Red Eyes and the Human Horror Story James D. Patalon,2015-05-26 The book had originally been titled THE HUMAN HORROR STORY It was a very over descriptive novel that in many other opinions was just too graphic and gory So although that novel had been decided by me to be put on a shelf for future revising one of its chapters caught my attention So I removed that particular chapter and began building a new story surrounding that specific idea and long and behold within four months I created my second novel RED EYES I worked diligently on making sure that the subject matter although a horror story wouldn t upon being published offend anyone So happy and relieved that the finished novel after several personal revisions was finally what I thought completed How very wrong was I The first project somehow decided to find itself added as an extension to the new novel So once again I had to go in and perform surgery Now both stories had to be merged to be one novel So now I began thinking about a new title Finally I came up with merging both titles into one RED EYES AND THE HUMAN HORROR STORY A SPINE TINGLING ADVENTURE INTO UNKNOWN REALMS Two men each facing an unimaginable inexplicable journey each must face horrors and promises in an alternate reality that is both surreal and yet oddly familiar One man suffering from depression deals with his pain by imagining an easier world until an accident pushes him into another realm where he is reunited with a lost love but also must face zombies and an evil demon He must face the truth of the comforting illusions he created but as his dream world becomes more and more compelling and satisfying what will happen when he has to return to real life The second man enters an alternate reality by committing suicide an act that as he has been warned will have serious consequences He is reunited

with his soulmate but they can't stay in the reality they currently inhabit. An adversary that they thought they had destroyed is back and they must face him again and to their horror they come to learn that they must defeat their demons over and over as they move to new realms the price for taking your own life is to be doomed to move continually from one reality to the next.

Red Eyes and the Human Horror Story is a thrilling endlessly inventive exploration of the ways in which imagination shapes our reality and how reality shapes our dream worlds. **Australian Book Review**, 1993

Adventures of Charlie: A 6th Grade Gamer #3 Connor Grayson, 2024-08-01 Charlie was on a winning streak until he rang a doorbell and was sucked into a tiny mansion where nothing makes sense and the werewolves are in charge. Aligned to Common Core Standards and correlated to state standards. Chapter Books is an imprint of Spotlight a division of ABDO.

The Dragon Hunter and the Mage V. R. Cardoso, 2020-06-02 Magic will make you invincible. If it doesn't kill you first. In a world where magic is punishable by death, brothers Aric and Fadan stumble upon a mysterious ancient book, *A Manual of Magic*. They are faced with a choice: take the book straight to the Emperor or see if one of them has the forbidden magical talent. A decision that will change their lives and the Empire itself forever. The brothers are swept away, sent to opposite ends of the world: one to train as a Dragon Hunter while the other taps into magical powers that could spell his execution. Dark forces are moving in the shadows and while the nobility whispers of rebellion, an ancient evil long thought gone is about to awaken. Can Aric and Fadan save the Empire? Will they survive to ever see each other again?

Good Boy Neil McRobert, 2025-10-09 PART OF THE NORTHERN WEIRD PROJECT After a boy vanishes on the outskirts of a small town, a woman spies a mysterious man digging a grave in the exact spot of the disappearance. However, when she confronts him, the man's true purpose is far more chilling than she could have imagined.

Advance Praise An excellent story reminded me of classic English stories of the supernatural. People like M. R. James and Arthur Machen. Heady company to be in. Stephen King. A profoundly moving and genuinely eerie tale about the cruel, persistent horrors of this world, about roads not taken, about love and grief, about courage and sacrifice, about what we do with the time we are given. An extraordinary, utterly unforgettable debut. A beautiful ode to goodness.

Rachel Harrison, USA Today bestselling author of *So Thirsty* and *Black Sheep*. Somewhere between the cosmic precision of John Langan, the undulating mundanity of Robert Aickman, and the boundless heart of Stephen King sits Neil McRobert's *Good Boy*. This is an expertly executed story.

Nat Cassidy, USA Today bestselling author of *When the Wolf Comes Home* and *Mary Assured*. Heartfelt horror firmly rooted in affection, longing, and loss, and a quiet Northern resignation to things beyond any earthly control. This is a haunting little sting of a book, a sharp nip at the heels.

Gemma Amor, Bram Stoker and British Fantasy Award nominated author of *Itch*. There's good dogs, there's excellent writers, and there's extraordinary novellas. What you're holding in your hands now is all three.

Stephen Graham Jones, author of *The Buffalo Hunter*. A chilling tale that breaks your heart. Neil McRobert speaks to one of the truest forms of love: there is that bond between a boy and his dog, written with the elegiac flood of Dylan Thomas and the homespun verve of a fireside ghost story told at the local pub.
