American politics She's traveled the country and gathered more than enough entertaining evidence to make her case Laura Flanders the New York Times best selling author of *Bushwomen* believes there are no such things as red and blue states Even in the most surprising places she's finding progressive change From Vermont to Salt Lake City to Las Vegas's famous Strip Flanders journeys through the heartland USA and discovers a simple truth people don't vote for the GOP because Republicans represent their interests they vote Republican because Democrats barely field a team Adamant opinionated funny and always engaging Flanders chronicles what she's learned from scores of voters and activists about how change is happening in Main St USA even if it rarely catches the attention of the mainstream media Mormons defending women's rights casino owners teaming up with waitresses to raise the minimum wage blue collar construction workers and lesbian mothers working together to make their workplaces safer and more secure for all Flanders finds young supposedly alienated Americans who are driving scores of new voters to the polls Fiery polemic assured narrative and acute political commentary *Blue Grit* will be crucial reading for everyone interested in the future of the Democrats and this country Whistling Past Dixie Thomas F.
