Police The Ghetto:

Judenrat Isaiah Trunk,1996-01-01 During World War II more than five million Jews lived under Nazi rule in Eastern Europe In occupied Poland the Baltic countries Byelorussia and Ukraine they were stripped of property and resettled in ghettos The German authorities established in each ghetto a Jewish Council or Judenrat to maintain minimal living standards The Judenrat was required to carry out Nazi directives against other Jews to supply forced labor and eventually to cooperate in the Final Solution Did the Jewish leaders of the ghettos who were also victims assist their murderers If cooperation with the Nazi oppressors was morally defensible during the first stage in organizing the ghettos what about later when deportations to death camps began Trunk analyzes situations where the Councils and ghetto police were forced to send their own communities to death Some Council members chose suicide rather than supply lists to the Nazis others used delaying tactics Some handed over the lists Some joined their families in the gas chamber In assessing guilt and innocence Trunk never allows the reader to forget that the impossible choices facing the Jewish leaders were created by the Nazis The Police and the Ghetto John Cooper,2000-12 The Black Ghettos are no descendents They are political statements forced upon the minorities by the majority The ghettos are to house throwaway people and keep them out of the mainstream In this the guard the police are not there to catch wrong doers but rather they are there in the ghetto to help maintain the status quo and social order Warsaw Ghetto Police Katarzyna Person,2021-04-15 In Warsaw Ghetto Police Katarzyna Person shines a spotlight on the lawyers engineers young yeshiva graduates and sons of connected businessmen who in the autumn of 1940 joined the newly formed Jewish Order Service Person tracks the everyday life of policemen as their involvement with the horrors of ghetto life gradually increased Facing and engaging with brutality corruption and the degradation and humiliation of their own people these policemen found it virtually impossible to exercise individual agency While some saw the Jewish police as fellow victims others viewed them as a more dangerous threat than the German occupation authorities both were held responsible for the destruction of a historically important and thriving community Person emphasizes the complexity of the situation the policemen s place in the network of social life in the ghetto and the difficulty behind the choices that they made By placing the actions of the Jewish Order Service in historical context she explores both the decisions that its members were forced to make and the consequences of those actions Featuring testimonies of members of the Jewish Order Service and of others who could see them as they themselves could not Warsaw Ghetto Police brings these impossible situations to life It also demonstrates how a community chooses to remember those whose allegiances did not seem clear Published in Association with the US Holocaust Memorial Museum **Civil Rights Digest** ,1968 **The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933 -1945: Volume II** Geoffrey P. Megargee,Martin Dean,2012-05-04 Stands without doubt as the definitive reference guide on this topic in the world today Holocaust and Genocide Studies This volume of the extraordinary encyclopedia from the United States Holocaust Memorial

No other work provides the same level of detail and supporting material. Choice. **The Clandestine History of the Kovno Jewish Ghetto Police** Samuel

Schalkowsky, 2014-04-14. Remarkable provides a graphic and unparalleled description of the conditions under which the Jews of Kaunas tried to live and survive. The Forward. As a force that had to serve two masters, both the Jewish population of the Kovno ghetto in Lithuania and its German occupiers, the Kovno Jewish ghetto police walked a fine line between helping Jews survive and meeting Nazi orders. In 1942 and 1943, some of its members secretly composed this history and buried it in tin boxes. This book details the creation and organization of the ghetto, the violent German attacks on the population in the summer of 1941, the periodic selections of Jews to be deported and killed, the labor required of the surviving Jewish population, and the efforts of the police to provide a semblance of stability. A substantial introduction by distinguished historian Samuel D. Kassow places this powerful work within the context of the history of the Kovno Jewish community and its experience and fate at the hands of the Nazis. No book I've read in recent time about the Holocaust has so moved me, evoking the utter helplessness of the Jew, the plight of the Jewish police, and the cunning cruelty of the German. This is a gripping story, page by page, and it reminds us again that there but for the grace of God go we all. Marvin Kalb, Senior Advisor to the Pulitzer Center and Edward R. Murrow Professor Emeritus, Harvard Kennedy School. A landmark of Holocaust historiography. Slavic Review. *State and Local Politics* David Berman, 2015-02-18.
