Washington Post's coverage of Watergate and a 1989 attic exchange between American and Vietnamese writers on the eve of the publication of O'Brien's most beloved book *The Things They Carried* years before the two countries normalized relations. *Peace is a Shy Thing* is as much a history of the era as it is a story of O'Brien's life from his small town midwestern mid-century childhood to winning the National Book Award and his status as literary elder statesman. A story which Vernon, a combat veteran of the Persian Gulf War and a literary scholar trained by officers and professors of the Vietnam era is uniquely suited to tell. [The Miscellaneous Works of Tobias Smollett ... With Memoir of the Author, by Thomas Roscoe](#)

Tobias George Smollett, 1841 **My Life at the Wheel** Lynne Sharon Schwartz, 2024-01-16 In this collection of impeccably written essays Schwartz tells us early on that she never thought of her life as a continuous line but rather a series of intertwined interrupted experiences. Hers is a life that has been bumped, tumbled, and smoothed by an endless stream of travel, fascinating people, and books, writing them, pondering them, translating them. Her essays range from musings about the art of translation, the tribulations of major surgery, dissected with biting wit, a quest for recovery from the 9/11 attacks, at a music school, and hours spent with friends arguing, drinking, and smoking in a neighborhood bar. Her personal narratives range from humorous childhood, an 8-year-old writer, and troubled revelations to learning to be an adult facing the difficulties of simultaneously writing and raising children. We see her as a daughter struggling to understand her parents through adolescent eyes, a mother startled at the all-consuming demands of motherhood and writing, and as an older adult grappling with mortality. Throughout she is painfully honest, funny, and unafraid of difficult truths. Relentlessly candid, subjecting herself to her own sharp scrutiny, Schwartz is willing to confront the confusions of maturing in a changing world. *The Annual Register*, 1833 **Roughneck Daddy** Donna F. Orchard, 2010-10-21 My daddy's daddy is my Big Papa Leroy Percy Volmar. That's where this story begins, since I never saw the face of my great grandfather James Joseph Volmar, whose buried

somewhere around Etoile, Texas, except for one picture where he's lined up with members of the Masonic Lodge, upright, dignified men in aprons, embroidered cowls down to their waists. And that's not a picture to be passed around to average folks or women. I expect that at my great grandfather's wake, a Mason sneaked the picture out from under his coat and gave it to my Big Papa, who wears the black ring too. My grandfather had a big bunch of brothers and two sisters. Well, you might as well say one sister. My great aunt Edna got TB when she was a girl, and they sent her to Boonville, Arkansas, to a sanatorium for a twelve-year quarantine. When it was time to get out, she'd been there most of her life and decided to stay. Big Papa's wild brother Bill got the Volmars from Texas to Louisiana. They had to hotfoot it out after Bill went and killed a man during an argument. Leroy, Eb, and Bill ran to North Louisiana, hoping the law would give out before they did. That dead body changed just about everything for the Volmars. Recently at a family reunion, my brother and I were talking about our great uncle Bill. Donna, do you think he was saved? Well, I know he was saved one day from the law when he made it to Louisiana, where he married five times, a younger woman each time. Jim, my daddy, was a roughneck and picked up where his wild Uncle Bill left
