**Papers to the Anthropology Conference** Peter Cleave,1998      *Religion and Media in America* Anthony

Hatcher,2018-05-25 Covering topics ranging from the Moral Monday movement to Christian films and performers *Religion and Media in America* is a qualitative study of the ways in which religion has been woven into American popular and civic culture This book explores how Christianity both adapts to and is affected by new media forms Its six chapters address religious activism government imposition of religiosity into secular culture religious entertainment Bible translations marketed as consumer goods and how religious satire comes from both religious and secular sources Recommended for scholars and students interested in media studies film studies religion communication American history American studies political science and popular culture      *From Young Braves to Mighty Warriors* Ron Bales,2014-10-10 *From Young Braves to Mighty Warriors* is my best recollection and story of how we as a community a school and a group of determined and dedicated young men overcame incredible obstacles and challenges to build a powerful football program that won the Group A Virginia High School League State Championship in 1970 and four consecutive Region C championships in the six short years that I had the privilege of serving as head football coach This book is also a tribute to the mental toughness and dedication to a common cause of hundreds of young men who proudly wore the orange and black for the Chilhowie Warriors from 1966 to 1973      The Riley Covington Collection: Monday Night Jihad / Blown Coverage / Blackout / Inside Threat Jason Elam,Steve Yohn,2017-06-06 This collection bundles all four titles from the thrilling Riley Covington series by Jason Elam and Steve Yohn into one volume for a great value 1 *Monday Night Jihad* He thought his deadliest enemy knelt across the line of scrimmage He was wrong After a tour of duty in Afghanistan Riley Covington is living his dream as a professional linebacker when he comes face to face with a radical terrorist group on his own home turf Drawn into the nightmare around him Riley returns to his former life as a member of a special ops team that crosses oceans in an attempt to stop the escalating attacks But time is running out and it soon becomes apparent that the terrorists are on the verge of achieving their goal to strike at the very heart of America This softcover edition also includes a teaser chapter of the next Riley Covington thriller Written by a member of the NFL gives readers an insider look at the world of professional athletes and military intelligence Examines the challenges of homeland security in large venue events Explores the tension between the desire for revenge and the constraints of the Christian faith especially as it relates to Islam Jason Elam has recently returned from Iraq where he visited and supported the troops You can read his journal at [mondaynightjihad.blogspot.com](http://mondaynightjihad.blogspot.com) 2 *Blown Coverage* Linebacker Riley Covington returns to another season of mini camp for the Colorado Mustangs just as a wave of terrorist attacks begin to occur across the country Sleeper cells are being awakened likely by the leader of the Cause who has recently escaped from captivity and is coordinating attacks not only on America but also on Riley and his loved ones As Jim Hicks Scott Ross and the rest of the Counterterrorism Division follow leads in Europe Riley goes on the offensive to draw out his attackers But can the Cause be stopped before they are able to reach their ultimate goal 3 *Blackout* Riley Covington is still reeling from his father's

brutal murder when he learns he's been traded. Meanwhile the counterterrorism division has detected a plot to detonate electromagnetic pulse bombs that could leave the U.S. without power, communications and transportation right down to dropping planes out of the sky. CTD scrambles to stop the attacks but they run out of time. Amid the fallout, Riley Scott Skeeter and CTD must regroup to make sure the second bomb doesn't reach its destination.

4 Inside Threat: After taking two football seasons off, Riley Covington is attempting to make a comeback in the league while trying to forget Khadi Faroughi, now on security detail for a prominent senator. But a new attack turns both of their lives upside down yet again. During a state funeral, terrorists overrun the National Cathedral and take senators, congressmen and their entourages hostage, including Khadi. This new generation of The Cause is made up of homegrown terrorists, an inside threat to the security of the nation. They release most of the hostages, but Khadi and several others are kept behind as significant bargaining chips. The Cause pledges to behead one member of Congress each day throughout the month of Ramadan as a punishment for their own country's rejection of Islam. Despite the protests of Counter Terrorism Division director Scott Ross, Riley races to CTD, armed with a plan and a fierce determination to rescue Khadi at all costs.

*Spies, Warriors, Prophets & Kings* Glen Gerhauser, 2025-05-28

*Spies, Warriors, Prophets & Kings* explores the biblical books of Joshua through 2 Kings, empowering you to develop a warrior's heart. Glen Gerhauser uses the narrative of Israel entering and living in the Promised Land as an example for believers today. Through words, visual illustrations and infographics, the book highlights themes like understanding and valuing God's covenant, journaling the importance of seeking God, and how to become a spiritual warrior through disciplined engagement with Scripture. Special emphasis is given to proper interpretation, exegesis, and the need to see the Bible and the world through the lens of Jesus.

*Santería* Migene González-Wippler, 1994

When the Yoruba of West Africa were brought to Cuba as slaves, they preserved their religious heritage by disguising their gods as Catholic saints and worshiping them in secret. The resulting religion is Santería, a blend of primitive magic and Catholicism now practiced by an estimated five million Hispanic Americans. Blending informed study with her personal experience, González-Wippler describes Santería's pantheon of gods, orishas, the priests, santeros, the divining shells used to consult the gods, the diloggón and the herbal potions prepared as medicinal cures and for magic. Ewe as well as controversial ceremonies including animal sacrifice. She has obtained remarkable photographs and interviews with Santería leaders that highlight aspects of the religion rarely revealed to nonbelievers. This book satisfies the need for knowledge of this expanding religious force that links its devotees in America to a spiritual wisdom seemingly lost in modern society.
