

Monologues from Movies for Kids

101 DALMATIANS: *Cruella DeVille*

Well, just be sure the puppies don't do it again! I don't want the yowls and growls of spotted little furry creatures.....

Spotted little furry creatures.....Why, I don't think I've quite seen anything like them. Look at the depth! Look at the patterns! Why, they're practically works of art! And just what I need to complete my collection! You know what? I've changed my mind. I've been without a pet long enough. No one to play with. I can't wait to wear.....I mean, care for all the little puppies. I'll buy the whole litter! How much?

ARISTOCATS: *Duchess*

Now kittens, you must not fight. Toulouse! Aristocats do not fight. Aristocats behave like ladies and gentlemen. Now it's time for your music practice. It's important to have a well rounded education. You never know when a knowledge of music might come in handy.

ALADDIN: *Aladdin*

But I do like Jasmine. I mean, "The Princess!" Ugh! I must've sounded so silly! Then again, what does it matter? I'm never going to see her again. Me, the "street rat!" Besides, she deserves a prince. Or at least someone better than me. Oh, why did I ever meet her? Boy, I'm glad I met her! Look at this junk! I bet no one's been in here for years. Something's written on this thing

. Let's see here.....

FINDING NEMO: *Dory*

No. No, you can't. ...STOP! Please don't go away. Please? No one's ever stuck with me for so long before. And if you leave...if you leave... I just, I remember things better with you! I do, look!

P. Sherman, forty-two...forty-two... I remember it, I do. It's there, I know it is, because when I look at you, I can feel it. And...and I look at you, and I...and I'm home!

Please...I don't want that to go away. I don't want to forget.

Emotional arcs and strong endings to challenge actors and keep audiences engaged. Modern day topics with contemporary language. Convenient organization from younger to older as the book progresses. Ideal for auditions as short performance pieces or for use in the classroom. Below are sample monologues from the book.

SHARING Some people think I don't like sharing but that isn't true at all. I love sharing. I mean what's not to love about being able to go up to someone and say, "Hey, can I have some of that candy?" And then they give you some. Or, "Can I ride your bike for a while?" And then you get to ride their bike. Sharing is awesome. Sometimes you have to be careful though. Like if someone comes up to me and says, "Can I have one of your cookies?" Well, if I gave them a cookie, then I might not have any cookies left to share with other people, and that would be like the opposite of sharing. So I have to say no. Because sharing is really important.

SCOUT Before we moved here, we had this big dog named Scout. Mom always said he was a total mutt, but I think he was also part collie. And maybe part golden retriever. But he was definitely at least half mutt. Scout was supposed to be the whole family's dog, but he was really mine. I mean, after school, it was me; he would be waiting for me. And when anyone threw his ball, I'm the one he always brought it back to. And at night, it was always my bed he slept in. But before we moved here, my Mom found out we weren't allowed to have any pets, so we had to give him away to my cousins. I don't really talk about it, but sometimes I dream about Scout. He's got his ball in his mouth, and he's looking for me. And I'm saying, "Here, Scout, I'm right here." But he doesn't hear me, and he can't see me, and I'm saying, "I'm right here, Scout. I'm right here." And then I don't know, I guess I wake up. I don't know if Scout dreams about me.

UNIVERSE I saw on the Discovery Channel, where a long time ago, before the beginning of time, the entire universe was as small as the head of a pin. And everything was inside it: stars, planets, houses, people, cars, other pins. Everything in the universe. And then one day, this head of a pin just exploded, and everything came out at like a million degrees hot and a million miles an hour. And all the stars and planets and people and cars just kept getting bigger and bigger until they filled up all of space and all of time, just burning and melting and spinning. And as soon as I heard that, I knew that I was just like that pin, and that one day, I'm gonna explode too. And when I do, fire and stars and whole worlds will come out of me, and they'll be a million degrees hot, and they'll travel so far and so fast that I'll never have to come back here again. Not ever. Not ever.
