Legend of the Rainbow Warriors Steven McFadden, 2005. Legend of the Rainbow Warriors is a journalist's account of one of the core myths of America and an electrifying exploration of how that myth is playing out in real time as we approach the crucial year of 2012. One dominant myth is formed by advertising images of vast luxurious wealth, the myth of materialism. Another myth is conjured in the bloody, sorrowful images that pervade movies, music, and computer games, the myth that the world is hate-filled and chaotic beyond redemption. The Legend of the Rainbow Warriors offers a spiritual alternative of hope and real possibility based upon respect, freedom, and responsibility. As drawn from dozens of historical accounts, the Legend of the Rainbow Warriors relates that when the Earth becomes desperately sick, people of all colors and faiths will unite and rise to face the overwhelming challenges with insight, honesty, caring, sharing, and respect. Veteran writer Steven McFadden weaves the myths and the headlines together seamlessly in a rich work of literary journalism that is adroitly crafted, eye-opening, and soul-inspiring.
