Walker, 2008-07 Author and Pastor Guy Walker makes a convincing argument that God is about to call His people to embark on a modern day Exodus Unlike the forced march of Biblical times which was from one geographic location to another today God is calling His people to come out of the world's financial system which has by and large enslaved them They have of course willingly accepted this bondage through their voracious appetite to consume goods and services that they cannot afford to pay for The result is financial oppression through consumer debt that is stifling their spiritual life Financial Exodus is a roadmap to freedom and true financial prosperity God's way He is calling His people to no longer be conformed to the world but to be transformed by the renewing of your mind so that you might prove what the good and acceptable will of God is for your life God has a plan for your deliverance read Financial Exodus to find out what it is *The Gratitude Effect* Dr. John Demartini, 2020-09-21 Would you like to go to the next quantum level beyond the world of simply positive thinking Are you ready to experience new levels of inspiration creativity and achievement Well now you can Let The Gratitude Effect open your heart inspire your mind awaken your inner powers and hidden seeds of greatness Allow it to help you break through any limiting beliefs and guide you to a more empowered life filled with deeper meaning and awareness One of the teachers of the hit movie The Secret Dr Demartini wrote this book as a practical guide to a new life of happiness and thankfulness proclaiming the importance of gratitude in an individual's life You will learn To be happy with and grateful for what you have
