Adler, Carrie Hamilton, 2011-07-12 In *Homes and Homecomings* an international group of scholars provide inspiring new historical perspectives on the politics of homes and homecomings Using innovative methodological and theoretical approaches the book examines case studies from Africa Asia the Americas and Europe Provides inspiring new historical perspectives on the politics of homes and homecomings Takes an historical approach to a subject area that is surprisingly little historicised Features original research from a group of international scholars The book has an international approach that focuses on Africa Asia the Americas and East and West Europe Contains original illustrations of homes in a variety of historical contexts *Montefiore Homes* Montefiore Homes for the Aged, 1968 *Nechama's Story* Nechama Werdiger, 2023-02-01 For some especially those who've been born in the twenty first century the accounts of my early years may seem like the reports from a planet in a different galaxy If so I cannot altogether blame them There are times when I feel just the same But I hope as they read about my inter planetary travel and as perhaps some of my friends and Nossom's join them for the journey they'll be able to share the adventure For that is what life with Nossom was a marvellous and thrilling adventure I know what a blessing it is to have friends and family Life has been good to me I try to do whatever I can the best way I know how Nechama Werdiger has had a long and fascinating life Growing up under the Soviet Union's harsh antisemitism she endured the war years as a child in Uzbekistan where thousands of Jews sought refuge from the Holocaust She and her family managed to escape to Poland and France before arriving in 1949 in Australia Through hard work a strong sense of family and unswerving faith she and her husband Nossom built a successful new life in Melbourne Generous wise kind and caring Nechama will inspire you with her life story **The Jewish Year Book**, 1913 Parliamentary Papers Great Britain. Parliament. House of Commons, 1890 **Report** Commonwealth Shipping Committee, 1909 **The Inevitable Hour** Emily K. Abel, 2013-05-01 Changes in health care have dramatically altered the experience of dying in America At the turn of the twentieth century medicine's imperative to cure disease increasingly took priority over the demand to relieve pain and suffering at the end of life Filled with heartbreaking stories *The Inevitable Hour* demonstrates that professional attention and resources gradually were diverted from dying patients Emily K Abel challenges three myths about health care and dying in America First that medicine has always sought authority over death and dying second that medicine superseded the role of families and spirituality at the end of life and finally that only with the advent of the high tech hospital did an institutional death become dehumanized Abel shows that hospitals resisted accepting dying patients and often worked hard to move them elsewhere Poor terminally ill patients for example were shipped from Bellevue Hospital in open boats across the East River to Blackwell's Island where they died in hovels mostly without medical care Some terminal patients were not forced to leave yet long before the advent of feeding tubes and respirators dying in a hospital was a

profoundly dehumanizing experience With technological advances passage of the Social Security Act and enactment of Medicare and Medicaid almshouses slowly disappeared and conditions for dying patients improved though as Abel argues the prejudices and approaches of the past are still with us The problems that plagued nineteenth century almshouses can be found in many nursing homes today where residents often receive substandard treatment A frank portrayal of the medical care of dying people past and present The Inevitable Hour helps to explain why a movement to restore dignity to the dying arose in the early 1970s and why its goals have been so difficult to achieve **Adult Day Facilities for Treatment, Health**
