Through the Thicket Ivan W. Bowden, 2017-12-22

Unceremoniously dismissed from his lectureship in New Testament Dr Edward J Sutherland uses his forced retirement to struggle through a thicket of end times issues in a conservative church Interaction with a defense lawyer induces him to reconsider his inherited eschatology by engaging honestly with the biblical text He faces conflict within himself with a crusading dispensationalist church elders a newly appointed American pastor and a militant atheist Set in the Sunshine Coast of subtropical Australia the book goes beyond entertaining through romance touches of humor and conflict resolution Readers are exposed to vigorous discussions at a surf club a backyard barbecue a second coming conference in a neighbor s lounge room or via email They are forced to examine their presuppositions on topics including the rapture the antichrist the tribulation the purpose of Christ s second coming and the kingdom of God Whether they alter their views on such topics is less important than that they cultivate sound principles of biblical interpretation uphold the integrity of Jesus and the biblical authors and respect fellow Christians with whom they disagree

Cultural Christians in the Early Church Nadya Williams, 2023-11-14 In the middle of the third century CE one North African bishop wrote a treatise for the women of his church exhorting them to resist such culturally normalized yet immodest behaviors in their cosmopolitan Roman city as mixed public bathing in the nude and wearing excessive amounts of jewelry and makeup The treatise appears even more striking once we realize that the scandalous virgins to whom it was addressed were single women who had dedicated their virginity to Christ Stories like this one challenge the general assumption among Christians today that the earliest Christians were zealous converts who were much more counterculturally devoted to their faith than typical church goers today Too often Christians today think of cultural Christianity as a modern concept and one most likely to occur in areas where Christianity is the majority culture such as the American Bible Belt The story that this book presents refutes both of these assumptions *Cultural Christians in the Early Church* which aims to be both historical and practical argues that cultural Christians were the rule rather than the exception in the early church Using different categories of sins as its organizing principle the book considers the challenge of culture to the earliest converts to Christianity as they struggled to live on mission in the Greco Roman cultural milieu of the Roman Empire These believers blurred and pushed the boundaries of what it meant to be a saint or sinner from the first to the fifth centuries CE and their stories provide the opportunity to get to know the regular people in the early churches At the same time their stories provide a fresh perspective for considering the difficult timeless questions that stubbornly persist in our own world and churches when is it a sin to eat or not eat a particular food Are women inherently more sinful than men And why is Christian nationalism a problem and at times a sin Ultimately recognizing that cultural sins were always a part of

Money Mania Bob Swarup, 2014-03-10 Money Mania is a sweeping account of financial speculation and its consequences from ancient Rome to the Meltdown of 2008 Acclaimed journalist and investor Bob Swarup tracks the history of speculative fevers caused by the appearance of new profitable investment opportunities the new assets created and the increasing self congratulatory euphoria that drives them to unsustainable highs all fed by an illusion of insight and newly minted experts the unexpected catalysts that eventually lead to panic the inevitable crash as investors scramble to withdraw their funds from the original market and any other that might resemble it and finally the brevity of financial memory that allows us to repeat the cycle without ever critically evaluating the drivers of this endless cycle In short it is the story of what makes us human **Pamphlets on Foreign Missions**, 1856 Mores Catholici : Or Ages of Faith Kenelm Henry Digby, 1841 Reforming the Morality of Usury David W. Jones, 2003-12-30 In the early years of the sixteenth century the Church experienced a dramatic shift in its moral perception of the practice of usury Leaders of the continental Protestant Reformation Lutheran Calvinist and Anabaptist all grappled with the Roman Catholic Church's moral teaching on the

practice of lending money at interest Although these three theological streams addressed the same moral problem at relatively the same time they each responded differently Reforming the Morality of Usury examines how the leaders of each major stream in the continental Protestant Reformation adopted a different approach to reforming moral teaching on the practice of usury
