The Money Pit Mystery Eric Walters,2011 Originally published Harper Collins 1999

Maps, Mystery and

Interpretation G J Bath,2014-05-05 An Oak Island Reconstruction In these rational times common sense might dictate that it would be rash to spend the greater part of one s life and wealth in search of buried treasure yet there are some who have done so It might seem an even greater folly to pursue such a dream based on the supposed existence of so called treasure maps yet some are convinced that this is a reasonable basis for action For some two hundred years a long list of hopefuls have poured their wealth their hearts and their souls into the quest for a treasure reputedly buried on Oak Island Nova Scotia The focus of attention has been a deep shaft long ago dubbed the Money Pit that has defied all attempts to expose the

wealth believed by many to lie in its depths Could the Money Pit be a trap to snare the unwary Might it not be more reasonable to suppose that any treasure on Oak Island lies somewhere else on the island and even that a set of cryptic treasure maps which many consider bogus were actually created in order to locate it In this book the author reveals hitherto unpublished information and presents a scenario that demonstrates this could have been possible The Oak Island Enigma Thomas Pennell Leary,1953 In Search of the Money Pit Mystery (videorecording). Alan Landsburg Productions,1978

The Oak Island Enigma Thomas Leary,2015-04-23 A gripping history of Oak Island and the mystery of its Money Pit details the early discoveries the shaft with its many platforms the drainage tunnels from the ocean that fill the shaft with sea water and the many attempts to find what the construction hides and protects The Oak Island Enigma was the first published book to contend that the manuscripts of William Shakespeare s works actually written by Sir Francis Bacon are buried beneath Oak Island This Second Edition reprints the rare self published 1953 First Edition 100 of the World's Greatest Mysteries E.
