## **Money Cometh To The Body Of Christ:**

**Money Cometh** Leroy Thompson, 1999-05-01 Money Cometh is sweeping the nation Believer s everywhere are catching the revelation that God wants to bring money to the Body of Christ God is a God of increase and especially in these last days His desire is to have plenty of money to win the lost and take care of His children Dr Thompson presents the Scriptures in new light revealing God s purpose and plan for abundance in the Church today nd *Money Cometh! To The Body of Christ* Leroy Thompson Sr., 2022-03 Financial prosperity is the divine right of every Christian In fact it s more than a divine right it s a divine obligation God wants to prosper you not only to bless you and your family but also to fund the work of the gospel throughout the world Yet many Christians are neither enjoying their right nor fulfilling their obligation If you re one of them it s time to find out once and for all what God s Word says about money It s time to become one of the thousands who have put aside the mistaken idea that prosperity is ungodly and have discovered the truth that has transformed their prosperity onto abundance In this powerful volume Dr Leroy Thompson shares the God given revelation that changed his life and shows you how to apply those same principles of prosperity in your own life You ll learn how to put God in charge of your finances by obeying His Word and keeping your heart and mind right before Him You ll also learn how to Open the door to blessings Stop living on credit Get out of debt permanently Prepare a storehouse for the increase that is coming Plus you ll find the three vital messages that can take Money Cometh from revelation to reality in your life **Money Cometh Hidden**

**Wisdom** Leroy Thompson, Sr., 2023-06-05 The revelation of money cometh is a powerful unfoldment of prosperity by the Holy Ghost We ll take steps in this book to unlock its hidden wisdom in your life The revealed things concerning our prosperity belong to us the Body of Christ *The Dictionary of Pan-African Pentecostalism, Volume One* Estrelida Y.

Alexander, 2018-06-22 This volume is the first in a series of volumes surveying the important names movements and institutions that have been significant in forging black renewal movements in various contexts worldwide In this volume the entries cover the more than 150 identifiable Holiness Pentecostal Charismatic Neo Pentecostal and quasi Pentecostal bodies within the United States and Canada In addition the dictionary contains entries on the important people places events and theological and secular issues that shaped these groups over their histories some of which go back more than a century This and subsequent volumes will be invaluable tools for students and scholars of the history of Pentecostalism **Word of Faith**

**Preachers** Joseph T. . Bachota Jr, 2010-06-16 Have you ever wondered about the correctness of the messages and teachings of preachers behind the pulpits and on TV today Who holds them accountable for explanations and outlines of the truth Who questions them or anything they say With sound biblical exegesis this book challenges you to keep an open mind and determine for yourself what is true or false As an ordained Word of Faith preacher Joe Bachota has firsthand knowledge of the doctrines being preached Word of Faith Preachers isnt meant to be an exhaustive discussion of every doctrinal position taken by the movement Instead it explores a few of the major heresies the Word of Faith churches are teaching with the goal

of preventing you from being led astray if you are exposed to them Even though Bachota once believed preached and taught most of these doctrines the Lord has led him in another direction opening his eyes to the heresies contained in some of the Word of Faith doctrine Hopefully this book will lead you in the same way and enable you to come to the same conclusion he did the teachings of many churches today particularly Word of Faith churches are completely out of touch with sound biblical doctrine

**50 Days of Prosperity** Gloria Copeland, George Pearson, 2012-05-01 There is no question whatsoever that it is God's perfect will for us to prosper The 50 Days of Prosperity study series began with the two week teaching on the Believer's Voice of Victory broadcasts done by Pastor George Pearson's At the same time Pastor Pearson's was teaching a prosperity series at Eagle Mountain International Church

**Charisma and Christian Life**, 1997 *The Liberation of the African Mind* Adisa Franklin, 2004-11-02 The Liberation to the African Mind The Key to Black Salvation is a strong book written to the millions of African Americans who have had their history distorted by the Church and public schools Because of these distortions Black people are estranged and alienated from their culture and the wisdom of their ancestors The book challenges African Americans to begin to think for themselves especially in the realm of religion It is a prophetic book with a revolutionary perspective It is prophetic in that it points to the direction the Black Church must take to effectively address the spiritual needs of the Black community It is revolutionary because it challenges the Church and believers to establish a new paradigm an African Spiritual frame of reference The Black Church must transform itself and take on a new view of the scriptures doctrines and dogmas of Christendom This book documents the fact that what Blacks have been given as Christianity is in reality stolen African mythology cosmology and history that has been corrupted by Roman and Greek priest philosophers and emperors It is one of the most powerful challenges to Orthodox Christianity to date The Truth will liberate you from their strong delusions While there is indeed some positive and beneficial aspects to Church membership it is time for the Black Church to make its exodus from the Western religious way of faith in God to the African spiritual way of knowledge of God Black Pastors and religious leaders must begin to teach that which will bring about the manifestation of the fullness of Christ This is the charge given to all church leadership by the Bible they teach from And He Himself gave some to be apostles some prophets some evangelist some pastors and teachers for the equipping of the saints for the work of the ministry for the edifying of the body of Christ till we all come to the unity of the faith and the knowledge of the Son of God to be a perfect man to the measure of the stature of the fullness of Christ Ephesians 4:11-13 There are far too many Babes in Christ in the Church It is not the fault of the believers but a reflection of corrupted doctrines and false dogmas In addition the unity of the Black Church must become a priority Not one church or believer can say they have no need of the rest of the Body of Christ in good conscience Yet unity in the Black Church is more a rhetorical than an actual reality Imagine what could be done if the wealth of the Church was combined to establish a super fund Unity must be at the top of the agenda for the Black Church and for the Black community Lastly though we have the proverbial church on every corner there

is an undeniable spiritual crisis in the Black community The Liberation of the African Mind The Key to Black Salvation makes the Spiritual Resurrection of the Black man a valid goal and priority It will challenge many long held beliefs and dogmas however Christendom must be examined and that which is not of God must be abandoned Not since Marcus Garvey Fredrick Douglas and the Honorable Elijah Muhammad have Blacks questioned the validity or efficacy of Christianity Mr Muhammad made an attempt to make Blacks aware that Christianity was the religion of the people who had enslaved them Every race worships God in a way that is peculiar to their culture Since the days of captivity Blacks have worshiped the god of their conquerors and oppressors Worshipping a White man as God is not only a form of idolatry but extremely detrimental to the Black Psyche
