Memoirs of a Counterspy Donald Bradshaw, 2010-09-07 *Memoirs* a historical novel covers the first 15 years of Don Bradshaw's career as a raw Army Counterintelligence Agent. During the course of his routine business, Don discovers his KGB nemesis Ivan and then follows his activities until their lives merge in Bangkok, Thailand. The journey through this portion of Special Agent Bradshaw's life and his encounters with numerous questionable but talented characters provides the backdrop for his Quixotic charges at the windmill, Ivan, and lays out the sequence of events providing the groundwork for his personal and professional pitfalls and successes. The anecdotes described herein will tell the story of Don's attempts to rise above hierarchical constraints and the untimely temporary reassignments away from the action. In the end, the story requires the surprising cooperation of three separate US Government agencies to bring this episode to an end and forms the basis for many more stories to come.

Eurasian Emma Jinhua Teng, 2013-07-13 In the second half of the nineteenth century, global labor migration, trade, and overseas study brought China and the United States into close contact, leading to new cross-cultural encounters that brought mixed-race families into being. Yet the stories of these families remain largely unknown. How did interracial families negotiate their identities within these societies when mixed-race marriage was taboo and Eurasian often a derisive term? In *Eurasian*, Emma Jinhua Teng compares Chinese-Western mixed-race families in the United States, China, and Hong Kong, examining both the range of ideas

that shaped the formation of Eurasian identities in these diverse contexts and the claims set forth by individual Eurasians concerning their own identities Teng argues that Eurasians were not universally marginalized during this era as is often asserted Rather Eurasians often found themselves facing contradictions between exclusionary and inclusive ideologies of race and nationality and between overt racism and more subtle forms of prejudice that were counterbalanced by partial acceptance and privilege By tracing the stories of mixed and transnational families during an earlier era of globalization Eurasian also demonstrates to students faculty scholars and researchers how changes in interracial ideology have allowed the descendants of some of these families to reclaim their dual heritage with pride **Warder Born** LJ Jones,2012-04-09

Naughton, 2025-04-15 As a father and a multi tour Vietnam veteran I struggled to explain my war and my voluntary service in it to my children Reading about author Patrick Naughton s similar experiences in his family helped me understand that broad generational gap that confounded so many of us between our war and what was faced by younger veterans of America s global war on terror What we had between seminal events was more than a simple failure to communicate The insights provided by Naughton s Born from War are enlightening and invaluable Capt Dale Dye USMC Ret author actor and filmmaker Patrick Naughton s father barely spoke of his time in Vietnam to his family yet his service was the sole reason Patrick joined the U S Army as a teenager Patrick Naughton Sr served in Vietnam with the 82nd Airborne and advising the South Vietnamese Army while Patrick himself would serve in Iraq Three decades of history and politics divided their service yet the similarities between their experiences are undeniably striking Patrick s attempts to understand his father led to a search for those who served with him in Vietnam an examination of the personal relationship of a father and son whose few connections have been war and a quest to understand war and its undeniable generational influence The result is an engaging and eye opening weaving together of the combat experiences of two generations of a military family From the failure of grand stratagem through personal combat stories and the memories of those lost America s wars against communism and terror are laid raw through the experiences of one family **Born of Adversity** Guy
