Brandl,2017-01-25 Police in America provides students with a

comprehensive and realistic introduction to modern policing in our society Utilizing real word examples grounded in evidence based research this easy to read conversational text helps students think critically about the many misconceptions of police work and understand best practices in everyday policing Respected scholar and author Steven G Brandl draws from his experience in law enforcement to emphasize the positive aspects of policing without sugar coating the controversies of police work Brandl tackles important topics that center on one question What is good policing This includes discussions of discretion police use of force and tough ethical and moral dilemmas giving students a deeper look into the complex issues of policing to help them think more broadly about its impact on society Students will walk away from this text with a well developed understanding of the complex role of police in our society an appreciation of the challenges of policing and an ability to differentiate fact from fiction relating to law enforcement Policing America: An Introduction , Policing in America Robert H. Langworthy, Lawrence F. Travis,1994 Written in a clear and conversational manner this comprehensive survey on policing in America seeks to define police as a product of correlated social historical political legal individual and

organizational forces Encouraging readers to integrate available research and theory it provides a detailed description on policing with analyses of current police and practice problems covers the complexity of policing in America and offers a comprehensive survey of the different police and law enforcement agencies working in the country today Gives readers big picture coverage of major issues including analyses of the history of policing the police industry in the U S federal state special purpose private and local policing agencies the basic functions of police in American society and the development of community policing an assessment of police misconduct and control and the likely future of policing in America Thoroughly updates data and research literature citations places a greater emphasis on the topic of police discretion and groups major correlates of policing into one section offering insightful perspectives on police and the community police organization goals and structures police management and the characteristics of police officers Policing America Ken J. Peak,2012-03-14 This is the eBook of the printed book and may not include any media website access codes or print supplements that may come packaged with the bound book Policing America 7e offers a problem solving approach that emphasizes what is actually working in the field Based on the author s over thirty years of practical policing and academic experience the book covers policing topics and tactics including history patrol police subculture investigation organization and administration community policing the rule of law accountability civil liability and technologies Organized so as to flow smoothly for the instructor and student this edition now features a new chapter on personnel issues a major revision of the futures chapter and new Learn by Doing scenarios and Career Profiles that provide a penetrating view of one of the most difficult and challenging occupations in America policing **Thin Blue Fault Line - Policing America** John C. Franklin,John F. Hein,2021-02-22 Authors Franklin and Hein have witnessed firsthand difficulties experienced in some black communities They use their knowledge to analyze and discuss the interactions between American policing a subculture of the black community and the BLM movement The authors wrote this book not because of attacks on police officers but because of overzealous actions by officers to shoot black men It describes how blue on black shootings along with police tactics sometimes cause intense citizen responses through public statements outbursts and demonstrations It begins with an examination of the differences between the black and white communities how the same incident can be viewed from two different perspectives and how a discussion can be perceived unbiased by one but biased and unjust by another Because of civil rights efforts American policing is going through a transformation A change in policing tactics must be met with a re evaluation of some cultural norms by the black community They also discuss the lack of support by blacks shown to other blacks when there is an impression of being not black enough The authors believe in political correctness but also believe that political correctness is harming the black community because well recognized negative issues in some communities are not being addressed to avoid criticism of black culture In the final chapter the authors discuss the failure of black leadership to make any earnest effort to rescue a wanting black subculture from itself Finally the authors believe that American policing understands its 21st century obligations and is

taking steps to meet them *Policing America's Educational Systems* John Harrison Watts,2019-06-11 Policing America s Educational Systems edited by John Harrison Watts describes methods of policing modern educational settings covering both K 12 public school and public or private colleges and universities Using topical examples subject matter experts introduce the history of policing in elementary and high schools the legal context governing educational institutions and ways to assess risk and prevent or respond to crime including active shooter incidents The opening section covers primary and secondary education while the second focuses on postsecondary educational settings A final section offers a theoretical approach to understanding campus crime and discusses the role of counseling and mental health in keeping students safe A concluding chapter looks at the future of policing in education Contributors bring both academic and practitioner experience to each topic covered and useful features include learning objectives chapter summaries key terms and discussion questions that further explore the issues and controversies covered in that section This textbook is designed for courses in school or campus policing within criminal justice social work and sociology programs and is also appropriate for in service training for professionals involved in school or campus policing and safety **The History of Policing America** Laurence Armand French,2018-04-05 America s first known system of law enforcement was established more than 350 years ago Today law enforcement faces issues such as racial discrimination use of force and Body Worn Camera BWC scrutiny But the birth and development of the American police can be traced to a multitude of historical legal and political economic conditions In The History of Policing America From Militias and Military to the Law Enforcement of Today Laurence Armand French traces how and why law enforcement agencies evolved and became permanent agencies looking logically through history and offering potential steps forward that could make a difference without triggering unconstructive backlash From the establishment of the New World to the establishment of the Colonial Militia from emergence of the Jim Crow Era to the emergence of the National Guard from the creation of the U S Marshalls federal law enforcement agencies and state police agencies this book traces the historical geo political basis of policing in America and even looks at how certain events led to a call for a better trained and subsequently armed police and the de facto militarization of law enforcement The current controversy regarding policing in America has a long historical background and one that seems to repeat itself The History of Policing America successfully portrays the long lived motto you can t know who you are until you know where you ve come from Policing in America Duchess Harris,A. W. Buckey,2020-12-15 This title explores the roles police officers have in US society and the history of policing including arguments for and against police reform It also highlights today s discussions around defunding the police Features include a glossary references websites source notes and an index Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO

Introduction to Policing Steven M. Cox,David Massey,Connie M. Koski,Brian D. Fitch,2018-11-29 Written and extensively updated by an author team that includes former and current law enforcement officers Introduction to Policing focuses on the

thought provoking contemporary issues that underscore the challenging and rewarding world of policing The authors skillfully balance research and practice to offer readers an overview of both the foundations of policing and the expanded role of today s police officers Evolving with the modern realities of the field the Fourth Edition discusses major new and ongoing impactful events such as the political shift marked by the U S presidential election of 2016 and expanded coverage of women and minorities in policing The accessible and engaging writing style coupled with unique coverage of the issues of policing in multicultural communities the impact of technology on policing and policing strategies and procedures make this bestselling book a must have Rethinking and Reforming American Policing Joseph A. Schafer, Richard W.

Myers, 2022-01-01 Policing in the US and many western nations is in an era of crisis facing extensive calls for reformation and change This edited book outlines the major challenges and changes needed to achieve a more stable future for the policing profession and police organizations The chapters come from innovative police leaders and officers as well as academics with subject matter expertise to provide insight into how reform can be done with the police It focusses on how leaders should understand and approach their role during times of instability and uncertainty It starts with an examination of how policing reached this state of crisis and discusses some interviews conducted with police leaders particularly chiefs as agents of change and reform This is followed by chapters from several veteran police leaders and personnel describing some of the factors that brought policing to this critical time of change and reform how has policing evolved in the late 20th and early 21st centuries and how that impacts the current environment and some potential strategies to create meaningful change while considering unintended consequences The following chapters from academics seek to define paths that policing can take toward needed changes that will increase legitimacy trust and equality of policing services It speaks to students academics and professionals interested in police organization and administration police leadership and contemporary issues in policing and criminal justice **To Protect and Serve** Norm Stamper, 2016-06-07 Stamper offers new insights into the conditions that have created the problems in American policing reminding us that police in a democratic society belong to the people and not the other way around and delivering a revolutionary new model for American law enforcement the community based police department
