## **Monsters And Angels:**

**Monsters and Angels** Anne Marie Andrus, 2017-06-23 Fledgling nurse Sorchia Alden knew she had the skills to save lives but she never dreamed her own life would be the one in danger Driven by tragedy to honor her family name Sorchia embarks on a journey that takes her from the bleak but familiar streets of New York through the sultry and seductive city of New Orleans and into the brutal jungles of Nepal Forging friendships and carrying on her mother's mission of healing was her dream Plunging into a love affair with the mysterious Dr Ashayle could have been a fairytale Being murdered and waking up as a blood thirsty monster became her living nightmare Torn away from a life that had just begun Sorchia returns to New Orleans as a newborn vampire forced to start over in a cutthroat underworld of devilry and decadence Complicated politics bitter rivals and jealous ancestors stand between her and the promises she's still determined to keep In a realm where the boundary between good and evil is as murky as the Mississippi River and immortal does not mean invincible will Sorchia ever risk her shattered heart and love again Can the magical harmony of the Crescent City give her enough courage to fulfill her eternal destiny Sorchia's final word will make your jaw drop

**Monsters and their Meanings in Early Modern Culture** Wes Williams, 2011-05-26 To call something monstrueux in the mid sixteenth century is more often than not to wonder at its enormous size it is to call to mind something like a whale By the late seventeenth century monstrueux is more likely to denote hidden intentions unspoken desires Several shifts are at work in this word history and in what Othello calls the mighty magic of monsters these shifts can be described in a number of ways The clearest and most compelling is the translation or migration of the monstrous from natural history to moral philosophy from descriptions of creatures found in the external world to the drama of human motivation of sexual and political identity This interdisciplinary study of monsters and their meanings advances by way of a series of close readings supported by the exploration of a wide range of texts and images from many diverse fields which all concern themselves with illicit coupling unarranged marriages generic hybridity and the politics of monstrosity Engaging with recent influential accounts of monstrosity from literary critical work Huet Greenblatt Thomson Burnett Hampton to histories of science and bio politics Wilson C and Foucault Daston and Park Agamben it focusses on the ways in which monsters give particular force colour and shape to the imagination the image at its centre is the triangulated picture of Andromeda Perseus and the monster approaching The centre of the book's gravity is French culture but it also explores Shakespeare and Italian German and Latin culture as well as the ways in which the monstrous tales and images of Antiquity were revived across the period and survive into our own times

**Monsters & Angels** Rose Wood, 2015-01-20 Are those eyes looking out from the closet door Are you really by yourself when you are playing outside These are common fears that a child will question as they learn more about themselves and the world around them especially when it comes to monsters in their closets and angels around them Author Rose Wood brings readers into the circumstances of these questions in her two story children's book Monsters and Angels Both stories show what a child feels when they believe monsters live in

their closet or that an angel might be protecting them from danger Yet Rose goes further into the faith of a child showing prayer occurring when the main character is frightened but sees the truth behind seeing is believing As the child sees more of his her protection through the grace of God the child begins to believe even more of a Heavenly Father watching over him her

**THEY BITE** Jonathan Maberry,David F. Kramer,2009-08-25 From two award winning authors a collection of horror legends and folklore from the world of supernatural and paranormal storytelling The ultimate guidebook to the horrific roots and modern day expressions of our darkest fears with contributions from the modern masters of the macabre Wary mortals have always lived in fear of monsters that feast on human flesh and blood to energize their evil essence Every culture and country has its demons and since earliest times we ve tried to capture these supernatural predators through the power of storytelling But they refuse to be tamed Join Bram Stoker Award winners Maberry and Kramer on a chilling journey into the nature of the beast You ll unearth graves and venture into forbidden caves and forests to discover the evolution of supernatural predators throughout centuries of scares From ancient heroes battling dragons to wary vampire hunters opening cobweb enshrouded coffins this compendium of creepy creatures tracks the monsters of our imagination from the whispered fireside tales of old to the books

comics and films that keep us shivering on the edges of our seats with delight and fascination      **Kissing Passion** Lynn Robin, 2021-03-16 This is exactly what Lock wanted His plan works already he has driven them apart And begun to shatter her heart Kiss was the only one in the world who could defeat the Collector the strongest monster in recent history Now she is the only one who can vanquish the Great Nightmare Or so Seraphim and the others believe but Kiss silently doubts whether even her love is strong enough to turn Lock into an angel because how can she muster any passion for the monster who destroyed her five years ago for the beast that has now taken Zane away from her Being his creator Skylar knows how mighty Lock is and to atone for her mistakes before the angels will take her life she tries to do anything in her power to make sure the world's greatest threat will be eliminated in case Kiss will fail She seeks the help of August but will their plan work or be torn to pieces once again The world is on the verge of drowning in darkness Kiss's passion might not be just Zane's but everyone's salvation Or their demise      Ford's Christian Repository ,1872      *A Heavenly Interception* Eddie

Georgonikas, 2014-08-07 The Dark One is on the rampage a demonic beast is on the prowl He stalks two boys across two continents unintentionally playing a game of cat and mouse But of utmost significance is his need to move around the Earth incognito And what better way than to rid a human shell of its soul and then step in to take it over The boys will be forced into defending their lives as well as the lives of those innocent souls that are with them The final showdown is behind the closed doors of the famous Gothic Church located in the city of Cologne Germany It is here where Angelic Intention Hellish influence Earthly friendships a psychic medium and an innocent German family all link together for one last time

**Revelation and Material Religion in the Roman East** Nathan Leach, Daniel Charles Smith, Tony Keddie, 2023-11-30 This collection of essays from a diverse group of internationally recognized scholars builds on the work of Steven J Friesen to analyze the material and ideological dimensions of John's Apocalypse and the religious landscape of the Roman East Readers will gain new perspectives on the interpretation of John's Apocalypse the religion of Hellenistic cities in the Roman Empire and the political and economic forces that shaped life in the Eastern Mediterranean The chapters in this volume examine texts and material culture through carefully localized analysis that attends to ideological and socioeconomic contexts expanding upon aspects of Friesen's research and methodology while also forging new directions The book brings together a diverse and international set of experts including emerging voices in the fields of biblical studies Roman social history and classical archeology and each essay presents fresh critically informed analysis of key sites and texts from the periods of Christian origins and Roman imperial rule *Revelation and Material Religion in the Roman East* is of interest to students and scholars working on Christian origins ancient Judaism Roman religion classical archeology and the social history of the Roman Empire as well as material religion in the ancient Mediterranean more broadly It is also suitable for religious practitioners within Christian contexts      **The Postmodern Sacred** Emily McAvan, 2012-10-09 From *The Matrix* and *Harry Potter* to *Stargate SG 1* and *The X Files* recent science fiction and fantasy offerings both reflect and produce a sense of the

religious This work examines this pop culture spirituality or postmodern sacred showing how consumers use the symbols contained in explicitly unreal texts to gain a secondhand experience of transcendence and belief Topics include how media technologies like CGI have blurred the lines between real and unreal the polytheisms of Buffy and Xena the New Age Gnosticism of The DaVinci Code the Islamic Other and science fiction s response to 9 11 and the Christian Right and popular culture Today s pervasive saturated media culture this work shows has utterly collapsed the sacred profane binary so that popular culture is not only powerfully shaped by the discourses of religion but also shapes how the religious appears and is experienced in the contemporary world
