Months And Other Stories:

A Month by the Lake & Other Stories Herbert Ernest Bates, 1987 If we set H E Bates's best tales against the best of Chekhov's Graham Greene declared I do not believe it would be possible with any conviction to argue that the Russian was the finer artist The sampler of H E Bates stories presented here shows the merit of that praise and displays the range and aspects of Bates's work from his first published story The Flame to one of his very last The Song of the Wren In his long and prolific literary career Bates 1905-1974 produced twenty-five novels a three-volume autobiography nine books of essays several plays and children's books as well as his important and perhaps most enduring achievement twenty-three collections of short stories A Month by the Lake Other Stories displays Bates's extraordinary talent for concisely getting at the heart of the matter Whether he is dealing with romance in middle age the title story or the almost painful clarity of a child's world The Cowslip Field or encapsulating the disintegration and tragedy of a man and a house and the era and class they represent The Flag Bates's compassion for humanity remains constant As Anthony Burgess remarks in his introduction Bates achieved such sovereignty of what literary land he inherited that he deserves the homage of our uncomplicated enjoyment Bates's affection for ordinary people is one of his shining virtues But he himself as I knew and as this compilation should make clear was far from ordinary Book jacket

Billy Budd, Sailor, and Other Stories Herman Melville, 2006-08-29 If Melville had never written *Moby Dick* his place in world literature would be assured by his short tales *Billy Budd* *Sailor* his last work is the masterpiece in which he delivers the final summation in his quarrel with God It is a brilliant study of the tragic clash between social authority and individual freedom human justice and abstract good Melville also explores this theme in *Bartelby the Scrivener* his famous story about a Wall Street law clerk who takes passive resistance to a comic and ultimately disastrous extreme and in *Benito Cereno* his dazzling account of oppression and rebellion on a nineteenth century slave ship Completing this collection of great tales are the eerie *The Encantados* the beautiful romantic *The Piazza* and Melville's chilling science fiction parable *The Bell Tower*

Cemetery and Other Stories Gustaw Herling-Grudziński, 2003 Selected by The Los Angeles Times Book Review as one of the Ten Best Fiction Books of 2003 **The Missing Kidney and other stories** Maxine Rosaler, 2025-05-13 Set in the

grungy New York City of the 1970s and 80s these stories convey a sense of the enchantment that lurks on the flip side of every moment as if the meaning of life were hidden within the static being blasted out of the loudspeakers on a subway platform or a scrap of newspaper preserved under ice on a cold winter's day A girl tries to save the boy she loves from his crippling love for his uncle A champion of social justice talks herself into believing that the man she finds sexually repulsive is a perfect fit for her perfectly ordered life A man kneels on the sidewalk before a memorial he constructed for his girlfriend as a crowd of curious onlookers gather around him Rosaler deals out the fates of a vivid array of complex characters with unflagging energy wit and a delight in the details of city life **One Arm and Other Stories** Tennessee Williams, 1967 Here are the eleven remarkable stories of Tennessee Williams's first volume of short fiction originally published in 1948 and reissued as a paperback in response to an increasingly insistent public demand It was this book which established Williams

as a short story writer of the same stature and interest he had shown as a dramatist Each story has qualities that make it memorable In One Arm we live through his last hours and memories with a rough trade ex prizefighter who is awaiting execution for murder The Field of Blue Children explores some of the strange ways of the human heart in love Portrait of a Girl in Glass is a luminous and nostalgic recollection of characters who figure in The Glass Menagerie while Desire and the Black Masseuse is an excursion into the logic of the macabre The Yellow Bird well known through the author's recorded reading of it which tells of a minister's daughter who found a particularly violent but satisfactory way of expiating a load of inherited puritan guilt may well become part of American mythology
