Particle Personalities Robert Shapiro, 1998-03-01 All around you in every moment you are surrounded by the most magical and mystical beings They are too small of course for you to see as single individuals But in groups you know them as the physical matter in your daily life They form all of your physical life as you know it Particles who might be considered either atoms or portions of atoms consciously view the vast spectrum of reality yet also have a sense of personal memory like your own linear memory These particles remember where they have been and what they have done in their infinitely long lives Particles then have a unique and unusual perspective In reading this book understand that some of them will have similar points of view but others will have quite extraordinary and unexpected points of view Expect the unexpected

Shining the Light I Robert Shapiro, Tom Dongo, Arthur Fanning, 1994-06-01 The most significant events in Earth's history are happening in secret Despite official denial and tactics of derision inquiring minds are demanding the truth This truth is stranger than all the fictions about ETs alien bases and the secret government This courageous book shines the light to expose truths that will change forever how we view our lives on this planet It asks the reader to join in the investigations ask the questions and think the unthinkable Explore the truth about the controllers of Earth and their alien allies Discover the updated news about what is happening on the third dimension and what it really means from the higher dimensions perspective The revelations are shocking and enlightening A crashed UFO leads to information on The secret government's time travel spacecraft Renegade ETs mining on the Moon The U S peace avatar president Ancient Pleiadian warships The prime directive now Underground alien bases and populations And many

more startling facts The battle in the heavens has begun Become aware of the truth and don't get lost in the drama Be the light that you are and you will be forever free *Totality and Beyond* Robert Shapiro, 2015-10-15 The book you are about to read attempts to explain and to a degree put an order to existence You might reasonably ask What is the purpose The purpose is very simply this In order for you now to be able to function in a world of responsibilities well beyond your own physical life you need to be able to understand the functionality of creation and the confidence you need to have in simply emerging from seemingly nothing Nothing is not really zero Nothing is a matrix available to create something It will always be that and it has always been that This book will explain with some wide variety of points of view at times those points and over the next few hundred years you can consider them as you blend with your total being creating and re-creating what is now in order to bring it to a more benevolent state of being Ssjoooo September 18 2015 Chapters Include The Thirteen Envision the Worlds Within Worlds The Loop of Time An Unending Parade of Existence Disentanglement Disentangling Cords of Discomfort All Creation Responds to Need Every Action Has a Reaction It's Mother Nature's Plan Love and Care for Others to Embrace the Totality Feel Heat to Learn Oneness You Planned Your Journey The Reservoir of Being Take Your Journey You Must Qualify for Physicality Beyond The Constant Motion of Totality **Are You a Walk-In?** Robert Shapiro, 2016-03-02 17% of Earth's Population 1 Out of Every 6 People Are Now Walk-Ins There is a phenomena happening now that is confusing many people Some people think they're crazy when they're not Some people think other people are crazy when they're not The phenomena is the walk-in experience and this book will help you to understand if it's happening to you or it will help you to understand if it's happening to others that you know or perhaps even love Are You a Walk-In Isis In these tumultuous times or just busy life for you all there's a form of birth going on that might surprise some of you and that form of birth includes just slightly before it a very safe calm and frequently completely pain-free form of death This form of birth is spirit replacement This is not something forced on you It is something that you have chosen on the soul level while guided by your teachers angels and Creator Reveals the Mysteries The information in this book is meant to act as a support system with suggested mechanisms on how to achieve goals purposes and other adaptations This information is meant to help you to live a fulfilled life and perhaps to be able to express the traits and abilities that you have brought in to not only enjoy this new expression but to help others as well **ETs on Earth, Volume 3** Robert Shapiro, 2016-03-16 Many of you are ready to welcome ETs if not in your personal lives at least interchanging with element bodies in large groups Some of you are prepared to shake hands Even a few want hugs But it may not be that personal There are circumstances coming up in your now evolution toward your natural selves that make it almost imperative to have contact of a benevolent nature between Earth people and extraterrestrials For now many ETs are shy about coming here They will at some risk to themselves from time to time show you images of themselves figuratively in the skies you will see them defined by clouds or you will see something that reminds you of ships I'm not just referring to lenticular clouds It will be a cloud form often all by itself in the

sky that reminds you of a ship and has details that could be nothing but So look for that all over the planet and don't be afraid As your cousins which is the way they see themselves the ones you are most likely to meet ETs recognize that you are a version of their extended family So read this book You will find many reminders of who you might have been or who you might be in other lives or who your extended family is now
