Napoleon the Great Andrew Roberts,2016-05-27 A Napoleonic triumph of a book irresistibly galloping with the
momentum of a cavalry charge Simon Sebag Montefiore Simply dynamite Bernard Cornwell From Andrew Roberts author of
the bestsellers The Storm of War and Churchill Walking with Destiny this is the definitive modern biography of Napoleon
Napoleon Bonaparte lived one of the most extraordinary of all human lives In the space of just twenty years from October
1795 when as a young artillery captain he cleared the streets of Paris of insurrectionists to his final defeat at the horribly
mismanaged battle of Waterloo in June 1815 Napoleon transformed France and Europe After seizing power in a coup d tat he
ended the corruption and incompetence into which the Revolution had descended In a series of dazzling battles he
reinvented the art of warfare in peace he completely remade the laws of France modernised her systems of education and
administration and presided over a flourishing of the beautiful Empire style in the arts The impossibility of defeating his most
persistent enemy Great Britain led him to make draining and ultimately fatal expeditions into Spain and Russia where half a
million Frenchmen died and his Empire began to unravel More than any other modern biographer Andrew Roberts conveys
Napoleon s tremendous energy both physical and intellectual and the attractiveness of his personality even to his enemies He
has walked 53 of Napoleon s 60 battlefields and has absorbed the gigantic new French edition of Napoleon s letters which
allows a complete re evaluation of this exceptional man He overturns many received opinions including the myth of a great
romance with Josephine she took a lover immediately after their marriage and as Roberts shows he had three times as many
mistresses as he acknowledged Of the climactic Battle of Leipzig in 1813 as the fighting closed around them a French
sergeant major wrote No one who has not experienced it can have any idea of the enthusiasm that burst forth among the half

starved exhausted soldiers when the Emperor was there in person If all were demoralised and he appeared his presence was like an electric shock All shouted Vive l Empereur and everyone charged blindly into the fire The reader of this biography will understand why this was so *Life of Napoleon Bonaparte, Emperor of France* John Gibson Lockhart,1857 Napoleon Bonaparte John S.C. Abbott,2018-08-19 Wherever Napoleon made his appearance in the field his presence alone was considered equivalent to that force The following proclamation rang like a trumpet charge over the hills and valleys of France Frenchmen You have been anxious for peace Your government has desired it with still greater ardor Its first efforts its most constant wishes have been for its attainment The English ministry has exposed the secret of its iniquitous policy It wishes to dismember France to destroy its commerce and either to erase it from the map of Europe or to degrade it to a secondary power England is willing to embroil all the nations of the Continent in hostility with each other that she may enrich herself with their spoils and gain possession of the trade of the world *History of Napoleon Bonaparte* W.
