Policework The Need For A Noble Character:

Policework Rickey D. Lashley,1995-03-24 A strong challenge against the present American system of law enforcement this book contends that politics have prevented police from achieving their sworn mission Although his analysis is based on established theory the author uses his own research and experience as evidence of the failure of the criminal justice system Police departments are revealed as examples of a bureaucracy that has lost sight of its purpose and only seeks to survive This work will be of interest to those seeking a different and controversial view of criminal justice police science public administration urban studies and political science programs *Criminal Justice Review* ,1998 Police Brutality Tamara L. Roleff,1999 Policing today is more professional than it has ever been in U S history Yet we are reminded by well publicized beatings that brutality continues The question is why To understand how and why brutality occurs and how it might be prevented the author covers the following issues Chapters include Is Police Brutality a Serious Problem What Factors Contribute to Police Brutality How Does Police Brutality Affect Society How Can Police Brutality Be Reduced **Nigerian Politics and Corruption** Kyrian Chukwuemeka Echekwu,2017-06-02 Corruption is alive and well in Nigeria and it must be eliminated Moreover the Nigerian church can no longer watch it go unchecked Though conscious of his limitations as a priest and theologian the author takes an in depth look at how corruption has taken hold of Nigeria and its people in this scholarly work He challenges the church as a socio moral actor and the civil authorities that govern Nigeria arguing that the nation will collapse if corruption continues He notes that even though the Nigerian people have lashed out against corruption it has only gotten worse either because morality has been relegated to the background or not enough has been done to inculcate morality into Nigeria s politics The author employs a holistic approach in examining issues such as bishops and their vision of Nigeria vis vis Nigerian politics democracy and the power equation among the various arms of government principal biases that characterize Nigerian politics and class affiliation and its impact in Nigerian politics Find out how corruption is ruining Nigeria and discover how the church and government can work together to fix the problem in Nigerian Politics and Corruption Proceedings of the Meeting ,1925 **The British National Bibliography** Arthur James Wells,1995 *Forthcoming Books* Rose Army,1995-02 Criminology, Penology and Police Science Abstracts ,1996 *PAIS International in Print* Gwen Sloan,1996-03 Introduction to Police Work Colin Rogers,Rhobert Lewis,2013-09-05 Policing is in a profound period of change the result of recent government reform a renewed drive for professionalism as well as the need to adapt to a highly rapidly changing society This text provides an introduction to the work of the police exploring what this currently involves and the directions it may be going in *The Police Chief* ,2002 **Sociological Abstracts** Leo P.
