essential reference for understanding the broad policy discussions that animate thought leaders policy makers and the public in the country during the immediate period or that are likely to do so in the short and medium term This volume brings together articles by Singapore authors who shared their experiences and insights on Singapore economics politics and society at the Singapore Perspectives 2011 Conference held in Raffles City Convention Centre on 16th January 2011 Topics covered in the volume include Singapore as a global city nation state the disadvantaged

theatre and Singapore spirit from an immigrant's perspective Co published by the think tank the Institute of Policy Studies Singapore this is a useful publication for those with an interest in understanding the governance challenges facing a small highly globalised economy and nation state or those who want a quick feel of the pulse of Singapore Regulating Judges Richard Devlin, Adam Dodek, 2016-12-30 Regulating Judges presents a novel approach to judicial studies It goes beyond the traditional clash of judicial independence versus judicial accountability Drawing on regulatory theory Richard Devlin and Adam Dodek argue that judicial regulation is multi faceted and requires us to consider the complex interplay of values institutional norms procedures resources and outcomes Inspired by this conceptual framework the book invites scholars from 19 jurisdictions to describe and critique the regulatory regimes for a variety of countries from around the world

Judiciary-led Reforms in Singapore Waleed Haider Malik, 2007-01-01 While each country's judiciary is unique in its individual needs capabilities and contexts the lessons learned from Singapore's success can help guide judicial reform initiatives regionally as well as globally No one would suggest that Singapore's strategy is a magic formula that if followed can erase the inefficiencies of all judiciaries But it would be wise to examine the strategies used and lessons learned from Singapore's experience as a potential guide towards successful and sustainable judicial reform Proceedings of the Board of Supervisors of Ulster County Ulster County (N.Y.). Board of Supervisors, 1898 Some no include the proceedings of special sessions Perspectives on Countering Extremism Shashi Jayakumar, 2023-02-09 The study of violent extremism has seen a great deal of academic and practitioner focus on the processes of radicalization and strategies to counter and de radicalize extremists Comparatively little has been written on the subject of Diversion early upstream interventions aimed at deflecting individuals from a pathway of radicalization This volume addresses this gap in scholarship by analyzing the strategies being deployed worldwide aimed at diverting or deflecting individuals and communities from the path of radicalization Disengagement which is often necessary when one has already progressed past the at risk stage is also addressed given that social workers counselors and other practitioners do not necessarily find the distinction between the two a critical issue in practice What matters is which upstream approaches work and what shows promise amongst individuals and communities Case studies range across the Global North and South presented by both academics and practitioners Contributions address approaches that have proven useful strategies which should be given deeper scrutiny before being employed and what should be avoided
