Do you enjoy complaining to your girlfriends about your husband and your in-laws? Do you need some inspiration for how to respond to your kids whining and begging? If you answered yes to any of these questions, then this book is for you. This comedic collection of witty one-liners and sarcastic retorts is for any mom in need of a good laugh and some appreciation for all of her hard work. Included are jokes such as: Mother, noun: One person who does the work of twenty. For free. Cook a man a fish and you feed him for a day. But teach a man to fish and you get rid of him for the whole weekend. Daughter: Mom, what's it like to have the greatest daughter in the world? Mom: I don't know, dear, you'll have to ask your grandma. There's a legend that if you go take a shower and scream MOM three times, a nice lady appears with the towel you forgot. Jokes for Moms will leave you laughing out loud and rolling your eyes in agreement before you can even say, "Because I said so." *Relaxing into the Pain* Mekel S. Harris, PhD, 2016-06-29. After years of offering emotional support and guidance to children, young adults, and families coping with grief and loss, Dr. Mekel Harris, a licensed psychologist, came face-to-face with her own grief following her mother's diagnosis with stage IV pancreatic cancer in November 2012. Just 30 days after receiving news of her mother's devastating diagnosis, Dr. Harris' mother died, thrusting Dr. Harris into an emotional, physical, and spiritual whirlwind. Within a brief period of time, she was forced to confront herself and others in ways she had never known. *Relaxing Into the Pain* offers a glimpse into Dr. Harris' grief journey, thus far, a journey filled with peaks, valleys, and spiritual crossroads. Her candid journal entries, coupled with self-reflections about her experiences, provide insights into the overwhelming nature of, as well as the beauty within, grief and loss. Most importantly, Dr. Harris' reflections offer Christ-centered inspiration and hope to those traveling along grief's road and challenge the reader to consider its transformative depths. [OMG!
