McIntosh, 2006-09-01 All churches like to think that theirs is the friendliest in town But do visitors see it that way Church consultant Gary McIntosh invites readers to take a look at their church through the eyes of visitors and potential visitors His starting point grounded in an understanding of God as a welcomer is that churches should see those who enter their doors as not merely visitors but as guests and themselves as gracious hosts This practical book offers sound advice on assessing and improving the ways in which churches attract people welcome them do follow up and bring them into the church family It also offers suggestions for making a welcoming attitude part of the very fabric of the local church

**Branded Faith** Rajkumar Dixit, 2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society

and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In **Branded Faith** Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in **Branded Faith** a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society

Mike Breen,2012      Breakthrough Ken Braddy,2022-08-16 A church without discipleship is just a gathering It is an important distinction that many pastors and leaders have known for years In leading their churches well pastors have provided a trustworthy curriculum enlisted gifted teachers and have made sure to offer times for members to gather and fellowship with each other However amid all these gatherings one question kept popping up among leaders How do we know if what we are doing is working Over the years leaders have tried to answer this question with numbers If people attended these groups and seemed to enjoy the material then they must be finding success Ken Braddy the director of Sunday school for Lifeway Christian Resources felt that there had to be a better way to measure what matters In Breakthrough Ken guides leaders to measure their groups by observing if they are discipling each other if they are caring for others in and outside of their group and if they are engaging in acts of service Breakthrough offers a new scorecard for leaders to not only track the progress of their groups but measure their success      Building a Life-Changing Small Group Ministry Bill Donahue,Russ G. Robinson,2012-04-03 Like nothing else small groups have the power to change lives They are the ideal route to discipleship a place where the rubber of biblical truth meets the road of human relationships However church leaders often feel at a loss when it comes to assessing the strengths and weaknesses of group life in a church and they struggle with understanding and solving the root causes of problems Group Life resources provide in ebook format the practical tools and training resources needed to develop life changing small group leaders coaches to shepherd group leaders and ultimately a thriving church wide small group ministry These resources include the updated and revised versions of the best selling Leading Life Changing Small Groups and Coaching Life Changing Small Group Leaders the new Building a Life Changing Small Group Ministry and the supplemental Group Life Training DVD Appropriate for individual or group study the books function as manuals and workbooks that teach and allow readers to process and record information as they learn Downloadable web based vision clips and supplemental videos in the DVD help readers explore and discuss topics further Group Life Resources conveniently integrate with the ReGroup™ curriculum giving trainers the option to use them together Bill Donahue and Russ Robinson s Building a Life Changing Small Group Ministry presents a broad introduction for pastors and point leaders to use as they navigate through the process of establishing and developing independent groups or a church wide ministry of small groups      **ThirdWay** ,1978-07-13 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture      **Building a Church of Small Groups** Bill Donahue,Russ Robinson,2005-09-29 This book provides pastors and church leaders with the vision values and initial steps necessary to begin building a church where small groups are integrated throughout the entire ministry      Confessions of a Reformation Rev. Mark Driscoll,2009-05-26 This is the story of the birth and growth of Seattle s innovative Mars Hill Church one of America s fastest growing churches located in one of America s toughest mission fields It s also the story of the growth of a pastor the mistakes he s made along the way and God s grace and work in spite of those mistakes Mark Driscoll s emerging missional church

took a rocky road from its start in a hot upstairs youth room with gold shag carpet to its current weekly attendance of thousands. With engaging humor, humility, and candor, Driscoll shares the failures, frustrations, and just plain messiness of trying to build a church that is faithful to the gospel of Christ in a highly post-Christian culture. In the telling, he's not afraid to skewer some sacred cows of traditional, contemporary, and emerging churches. Each chapter discusses not only the hard lessons learned but also the principles and practices that worked and that can inform your church's ministry, no matter its present size. The book includes discussion questions and appendix resources. After reading a book like this, you can never go back to being an inwardly focused church without a mission. Even if you disagree with Mark about some of the things he says, you cannot help but be convicted to the inner core about what it means to have a heart for those who don't know Jesus. Dan Kimball, author of *The Emerging Church*, will make you laugh, cry, and get mad; school you, shape you, and mold you into the right kind of priorities to lead the church in today's messy world. Robert Webber, Northern Seminary.
