Principles To Achieve Financial Freedom Master Your Financial Life 3 teaches about managing personal finance and shows readers how they can improve their financial life Summary Of The Book 11 Principles To Achieve Financial Freedom Master Your Financial Life 3 is quite different from conventional books on personal finance The protagonist of the book is Sam Instead of a story the book is more of a collection of conversations between Sam an IT professional and his financial coach Sam is portrayed as an amateur investor who is confused and totally lost when it comes to the world of finances His coach invites him for a program called 90 Day Money Game that consists of 11 levels that span over a time period of nine days The eleven levels of this money game are organized as eleven chapters in this book These are not just chapters but eleven principles to make anybody a powerful investor Sam s financial coach transforms him into a potent investor The chapters in the book are titled Laying a Strong Foundation Creating New Relationship with Money How to Create System to Create Wealth The Game Changers Investigation Begins Set Yourself Instead of Setting Goals How to Increase Income Active versus Passive Income How to Master the Game of Financial Freedom and How to Make Every Year the Best Financial Year 11 Principles to Achieve Financial Freedom Master Your Financial Life 3 highlights that personal finance is more about the person rather than the numbers It teaches readers how to change themselves to change their financial situation Through Sam s story and his journey through the 90 Day Money Game the readers will be taken out from their state of confusion Sam s financial coach changes his perception about personal finance and teaches him the art of creating wealth He turns him into a flourishing investor Similarly this book is designed to be the coach mentor and guide for the reader as they embark on the journey of money making By teaching how to explore one s full financial potential the book is designed to take one s financial life to another level 11 Principles To Achieve Financial Freedom Master Your Financial Life 3 aims to help readers understand the value of looking beyond just financial products and returns and consider wealth creation as a project It sets a new trend in the world of personal finance **Sorting Out Your Finances For Dummies** Barbara Drury,2012-03-08

Created especially for the Australian customer Turn over a new leaf painlessly and profitably Do you dream of a financially secure future but find personal finance planning too overwhelming Sorting Out Your Finances For Dummies Australian Edition gives you the confidence to take stock set goals and chase rainbows Written in plain English this book shows you how to budget your money work out an investment plan and choose the right assets for a wealthier future Discover how to Work out a budget and stick to it Find a first rate financial planner Find the right loans for you and manage your mortgage Prune your tax bill Map out a superannuation plan *A New Economic System: Guide to Debt Elimination and Wealth Creation* Yusef Rashid DeLaine,2014-06-05 The masses of human beings on earth are struggling and suffering with poverty because the financial system of Capitalism is a pyramidal structure based upon divide and conquer that permits the top 5% to become wealthy at the expense of 95% of the masses of people thereby creating a working poor middle class and a permanent underclass through trickledown economics and debt accumulation Conversely Karl Marx s financial system of Socialism

Communism redistributes wealth equally among the members of Society and eradicates poverty but puts a ceiling on the amount of Wealth and Prosperity of its citizens and does not eliminate debt for all of humanity Furthermore the financial system of Capitalistic Socialism permits certain members of Society to become Wealthy yet some of this wealth is also distributed among the less fortunate through the taxation of the wealthy but this still does not create total wealth and prosperity and elimination of debt for all of humanity Towards a New International Monetary Order Koen

Byttebier,2017-05-25 This book presents a thorough and critical evaluation of the monetary and financial system prevalent in Western economies Further it seeks to explain why this system so often leads to financial crises and why they have been dealt with unsatisfactorily in the past In order to provide answers to these questions the book investigates the monetary and financial system from a multidisciplinary perspective with a strong focus on the ethical value choices which throughout history have shaped the monetary and financial legal system In the closing chapters the book also advances a detailed proposal for a New Global Monetary Order one based on altruism as an alternative to the neoliberal values dominant today
