Sharing Spaces:

Sharing Spaces Finn Arne Jørgensen,Dolly Jørgensen,2024-11-12 Human and animal lives intersect whether through direct physical contact or by inhabiting the same space at a different time Environmental humanities scholars have begun investigating these relationships through the emerging field of multispecies studies building on decades of work in animal history feminist studies and Indigenous epistemologies Contributors to this volume consider the entangled human animal relationships of a complex multispecies world where domesticated animals wild animals and people cross paths creating hybrid naturecultures Technology they argue structures how animals and humans share spaces From clothing to cars to computers technology acts as a mediator and connector of lives across time and space It facilitates ways of looking at measuring moving and killing as well as controlling containing conserving and cooperating with animals Sharing Spaces challenges us to analyze how technology shapes human relationships with the nonhuman world exploring nonhuman animals as kin companions food transgressors entertainment and tools *Sharing Spaces* Robert Sweeny,2020-03-24 Sherry Olson has almost always worked with others inspiring them to ground their research in an empathetic understanding of the human condition Through this team work she has made signal contributions in fields as diverse as environmental social urban and women s histories as well as public health demography and geographic information systems GIS In this volume a critical assessment of her life s work is complemented by original pieces advancing our knowledge in these remarkably diverse fields From the environmental impact of colonial settlement in New Zealand to racial segregation in Chicago from the demography of the Mauricie and marriage patterns of Quebec City to the inns gay spaces and landladies of Montreal this collection demonstrates the complexity of sharing space in the past and its centrality to any critical understandings of the global challenges we face in the present Published in English **Sharing Spaces Volume 1** Alicia Michaels, Lovers of the television show New Girl or Cambria Hebert s Hashtag series will love this collection of romantic comedies that follows a group of roommates through college Join them on a journey through friendship love and the trials of navigating that tricky area between the teen years and adulthood Book 1 V Card Jennifer is determined to lose her virginity by her 21st birthday and thinks she s found the perfect guy for the job But when feelings for her roommate and friend Luke make themselves apparent Jenn is faced with a difficult choice A funny lighthearted story about understanding true womanhood and lasting love Book 2 Brat She s a shopaholic with daddy issues He s a socially conscious tree hugger They seem like a match made in Hell but when a one night stand results in an unplanned pregnancy Chloe and Chase are forced to make difficult choices while confronting their feelings for one another Book 3 Thin Kinsley Simmons has always been the perfect girl But when her ambition and type A personality drive her toward an eating disorder she has no choice but to enter a recovery facility While there she encounters counselor Royce Adams who sees past her perfect facade to the girl within As their friendship blossoms into something more Kinsley will find in Royce the strength to face the reasons behind her disorder **The Religious**

Dimensions of Shared Spaces Paul D. Numrich,2023-02-28 Space sharing by groups and organizations is widespread in the United States from commercial partnerships to government and private sector joint use agreements to the use of public facilities and commons and more Drawing upon a variety of historical examples and contemporary cases The Religious Dimensions of Shared Spaces offers a focused and systematic analysis of space sharing involving religious groups or organizations All space sharing arrangements are similar in most respects so what difference does it make when religious groups or organizations are involved How do they invest meaning in the spaces they use and share including sacred space When and why do they enter into space sharing arrangements with other parties religious and or secular How do religious space sharers structure and maintain their arrangements including handling tensions that arise What can secular space sharers learn from their religious counterparts and vice versa The book also teases out when religion does not matter in space sharing even when religious groups or organizations are involved Case studies include internal congregational groups that negotiate the use of shared facilities arrangements between congregations and external groups or organizations multifaith partnerships and shared spaces in secular venues *Multidisciplinary Design of Sharing Services* Maurizio Bruglieri,2018-04-17 This book explores all aspects of the sharing economy pursuing a multidisciplinary approach encompassing Service Design Spatial Design Sociology Economics Law and Transport and Operations Research The book develops a unified vision of sharing services and pinpoints the most important new challenges The first more theoretical part covers general topics from the perspectives of experts in the respective disciplines Among the subjects addressed are the role of the user in co design and co production impacts of sharing services on cities communities and private spaces individual rewarding and social outcomes regulatory issues and the scope for improving the efficiency of design management and analysis of sharing services In turn the second part of the book presents a selection of case studies of specific sharing services in which many of the concepts described in the first part are put into practice Readers will gain a deeper understanding of the dynamics of sharing services and of the hidden problems that may arise Key factors responsible for the success or failure of sharing services are identified by analyzing some of the best and worst practices Given its breadth of coverage the book offers a valuable guide for researchers and for all stakeholders in the sharing economy including startup founders and local administrators **Proceedings of the 4th Many-Core Applications Research Community (MARC) Symposium** Peter Tröger,Andreas Polze,2012 In continuation of a successful series of events the 4th Many core Applications Research Community MARC symposium took place at the HPI in Potsdam on December 8th and 9th 2011 Over 60 researchers from different fields presented their work on many core hardware architectures their programming models and the resulting research questions for the upcoming generation of heterogeneous parallel systems **Sharing Cities 2020** Iris Wang,Hideaki Ninomiya,Benjamen Gussen,2020-11-26 This book provides valuable insights into how cities are innovating in the field of the sharing economy through case studies Each chapter explains how different cities have employed the
