*Rules of the Rich* Tom Corson-Knowles,2014-01-12 Financial success is possible if you re willing to learn the Rules of the Rich learn how to kick fear in the butt and achieve your goal now You don t have to wait to get rich until you re too old to enjoy spending your money It takes only three to five years using the wealth creating strategies in this book to create a small

fortune and early retirement if that's what you want. Certainly some industries require heavy capital investments upfront like oil and gas exploration or industrial manufacturing but almost any other business can be started with 1 000 or less. Great entrepreneurs understand that you can pre-sell almost any product and collect the money upfront. Then once you have the cash you can build the product and deliver it to your customers. This is how massive companies can be started with little or no cash just look at the histories of Fortune 500 companies like Apple, Microsoft or Whole Foods. Thanks to our new networked economy technology and opportunities anyone from anywhere in the world can start a business for less than 1 000 and turn it into a successful wealth producing company in just a few short years. What's holding them back from starting one now? It's fear the kind of fear that makes you keep your mouth closed when you wish you could speak up and ask for what you really want. It's the fear that stops you from moving forward in life and achieving the wealth and success you deserve. And there's only one thing that will conquer your fear: commitment to your own success. Discover why the old rules of financial security and retirement are broken and learn the new rules that will save you from the financial ruin so many Americans face. In this life-changing book entrepreneur Tom Corson Knowles shares his secrets to lasting business and financial success passed down by hundreds of entrepreneurs and millionaire mentors.
