Friendly Fireside Meditations Don Fholer Shank,Deni Anne Fholer,2011-11 One year our pastor gave us twenty five scriptures one a week for twenty five weeks urging us to memorize one each week Frankly my friend I laughed when the pastor advanced such a frightening thought at my age of seventy six I was doing good as a youth to memorize John 3 16 and the twenty third Psalm No chance at my age and IQ level Then the laughing ended abruptly when in a most alarming voice God let me know he wanted me to memorize every one of those assigned scriptures Although memorizing a verse a week might seem as intimidating you will find it surprisingly easy when you allow God to guide you In *Friendly Fireside Meditations* Don outlines twenty five verses that will help you draw nearer to God as you write His word upon your heart The conversational and moving daily meditations that accompany each week s memory verse will help further encourage you in your new undertaking Don t stand out in the cold come warm yourself with the word of God This book is dedicated to the hungry ill clothed and ill housed children and their families wherever they are Note that after printing costs the money from this book will go to missions such as Deni s Isaiah 58 In His Service Ministry and to all the others she and I know to be so helpful to hurting children and adults

You Can't Buy Love Like That Carol E. Anderson,2025-07-30 A young lesbian girl grows beyond fear to fearlessness as she comes of age in the 60s amid religious social and legal barriers Carol Anderson grows up in a fundamentalist Christian home in the 60s a time when being gay was in opposition to all social and religious mores and against the law in most states Fearing the rejection of her parents she hides the truth about her love orientation creating emotional distance from them for years as she desperately struggles to harness her powerful attractions to women while pursuing false efforts to be with men The watershed point in Carol s journey comes when she returns to graduate school and discovers the feminist movement which emboldens her sense of personal power and the freedom to love whom she chooses But this sense of self possession comes too late for honesty with her father His unexpected death before she can tell him the truth brings the full cost of Carol s secret crashing in compelling her to come out to her mother before it is too late Candid and poignant *You Can t Buy Love Like That* reveals the complex invisible dynamics that arise for gay people who are forced to hide their true selves in order to survive and celebrates the hard won rewards of finding one s courageous heart and achieving self acceptance and self love

The Song of Sarah Charlene Pillow Little,2011-07-01 For author Charlene Pillow Little the mirror on the wall refl ected a sobering message As the signs of aging were obviously growing at a much higher rate than her 401 k she must act quickly but not for a face lift It was time for Sarah to set the record straight and go all the way back to the fifties to the time when she too was wrinkle free young and restless These memoirs are her own unmistakable voice talking about the good the bad and the not so pretty of her journey through life *The Song of Sarah* presents a touching personal story from 1937 to 2010 beginning with her birth in the thirties when the family physician

arrives an hour late Her feisty grandmother assumes the role of emergency MD Growing up petite and scrawny in the fifties and always on the lookout for ways to change her name to the one she feels is truly hers she emerges from each hurdle stronger in character body and mind Though her childhood years were lived in an environment considered poverty stricken the hardships and circumstances served to define more clearly and purposefully certain ambitions and values Told with candor and humor her story is more about the human spirit that wills itself not only to survive but triumph over the long haul a spirit that doesn't accept the notion that life is over after the fiftieth wedding anniversary

Among the Stars Jodi Lynn Anderson, 2014-05-20 May Bird has always been a bit different While most of her classmates were riding their bikes she was running around the West Virginia woods dressed as a warrior princess with her hairless cat at her side And while most of her classmates were spending their summer vacations going to birthday parties May was discovering a mysterious lake hidden among the trees and stumbling into the land of ghosts the Ever After A fearful and fantastic realm located among the stars the Ever After is full of phantoms and poltergeists ghouls and goblins and all manner of things that go bump in the night And if May is to find her way out again she must reach the mysterious Lady of North Farm who lives in a cold forbidding land that even the spooks find spooky With her courageous yet melancholy kitty and a ragtag group of spectral friends she's picked up along the way May is determined to escape the Afterlife But her travels will bring her face to face with her worst fears a devious pursuer a truly horrifying dance party under the sea hosted by the Bogey aka Boogie Man and the Ever After's terrible ruler Evil Bo Cleevil And when all of these things collide there's no telling who will find courage to make it through or who will be left behind
