**Corruption in the Afghan Police Force** Danny Singh,2020-08-05 Based on unprecedented empirical research conducted with lower levels of the Afghan police this unique study assesses how institutional legacy and external intervention from countries including the UK and the US have shaped the structural conditions of corruption in the police force and the state Taking a social constructivist approach the book combines an in depth analysis of internal political cultural and economic drivers with references to several regime changes affecting policing and security from the Soviet occupation and Mujahidin militias to Taliban religious police Crossing disciplinary boundaries Singh offers an invaluable contribution to the literature and to anti corruption policy in developing and conflict affected societies     **Bent Uncensored** Susanna Lobez,2016-10-31

The sensational murder convictions this winter of former NSW detectives Roger Rogerson and Glen McNamara for the killing of drug dealer Jamie Gao has meant that previously suppressed material in Bent can at last be read James Morton and Susanna Lobez have illustrated in several Gangland books that Australia almost certainly has out ganged other countries Now their spotlight is turned on corruption within the police services and identifying which state wins the bent cop handicap Morton and Lobez examine the problems that started with the First Fleet and spread through to the present day looking at the trouble caused by greed power drink sex money and most recently drugs They compare the experience in Australia with corruption in America England and Hong Kong concentrating in particular on organised corruption at the highest levels including judges lawyers and politicians through to the petty criminals who work our streets Which state has the shadiest cops The answer will surprise you     *Policing: Toward an Unknown Future* John Crank,Colleen Kadleck,2013-12-16 The enclosed papers are the culmination of a project Dr John Crank and Dr Colleen Kadleck carried out assessing issues facing

the police into the early 21st century The papers are future oriented in the sense that they anticipate trends visible today Everywhere the contributing scholars found that the organizational concept practice and function of the police were undergoing transition Yet the seeming state level hardening of the police function was ubiquitous Two themes were noteworthy On the one hand in developing or second world countries police face endemic problems of corruption organized crime and drugs Police in response are undergoing centralization and intensification of law enforcement activities In countries with first world economies Canada the United States and Australia contributors discovered trends toward expansion of the police function a trend described by Brodeur as toward high policing It reflects the growing reliance on surveillance for crime control and for the tracking of minority indigenous and immigrant populations in crime prevention efforts The results suggest that governments sometimes encouraged by their citizenry seem increasingly to rely on the police to deal with a broad array of social as well as criminal problems This book was originally published as a special issue of Police Practice and Research

**Violence, Conflict, and World Order** Gregg Barak, 2007 Violence Conflict and World Order Critical Conversations on State Sanctioned Justice examines the interpersonal institutional and structural relations of injustice and violence both domestically and globally through a series of dynamic conversations that are rich with p Cox's Fragmenta II Simon Murphy, 2011-11-30 A presumptuous bear imposing on a coachful of ladies how to behave in the British Museum the dangers of dallying with a black eyed girl and the Royal Navy's inaugural biscuit machine are just some of the masterpieces of understated journalism collected by Francis Cox and contained in his Fragmenta At ninety four volumes Cox's scrapbook has to be one of the largest collections of journalistic ephemera ever For sixty years during the late eighteenth and early nineteenth centuries he accumulated articles on everything from duels to playhouses and foreign travel to warfare Following on from the success of the first volume Simon Murphy has selected more bizarre stories to create another delightful historical miscellany which will intrigue and amuse
