The Vow John Robert Faircloth,2004-05-26 In this taking of earthly life I found God s presence Certainly not His purpose but the silent thread He weaves so gently through pain loss and heartache I found it in John finding the strength to stay faithful to his post Keeping a long steady quiet watch over his wife his children and himself I found it in the testimony of Sharon s words and actions throughout this journey Through the entire 13 months no matter how hazy painful or senseless each day became she stayed true to her faith in Jesus Though her life became a whisper as the cancer bulged the proof of her faith what the Bible calls the evidence of things not seen shouted loud and clear *The Rows of Sharon* Sharon Ann Rose,2006-12 Sharon Ann Rose tells her story of how she was accused and convicted of conspiracy to commit murder and endured two years of her life in a correctional facility for women Take a peek inside her world of pain loneliness and suffering as she watches her family slowly being taken by her husband who had once promised to love and stand by her Laugh at the unexpected sense of humor she displays in the midst of the turmoil Cry with her as she waits for months at a time to see her children Experience her anger at her husband as he betrays her time and time again And feel the joy she finds when she turns to the only One who can offer her peace Journey through *The Rows of Sharon* and discover that bad things do indeed happen to good people Sharon Osbourne Sue Crawford,2013-10-01 This book explores the real woman behind the relentless media circus tracing Sharon s life from her rebellious adolescence to the drink and drug fuelled years on the road with Ozzy right through to her current incarnation as an X Factor judge and popular TV star Sharon Creech Pamela Sissi Carroll,2007-08-30 Sharon Creech is a best selling author for young adult readers and her books are enjoyed in both classroom settings and for leisure reading for three important reasons She shows great respect for teens through giving attention to the voices of teen protagonists creating adventures in which teens grown socially and emotionally as a result of a journey She captures the language of her characters including dialects from the hollers of West Virginia and the mountains of Switzerland and introduces figurative language and vocabulary to enrich her readers experience during and after their time with her books With humor and gentleness she provides readers with a sense of hope After an introductory chapter and biographical sketch there is one chapter per volume that examines the characters plot setting and themes in each work This

volume will be useful to young adults wanting to delve deeper into the worlds of Creech's characters or literature professionals studying Creech's works **Sharon's Plight** Joan Hephzibah,2023-12-01 At last Sharon finished her MBA It didn't take long for her to board a flight to Houston for a fresh career A coffee incident on her way to the check in led to an encounter with a handsome chivalrous gentleman After apologising for her mishap her lingering desire for a second encounter forged on An equally attractive man showed up at his mirror image's office only three weeks before the wedding They looked like brothers separated at birth Sharon recognised him instantly and he did the same At once they both realised she was getting married to his long lost twin The twins faced the challenges and history of their divided past at last and moved on But will the story end here **Clay in the Potter's Hands** Sheran Summers,Lois Clay,Rudy Clay,2010-09-07 Set amid the Great Depression and World War II a young man and a young woman from two completely different worlds meet only twice before they start writing to each other during the war The letters bring romance but the atrocities of war change the gentle man Will he be the man she falls in love with and together can they erase the painful memories of the war that still haunt him The coal mining towns and steel mills of Southwestern Pennsylvania provide the backdrop for this love story that spans almost a century from the 1920s into 2010 Take a ride as young Rudy hot rods with his grandfathers horse and buggy and wins the heart of his beloved Lois as they grow into the man and woman they were meant to become Follow their footsteps and watch the divine Potter at work gently turning the clay on His potters wheel forming vessels full of love and warmth hope and passion as these two young people overcome their differences and start making history of their own
