Original Sanskrit Texts on the Origin and History of the People of India, Their Religion and Institutions Collected, Translated and Illustrated by J. Muir ,1873 *The Origin of Floral Structures Through Insect and Other Agencies* George Henslow,1893 *Original Sanskrit texts on the origin and progress of the religion and institutions of India; collected, tr. and illustr. by notes, by J. Muir. [With] Index to ... parts first and second, by G.B. ,1873* **The Messenger of the Lord in Early Jewish Interpretations of Genesis** Camilla Hélena von Heijne,2010-09-29 The focus of this book is on early Jewish interpretations of the ambiguous relationship between God and the angel of the Lord God in texts like Genesis 16 22 and 31 Genesis 32 is included since it exhibits the same ambiguity and constitutes an inseparable part of the Jacob saga The study is set in the wider context of the development of angelology and concepts of God in various forms of early Judaism When identifying patterns of interpretation in Jewish texts their chronological setting is less important than the nature of the biblical source texts For example a common pattern is the avoidance of anthropomorphism In Genesis the angel of the Lord generally seems to be a kind of impersonal extension of God while later Jewish writings are characterized by a more individualized angelology but the ambivalence between God and his angel remains in many interpretations In Philo's works and Wisdom of Solomon the Logos and Lady Wisdom respectively have assumed the role of the biblical angel of the Lord Although the angelology of Second Temple Judaism had developed in the direction of seeing angels as distinct personalities Judaism still had room for the idea of divine hypostases **Turning Points** Ansgar Nünning,Kai Marcel Sicks,2012-10-30 At times of crisis and revolution such as ours diagnoses of crucial junctures and ruptures turning points in the continuous flow of history are more prevalent than ever Analysing literary cinematic and other narratives the volume seeks to understand the meanings conveyed by different concepts of turning points the alternative concepts to which they are opposed when used to explain historical change and those contexts in which they are unmasked as false and oversimplifying constructions Literature and film in particular stress the importance of turning points as a sensemaking device as part of a character's or a community's cultural memory while at the same time unfolding the constructive and hence relative character of turning points Offering complex reflections on the notion of turning points literary and filmic narratives are thus of particular interest to the present volume **Countries of Origin** Javier Fuentes,2023-06-06 WINNER OF THE PEN HEMINGWAY AWARD FOR DEBUT NOVEL This stunning debut chronicles a tumultuous passionate love affair between two young men from vastly different worlds during one extraordinary summer in Spain in what is ultimately a meditation on identity class belonging and desire Full of so many pleasures literary culinary amorous Fuentes has created something beautiful honest heartbreaking and hopeful Andrew Sean Greer Pulitzer Prize winning author of *Less Is Lost* It is 2007 and twenty four year old Demetrio is a celebrated pastry chef in New York at the French restaurant *Le Bourrelet* This will be his seventh year as the pâtissier and the chef owner stern but paternal feels he should move on When Demetrio is offered a

position as head of pastries at the Four Seasons restaurant in New York he wants nothing more than to accept it But as an undocumented immigrant he is terrified that he will be found out so Demetrio makes the difficult decision to return permanently to his homeland which he has not seen since he was a small child It will mean leaving the only family he knows his beloved uncle Chus who has brought him up On his flight to Madrid Demetrio sits next to the handsome playful and sensitive Jacobo a student at NYU going home to his aristocratic fascist family and there is an instant unacknowledged electricity between them In dimly lit bars in Madrid and on pebbled beaches by the sea far outside the city Demetrio and Jacobo s subtle but intense relationship unfolds Demetrio is tortured by a fear of true intimacy and by anxiety about their class difference Both are struggling with their identities and sexuality and they avoid their true feelings until a family tragedy sets them on a collision course back into one another s lives Countries of Origin is powerfully sensual and moving Javier Fuentes takes you on a journey that will immerse you in the intense and heartbreaking emotions and conflicts of love and loss
