BIBLICAL HEBREW NARRATIVE

Narrative In The Hebrew Bible

**Joshua Berman, Universitat Bar-Ilan.
Mahlaqa Ietanakh**

Narrative In The Hebrew Bible:

Narrative in the Hebrew Bible David Miller Gunn, Danna Nolan Fewell, 2023 A guide to new ways of reading biblical Old Testament stories Gunn and Fewell balance discussion of theory with practical illustration Topics include plot character word play and the ideological dimensions of interpretation The stories include Adam and Eve and Jonah **Reading**

Biblical Narratives Yaira Amit, 2001 Based on a series of lectures given in Israel Amit introduces the reader to the subtle ways of the biblical narrators Covering issues of character plot development catchword association narration and dialog she brings the biblical text to life helping the reader enter the stories from new vantage points **Narrative Obtrusion in the**

Hebrew Bible Christopher T. Paris, 2014 Narrators of the Hebrew Bible generally allow their stories to proceed while relying on characters and dialogue to provide necessary information Paris calls attention to when the story teller breaks frame to provide information or direct reader understanding preventing undesirable construals or interpretations of the story After surveying the phenomenon in the Hebrew Bible and other ancient Near Eastern literature Paris focuses on the Deuteronomistic History Paris argues that attention to narrative obtrusion offers an entry point into the world of the narrator and redefines aspects of narrative criticism Narrative Analogy in the Hebrew Bible Joshua Berman, 2004-07-01 This

volume sheds fresh light upon the phenomenon of narrative doubling in the Hebrew Bible Through an innovative interdisciplinary model the author defines the notion of narrative analogy in relation to other literatures where it has been studied such as English Renaissance drama and makes extensive critical use of contemporary literary theory particularly that of the Russian formalist Vladimir Propp His exploitation of narrative doubling with a focus upon the metaphorical reorients our reading by uncovering a major dynamic in biblical literature The author examines several battle reports and demonstrates how each could be interpreted as an oblique commentary and metaphor for the non battle account that immediately precedes it Battle scenes are revealed to stand in metaphoric analogy with among others accounts of a trial a rape a drinking feast and a court deliberation Joshua Berman offers new insights to the ever growing concern with the relationship between historiography and literary strategies and succeeds in articulating a new aspect of biblical ideology concerning human and divine relationship Style And Structure In Biblical Hebrew Narrative Jerome T. Walsh, 2017-08-24

The pages of the Hebrew Bible are filled with stories short and long funny and sad histories fables and morality tales The ancient narrators used a variety of stylistic devices to structure to connect and to separate their tales and thus to establish contexts within which meaning comes to light What are these devices and how do they guide our reading and our understanding of the text Style and Structure in Biblical Hebrew Narrative explores some of the answers and shows scriptural interpretation can be a matter of style Part one of Style and Structure in Biblical Hebrew Narrative examines a wide variety of symmetrical patterns biblical Hebrew narrative uses to organize its units and subunits and the interpretive dynamics those patterns can imply Part two addresses the question of boundaries between literary units Part three examines

devices that biblical Hebrew narrative uses to connect consecutive literary units and subunits Chapters in Part One Structures of Organization are Reverse Symmetry Forward Symmetry Alternating Repetition Partial Symmetry Multiple Symmetry Asymmetry Chapters in Part Two Structures of Disjunction are Narrative Components Repetition and Narrative Sequence Chapters in Part Three Structures of Conjunction are Threads Links Examples Linked Threads Examples Hinges Examples and Double Duty Hinges Examples Jerome T Walsh PhD is a professor of theology and religious studies at the University of Botswana He is the author of 1 Kings in the Berit Olam The Everlasting Covenant Studies in Hebrew Narrative and Poetry series for which he is also an associate editor **Stories in Scripture and Incriptions** Simon B. Parker,1997

The recovery of numerous narratives of many types from throughout the Near East has encouraged scholars to compare these texts with those found in scripture Most such comparisons have set biblical stories up against various Near Eastern mythic epic poems **Reading Hebrew Bible Narratives** J. Andrew Dearman,2018-10-01 Reading Hebrew Bible Narratives introduces readers to narrative traditions of the Old Testament and to methods of interpreting them Part of the Essentials of Biblical Studies series this volume presents readers with an overview of exegesis by mainly focusing on a self contained narrative to be read alongside the text Through sustained interaction with the book of Ruth readers have opportunities to engage a biblical book from multiple perspectives while taking note of the wider implications of such perspectives for other biblical narratives Other select texts from Hebrew Bible narratives related by theme or content to matters in Ruth are also examined not only to assist in illustrating this method of approach but also to offer reinforcement of reading skills and connections among different narrative traditions Considering literary analysis words and texts in context and reception history this brief introduction gives students an overview of how exegesis illuminates stories in the Bible

The Sense of Biblical Narrative David Jobling,1986 **Preaching Old Testament** John C. Holbert,1991 **The Solomon Narratives in the Context of the Hebrew Bible** Sean E. Cook,2017-06-29 This book is concerned with ascertaining the value of having two versions of the same monarchic history of Israel within the Hebrew Bible focusing on the books of Kings and Chronicles It is furthermore concerned with how the book of Chronicles is read in relation to the book of Kings as Chronicles is so often considered to be a later rewritten text drawing upon an earlier version of the Masoretic Text of Samuel and Kings The predominant scholarly approach to reading the book of Chronicles is to read it in light of how the Chronicler emended his source texts additions omissions harmonizations This approach has yielded great success in our understanding of the Chronicler s theology and rhetoric However Cook asserts it has also failed to consider how the book of Chronicles can be read as an autonomous and coherent document That is a diachronic approach to reading Chronicles sometimes misses the theological and rhetorical features of the text in its final form This book shows the great benefit of reading these narratives as autonomous and coherent by using the Solomon narratives as a case study These narratives are first read individually and then together so as to ascertain their uniqueness vis vis one another Finally Cook addresses

questions related to the concordance of these narratives as well as their purposes within their respective larger literary contexts **Narrative Analogy in the Hebrew Bible** Joshua Berman, Universitat Bar-Ilan. Mahlaqa letanakh, 2002

Wom(b)an: A Cultural-Narrative Reading of the Hebrew Bible Barrenness Narratives Janice P.

De-Whyte, 2018-06-12 In *Wom b an A Cultural Narrative Reading of the Hebrew Bible Barrenness Narratives* Janice Pearl Ewurama De Whyte offers a reading of the Hebrew Bible barrenness narratives The original word wom b an visually underscores the centrality of a productive womb to female identity in the ANE and Hebrew contexts Conversely barrenness was the ultimate tragedy and shame of a woman Utilizing Akan cultural custom as a lens through which to read the Hebrew barrenness tradition De Whyte uncovers another kind of barrenness within these narratives Her term social barrenness depicts the various situations of childlessness that are generally unrecognized in western cultures due to the western biomedical definitions of infertility Whether biological or social barrenness was perceived to be the greatest threat to a woman s identity and security as well as the continuity of the lineage Wom b an examines these narratives in light of the cultural meanings of barrenness within traditional cultures ancient and present **A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within** Vanessa Lovelace, 2024-05-29 The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for their views A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within analyzes select biblical narratives including Noah s curse in Genesis 9 Sarah and Hagar in Genesis 16 and 21 Mother in Israel in Judges 5 and Jezebel Phoenician Princess and Queen of Israel in 1 and 2 Kings This analysis demonstrates how these narratives were first used by ancient biblical writers to include some and exclude others as members of the nation of Israel and then appropriated by White supremacists in the antebellum era and the early twentieth century to do the same in America The book analyzes the simultaneously intersecting and interconnecting dynamics among race gender class and sexuality and biblical narratives to construct boundaries between us versus them particularly the politicization of motherhood to deny certain groups inclusion **Old Testament Narrative** Jerome T. Walsh, 2010-02-01 The Old Testament s stories are intriguing mesmerizing and provocative not only due to their ancient literary craft but also because of their ongoing relevance In this volume well suited to college and seminary use Jerome Walsh explains how to interpret these narrative passages of Scripture based on standard literary elements such as plot characterization setting pace point of view and patterns of repetition What makes this book an exceptional resource is an appendix that offers practical examples of narrative interpretation something no other book on Old Testament interpretation

offers Reading Biblical Narrative Jan P. Fokkelman, 2019-05-21 This is an enormously instructive and practical hands on introduction for students of the Bible as literature by one of the world's leading exponents of Hebrew narrative technique Issues covered include introduction to the art of reading the narrator and his characters narrative structure narrative devices

Psalm and Story James W. Watts, 1992-09-01 This book addresses the literary historical and methodological issues which have been raised by the appearance of psalms in narrative contexts of the Hebrew Bible The narrative role of each psalm is explored to determine the reasons for its present position The study of each psalm's narrative role leads to a re-evaluation of the evidence for its secondary status in the prose context The results of each separate analysis are compared to see what larger literary historical and methodological patterns emerge **The Hebrew Bible** Christopher D.

Stanley, 2009-09-01 In this work Christopher D Stanley provides a Hebrew Bible textbook which approaches the Bible through the categories of comparative religion It carefully distinguishes the religion of ancient Israel from the religion represented in the Bible **Configurations of Rape in the Hebrew Bible** Frank M. Yamada, 2008 In Configurations of

Rape in the Hebrew Bible Frank M Yamada explores the compelling similarity among three rape narratives found in the Hebrew Scriptures These three stories the rape of Dinah Genesis 34 the rape of an unnamed concubine Judges 19 and the rape of Tamar daughter of David 2 Samuel 13 move through the same plot progression an initial sexual violation of a woman leads to escalating violence among men resulting in some form of social fragmentation In this intriguing study Yamada draws from the disciplines of literary and narrative criticism feminist biblical interpretation and cultural anthropology to argue for a family resemblance among these three stories about rape *Reading Hebrew Bible Narratives* John Andrew Dearman, 2018

This study introduces readers to the narrative traditions of the Old Testament and to methods of interpreting them Aspects of narrative analysis such as plot and characterization and historical analysis are presented and employed throughout the book Each chapter takes up one or more texts and one or more methods of approach The Fantastic in Religious Narrative from Exodus to Elisha Laura Feldt, 2014-10-14

The Fantastic in Religious Narrative from Exodus to Elisha argues that perspectives drawn from literary critical theories of the fantastic and fantasy are apt to explore Hebrew Bible religious narratives The book focuses on the narratives marvels monsters and magic rather than whether or not the stories depict historical events The Exodus narrative Ex 1 18 and a selection of additional Hebrew Bible narratives Num 11 14 Judg 6 8 1 Kings 17 19 2 Kings 4 7 are analysed from a fantasy theoretical perspective The fantasy perspective helps to make sense of elements of these narratives that although prominently featured in the stories have previously often been explained by being explained away These case studies can illuminate Hebrew Bible religion and offer wider perspectives on religious narrative generally In light of the fantasy theoretical approach these Hebrew Bible stories with the Exodus narrative at the centre read not as foundational stories affirming triumphantly and unambiguously the bond between the deity his people and their territory but rather as texts that harbour and even actively encourage ambiguity and uncertainty not necessarily prompting belief

orientation and a sense of meaningfulness but also open ended reflection and doubt The case studies suggest that other religious narratives both in and beyond the Judaic tradition may also be amenable to interpretation in these terms thus questioning a dominant trend in myth studies The results of the analyses lead to a discussion of the role of ambiguity uncertainty and transformation in religious narrative in broader perspective and to a questioning of the emphasis in the study of religion on the capacity of religious narrative for founding and maintaining institutions orienting identity and defending order over disorder The book suggests the wider importance of incorporating destabilisation disorientation and ambiguity more strongly into theories of what religious narrative is and does

This is likewise one of the factors by obtaining the soft documents of this **Narrative In The Hebrew Bible** by online. You might not require more time to spend to go to the book initiation as skillfully as search for them. In some cases, you likewise realize not discover the notice Narrative In The Hebrew Bible that you are looking for. It will certainly squander the time.

However below, behind you visit this web page, it will be fittingly definitely easy to get as capably as download lead Narrative In The Hebrew Bible

It will not acknowledge many epoch as we accustom before. You can realize it though produce a result something else at home and even in your workplace. suitably easy! So, are you question? Just exercise just what we allow below as well as review **Narrative In The Hebrew Bible** what you bearing in mind to read!
