St. Simons Memoir Eugenia Price,2021-04-27 Her joyous remembrance of her first decade on an enchanted island And of those cherished friends who inspired her best selling trilogy *Lighthouse New Moon Rising and Beloved Invader* After only a few golden hours on Georgia's St Simons Island Eugenia Price longed to make it her home Even though she loved her old

town house in Chicago and her busy writing and lecturing schedule the shadow streaked light filled place had cast its spell and would not let her go The reader too will feel the Island s magic as Genie describes her odyssey with her friend Joyce Blackburn from the urban North to Southern small town community life and peace With deep affection and humor she shares her many friendships with the first six the elderly folk who gave her their love their stories and their memories so that she could write her novels of St Simons with her beloved editor Tay Hohoff who encouraged and goaded her and with all the other people who helped with her writing and with the building of her Island home in the midst of the dear dark woods Although she had been uncertain at first of her welcome to St Simons she later experienced the rare privilege of having the Island name a day in her honor These intimate pages are also filled with Genie s quiet faith in God and her eternal gratitude for His grace in sending her to St Simons She calls her book a memoir but it is more than that It is a thanksgiving celebration of life and of its surprising goodness even in the midst of sorrow and loss So that she can exclaim to Joyce How could life be better than it is right now

Make Love Your Aim Eugenia Price, 2021-04-27 Everyone today is an expert on love is Dr Allan Fromme's cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in *Make Love Your Aim* that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God's original concept *Make Love Your Aim* is a companion piece to the author's last book *The Wider Place* which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God's true intentions toward all of us Those who are familiar with Eugenia Price's books will recognize this as a recurring theme *Make Love Your Aim* develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the Cross without self defense without self pity and totally free

Learning to Live From the Gospels Eugenia Price, 2021-04-27 Here is the good news of the Gospels In the light of Eugenia Price's revealing dynamic insight as she searches for God's own answers for today's readers The familiar Gospel words breathe with new life as she

cuts through the superficialities of those who attempt to deemphasize the Bible and draws up sharp guidelines which twentieth century Christians can follow Each of Miss Price s favorite Gospel verses is included in the book followed by her reflections on them Her exposition of the beloved King James passages rings with authenticity and poetic authority In the Preface to Learning To Live From The Gospels Miss Price writes You will find little or no information here concerning who wrote and who did not write the Gospels as we know them You will find no scientific verification of the miracles not even a defense of them God s activities need no defense from us There are no scholarly apologetics no exegeses of the more obscure passages of Scripture I do not know how to do any of this I find it enough to attempt to learn how to live by the passages I do understand Having met Christ when I was well along on my earthly journey what has held my interest from the beginning of my life with Him has not been how to analyze or criticize the Bible but how to learn to live from it I know of no better place to learn how to live than from the four provocative Gospel accounts of the earthly life of the God who loved us enough to become one of us
