My Single Mom Life Angela Thomas,2008-05-04 The day Angela Thomas sold the only thing she had the diamond from her engagement ring to take care of her kids was the day she began to believe they were going to make it In that decision the faith she had always talked about became the faith she was going to learn how to live In the years since God has given Angela a passionate desire to live an amazing life even while raising four kids as a single mom In this book she shares her hard earned wisdom on loneliness dating finances and parenting encouraging every solo mom As a gift to our children she says we can become healthy moms who are strong and amazing women in spite of our circumstances *The Better Mom* Ruth Schwenk,2018-04-24 Mothering is messy Our joy and hope in raising children doesn t change the reality that being a mom can be frustrating stressful and tiring But just as God is using us to shape our children God is using our children and motherhood to shape us In *The Better Mom* author Ruth Schwenk herself a mother of four children encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess We don t need to settle for surviving our kids childhood We can grow through it With refreshing and heartfelt honesty Ruth emboldens moms to Find freedom and walk confidently in purpose Create a God honoring home environment Overcome unhealthy and destructive emotions such as anger anxiety and more Avoid glorifying the mess of mom ing or idolizing

perfection Cultivate life giving friendships At the heart of The Better Mom is the message that Jesus calls us to live not a weary life but a worthy life We don t have to settle for either being apathetic or struggling to be perfect Both visions of motherhood go too far Ruth offers a better option She says It s okay to come as we are but what we re called to do and be is far too important to stay there The way to becoming a better mom starts not with what we are doing but with who God is inviting us to become

Pavlick,2010-12-22 A Gay Epiphany is basically my autobiography the autobiography of a man of no importance but it is really much more than that It covers a 55 year journey beginning with an innocent young child s search for God complicated by the conflicting dogmas and interpretations of institutional Christianity and coupled with growing up gay in the 1950 s and 60 s The book covers the struggles of a young man who wants only to serve God but who meets with nothing but religious hostility and condemnation from institutional Christianity due to his homosexuality It addresses many areas of study including comparative religion Eastern philosophy New Age The Christian Right politics The American Dream fundamentalism misinterpretation of religious texts authenticity of the Bible itself and many other related topics quoting from specialists in those fields of study It is an appeal to religious leaders parents educators and legislators to show more compassion towards gay men and women and grant them the full respect and equality to which they are entitled under a secular democracy It is my gift to my gay brothers and sisters who may still be struggling with how to integrate their sexual identity with their spirituality It is also intended as my gift to those in the heterosexual community who still may be struggling with which spiritual path out of the hundreds that exist would be most
