Mommys Lesson:

Leadership Lessons from Mom Peter Garber, 2006 It s amazing how often Mom s advice fits right into the business world Leadership Lessons from Mom was written to encapsulate just some of the many leadership lessons learned from our mothers so you can use them to be successful in business and life Life's Lessons from MOM Patrick Flaherty, 2005-05 Author Patrick Flaherty and his brothers honor their mother by sharing stories and life s lessons learned from her during their childhood Doris Flaherty was typical of the millions of moms raising families in the 1950 s 60 s and 70 s Much of what these moms did on a daily basis for teaching and disciplining their children can easily be used by today s mothers Many stories are humorous anecdotes of how common situations were handled through the wisdom of motherhood Mommy's Lesson Pat Holt, 1985-01-01 A little girl dreams what life would be like if her mother acted selfishly and pouted as she herself had done that day **Daddy's Little Girl and Mommy's Little Boy** Zester Hatfield, 2005 Mr Hatfield with all of his years of experience in marriage parenting family missions and in the Church pulls no punches in calling Christ s Bride to return to His Truth God s revealed Law Word regarding discipleship men and women of faith and grace in Manhood and Womanhood outrageously successful spousal relations parenting with training in romance sexual satisfaction love and marriage He is calling all believers especially men to confession and repentance and to receive understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century Not for the weak kneed weak minded or humanistically influenced this is for Christ s Bride as we prepare for and anticipate His return These applications of God s revealed Law Word and His uncommon common sense in the lives of America s postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God s gifts of love sex and romance in
