Shakespeares Universe Of Discourse Language Games In The Comedies

Josephine Bregazzi

Shakespeare's Universe Of Discourse Language Games In The Comedies:

Shakespeare's Universe of Discourse Keir Elam, 1984-06-21 This book makes ample use of approaches to language within linguistics semiotics the philosophy of language and sociology in order to do justice to the subtlety of Shakespeare's verbal artistry Keir Elam adopts a fresh approach to the language of Shakespeare's comedies considering it not simply as style but as the principal dramatic and comic substance of the plays Traditional analysis of the language as diction expression or verbal structure is not adequate to describe the range and importance of linguistic functions in these plays This book shows that in Shakespearean comedy language or rather discourse language in use is always a dynamic active protagonist of the drama The author explores the extraordinary gamut of verbal activities or language games that contribute to the rich rhetorical make up of the comedies The historical framework complements the application of critical theory which will assure a readership among students and teachers of Shakespeare as well as those interested in linguistics and semiotics

Shakespeare's Universe of Discourse Keir Elam, 1989 **The Cambridge Companion to Shakespearean Comedy** Alexander Leggatt, 2002 An accessible wide ranging and informed introduction to Shakespeare's comedies dark comedies and romances first published in 2001 **Error in Shakespeare** Alice Leonard, 2020-01-27 The traditional view of Shakespeare's mastery of the English language is alive and well today This is an effect of the eighteenth century canonisation of his works and subsequently Shakespeare has come to be perceived as the owner of the vernacular These entrenched attitudes prevent us from seeing the actual substance of the text and the various types of error that it contains and even constitute it This book argues that we need to attend to error to interpret Shakespeare's disputed material text political dramatic interventions and famous literariness The consequences of ignoring error are especially significant in the study of Shakespeare as he mobilises the rebellious marginal and digressive potential of error in the creation of literary drama

Shakespeare's Comic Commonwealths Camille Wells Slight, 1993-01-01 Challenging the traditional view that Shakespeare's early comedies are about the experience of romantic love and constitute a genre called romantic comedy Camille Wells Slight demonstrates that they dramatize individual action in the context of social dynamics reflecting and commenting on the culture in which they originated Shakespeare's Comic Commonwealths sheds new light on ten Shakespearean comedies The Comedy of Errors The Taming of the Shrew The Two Gentlemen of Verona Love's Labor's Lost A Midsummer Night's Dream The Merchant of Venice The Merry Wives of Windsor Much Ado about Nothing As You Like It and Twelfth Night In a diversity of comic forms from rollicking farce to tragicomedy these plays offer varying perspectives on the forces that make and mar human communities Dramatizing tensions between savagery and civilization autonomy and dependence and isolation and community Shakespeare's comedies both reflect and comment on the society that produces them Slight eschews viewing these comedies as endorsements of the prevailing ideologies of sixteenth century England or as subversions of that hierarchical patriarchal culture They can be most fruitfully understood as imaginative forms that

present cultural practices institutions and beliefs as human constructions susceptible to critical scrutiny While exposing the injustice and brutality as well as the assurances and satisfactions of social experiences Shakespeare s comedies represent people as inescapably social beings By combining historical scholarship with formal analysis and incorporating insights from social anthropology and feminist theory Shakespeare s Comic Commonwealths offers new readings of Shakespeare s early comedies and analyses the interaction between the plays and the social structures and processes of early modern England

Harrying Harry Berger,2015-09-01 *Harrying* considers Richard III and the four plays of Shakespeare s Henriad Richard II Henry IV Part 1 Henry IV Part 2 and Henry V Berger combines close reading with cultural analysis to show how the language characters speak always says more than the speakers mean to say Shakespeare s speakers try to say one thing Their language says other things that often question the speakers motives or intentions *Harrying* explores the effect of this linguistic mischief on the representation of all the Henriad s major figures It centers attention on the portrayal of Falstaff and on the bad faith that darkens the language and performance of Harry the Prince of Wales who becomes King Henry V

The New Cambridge Companion to Shakespeare Margreta De Grazia,Stanley Wells,2010-03-25 Twenty one essays provide lively and authoritative approaches to the literary historical cultural and performative aspects of Shakespeare works

Forensic Shakespeare Quentin Skinner,2014-10-30 *Forensic Shakespeare* illustrates Shakespeare s creative processes by revealing the intellectual materials out of which some of his most famous works were composed Focusing on the narrative poem *Lucrece* on four of his late Elizabethan plays *Romeo and Juliet* *The Merchant of Venice* *Julius Caesar* and *Hamlet* and on three early Jacobean dramas *Othello* *Measure for Measure* and *All s Well That Ends Well* Quentin Skinner argues that major speeches and sometimes sequences of scenes are crafted according to a set of rhetorical precepts about how to develop a persuasive judicial case either in accusation or defence Some of these works have traditionally been grouped together as problem plays but here Skinner offers a different explanation for their frequent similarities of tone There have been many studies of Shakespeare s rhetoric but they have generally concentrated on his wordplay and use of figures and tropes By contrast this study concentrates on Shakespeare s use of judicial rhetoric as a method of argument By approaching the plays from this perspective Skinner is able to account for some distinctive features of Shakespeare s vocabulary and also help to explain why certain scenes follow a recurrent pattern and arrangement More broadly he is able to illustrate the extent of Shakespeare s engagement with an entire tradition of classical and Renaissance humanist thought

Love's Labour's Lost William Shakespeare,2009-06-18 *The New Cambridge Shakespeare* appeals to students worldwide for its up to date scholarship and emphasis on performance The series features line by line commentaries and textual notes on the plays and poems Introductions are regularly refreshed with accounts of new critical stage and screen interpretations Edited and introduced by William C Carroll this edition of *Love s Labour Lost* features a lively account of the play s performance history from 1632 to the present day Stage and screen productions of the late twentieth century receive particular attention

and a range of international performances are also explored New trends in the scholarly criticism are discussed in the introduction as are the play's sources and historical contexts Carroll's text is freshly edited from the First Quarto published in 1598 and presents a highly readable modernised edition of *Love's Labour's Lost* a play known for its unorthodox ending and extraordinary use of language

Shakespeare and the Idea of the Book Charlotte Scott, 2007-03-29 The book both material and metaphoric is strewn throughout Shakespeare's plays it is held by Hamlet as he turns through revenge to madness buried deep in the muddled ooze by Prospero when he has shaken out his art like music and violence it is forced by Richard II to withstand the mortality of deposition fetishised by lovers tormented by pedagogues lost by kings written by the alienated and hung about war with the blood of lost voices The book begins and ends Shakespeare's dramatic career as change itself standing the distance between violence and hope between holding and losing Shakespeare and the Idea of the Book is about the book in Shakespeare's plays Focusing on seven plays not only for the chronology and range they present but also for their particular relationship to the book whether it is political or humanist cognitive or illusory satirical or sexual spiritual or secular social or subjective Scott argues that the book on stage its literal and semantic presence offers one of the most articulate and developed hermeneutic tools available for the study of early modern English culture

Shakespeare and the Italian Renaissance Michele Marrapodi, 2016-04-01 Shakespeare and the Italian Renaissance investigates the works of Shakespeare and his fellow dramatists from within the context of the European Renaissance and more specifically from within the context of Italian cultural dramatic and literary traditions with reference to the impact and influence of classical coeval and contemporary culture In contrast to previous studies the critical perspectives pursued in this volume's tripartite organization take into account a wider European intertextual dimension and above all an ideological interpretation of the aesthetics or politics of intertextuality Contributors perceive the presence of the Italian world in early modern England not as a traditional treasure trove of influence and imitation but as a potential cultural force consonant with complex processes of appropriation transformation and ideological opposition through a continuous dialectical interchange of compliance and subversion

Speech and Performance in Shakespeare's Sonnets and Plays David Schalkwyk, 2002-10-17 David Schalkwyk offers a sustained reading of Shakespeare's sonnets in relation to his plays He argues that the language of the sonnets is primarily performative rather than descriptive and bases this distinction on the philosophy of Ludwig Wittgenstein and J L Austin In a wide ranging analysis of both the 1609 Quarto of Shakespeare's sonnets and the Petrarchan discourses in a selection of plays Schalkwyk addresses such issues as embodiment and silencing interiority and theatricality inequalities of power status gender and desire both in the published poems and on the stage and in the context of the early modern period In a provocative discussion of the question of proper names and naming events in the sonnets and plays the book seeks to reopen the question of the autobiographical nature of Shakespeare's sonnets

Shakespeare and the Cultures of Performance Paul Yachnin, Patricia Badir, 2017-05-15 Theatrical performance suggest the contributors to this volume can be

an unpredictable individual experience as well as a communal institutional or cultural event The essays collected here use the tools of theatre history in their investigation into the phenomenology of the performance experience yet they are also careful to consider the social ideological and institutional contingencies that determine the production and reception of the living spectacle Thus contributors combine a formalist interest in the affective and aesthetic dimensions of language and spectacle with an investment in the material cultures that both produced and received Shakespeare's plays Six of the chapters focus on early modern cultures of performance looking specifically at such topics as the performance of rusticity the culture of credit contract and performance the cultivation of Englishness religious ritual and mourning and memory Building upon and interrelating with the preceding essays the last three chapters deal with Shakespeare and performance culture in modernity They focus on themes including literary and theatrical performance anxiety cultural iconicity and the performance of Shakespearean lateness This collection strives to bring better understanding to Shakespeare's imaginative investment in the relationship between theatrical production and the emotional intellectual and cultural effects of performance broadly defined in social terms

Shakespeare After All Marjorie Garber, 2008-11-19 A brilliant and companionable tour through all thirty eight plays Shakespeare After All is the perfect introduction to the bard by one of the country's foremost authorities on his life and work Drawing on her hugely popular lecture courses at Yale and Harvard over the past thirty years Marjorie Garber offers passionate and revealing readings of the plays in chronological sequence from *The Two Gentlemen of Verona* to *The Two Noble Kinsmen* Supremely readable and engaging and complete with a comprehensive introduction to Shakespeare's life and times and an extensive bibliography this magisterial work is an ever replenishing fount of insight on the most celebrated writer of all time

Shakespeare and His Contemporaries J. Hart, 2011-03-28 This book is concerned with language genre drama and literary and historical narrative and examines the comedy of Shakespeare in the context of comedies from Italy Spain and France in the sixteenth and seventeenth centuries

Multilingualism in the Drama of Shakespeare and his Contemporaries Dirk Delabastita, Ton Hoenselaars, 2015-06-24 No literary tradition in early modern Europe was as obsessed with the interaction between the native tongue and its dialectal variants or with foreign languages and the phenomenon of translation as English Renaissance drama Originally published as a themed issue of *English Text Construction* 6 1 2013 this carefully balanced collection of essays now enhanced with a new Afterword decisively demonstrates that Shakespeare and his colleagues were far more than just English authors and that their very Englishness can only be properly understood in a broader international and multilingual context Showing a healthy disrespect for customary disciplinary borderlines *Multilingualism in the Drama of Shakespeare and his Contemporaries* brings together a wide range of scholarly traditions and vastly different types of expertise While several papers venture into previously uncharted territory others critically revisit some of the loci classici of early modern theatrical multilingualism such as Shakespeare's *Henry V*

Alternative Shakespeares John Drakakis, Terence Hawkes, 1996 Introducing new debates and new

theorists this collection provides a broad cross section of contemporary Shakespearean studies including psychoanalysis sexual and gender politics race and new historicism **Alternative Shakespeares** Terence Hawkes, 2003-12-16 *Alternative Shakespeares* published in 1985 shook up the world of Shakespearean studies demythologising Shakespeare and applying new theories to the study of his work *Alternative Shakespeares* Volume 2 investigates Shakespearean criticism over a decade later introducing new debates and new theorists into the frame Both established scholars and new names appear here providing a broad cross section of contemporary Shakespearean studies including psychoanalysis sexual and gender politics race and new historicism *Alternative Shakespeares* Volume 2 represents the forefront of contemporary Shakespearean studies This urgently needed addition to a classic work of literary criticism is one which teachers and scholars will welcome

Vocative Constructions in the Language of Shakespeare Beatrix Busse, 2006-01-01 This study investigates the functions meanings and varieties of forms of address in Shakespeare's dramatic work New categories of Shakespearean vocatives are developed and the grammar of vocatives is investigated in above and below the clause following morpho syntactic semantic lexicographical pragmatic social and contextual criteria Going beyond the conventional paradigm of power and solidarity and with recourse to Shakespearean drama as both text and performance the study sees vocatives as foregrounded experiential interpersonal and textual markers Shakespeare's vocatives construe both quantitatively and qualitatively habitus and identity They illustrate relationships or messages They reflect Early Modern Shakespearean and intra or inter textual contexts Theoretically and methodologically the study is interdisciplinary It draws on approaches from historical pragmatics stylistics Hallidayean grammar corpus linguistics cognitive linguistics socio historical linguistics sociology and theatre semiotics This study contributes thus not only to Shakespeare studies but also to literary linguistics and literary criticism **Estudios de filología inglesa** Josephine Bregazzi, 2000

Shakespeares Universe Of Discourse Language Games In The Comedies Introduction

Shakespeares Universe Of Discourse Language Games In The Comedies Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Shakespeares Universe Of Discourse Language Games In The Comedies Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Shakespeares Universe Of Discourse Language Games In The Comedies : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Shakespeares Universe Of Discourse Language Games In The Comedies : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Shakespeares Universe Of Discourse Language Games In The Comedies Offers a diverse range of free eBooks across various genres. Shakespeares Universe Of Discourse Language Games In The Comedies Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Shakespeares Universe Of Discourse Language Games In The Comedies Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Shakespeares Universe Of Discourse Language Games In The Comedies, especially related to Shakespeares Universe Of Discourse Language Games In The Comedies, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Shakespeares Universe Of Discourse Language Games In The Comedies, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Shakespeares Universe Of Discourse Language Games In The Comedies books or magazines might include. Look for these in online stores or libraries. Remember that while Shakespeares Universe

Of Discourse Language Games In The Comedies, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Shakespeares Universe Of Discourse Language Games In The Comedies eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shakespeares Universe Of Discourse Language Games In The Comedies full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shakespeares Universe Of Discourse Language Games In The Comedies eBooks, including some popular titles.

FAQs About Shakespeares Universe Of Discourse Language Games In The Comedies Books

What is a Shakespeares Universe Of Discourse Language Games In The Comedies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shakespeares Universe Of Discourse Language Games In The Comedies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shakespeares Universe Of Discourse Language Games In The Comedies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shakespeares Universe Of Discourse Language Games In The Comedies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shakespeares Universe Of Discourse Language Games In The Comedies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
