

PEACE IN FOREIGN POLICY

Peace nations in times of crisis

Merel Selleslach & Maarten Van Alstein

EXECUTIVE SUMMARY

This analysis looks at how different states (Norway, Sweden, and Switzerland) and sub-state regions (Catalonia, Emilia-Romagna, Flanders, Hessen, North Rhine-Westphalia, and Wales) in Europe developed a peace orientation in their foreign policy. It also examines how the war in Ukraine has impacted these approaches.

Confronted with shifting foreign policy priorities, the analysis explores novel pathways for shaping peace policy in Europe. Initially, it delineates how a robust historical national identity can serve as both inspiration and a foundation for a credible peace policy. Additionally, by exploring peace through various lenses and augmenting it with descriptive adjectives, it provides guidance to make peace tangible for policy practice. Drawing upon diverse adjectives such as agonistic, environmental, local, feminist, and multilateral peace, the analysis identifies a broad spectrum of policy domains and levels that can contribute to peace. This fosters a collective responsibility across all policy fields, transcending beyond foreign, security, and defence policies.

Furthermore, the analysis elaborates on how peace isn't merely a value to be projected but a relationship to be actively practiced. Engaging in the promotion of peace within foreign policy inevitably generates tensions. To mitigate the risk of subsequent erosion of legitimacy and trust, the analysis argues, governments should maintain transparency regarding the dilemmas and tensions inherent in their policies.

Policy For Peace A

Policy For Peace A:

Peace and Rural Development in Colombia Andrés García Trujillo, 2020-09-24 In *Peace and Rural Development in Colombia* Andrés García Trujillo investigates whether peace agreements geared toward terminating internal armed conflicts trigger rural distributive changes Combining academic rigor with an insider's perspective García Trujillo shows that the peace agreement in Colombia opened an exceptional window for addressing rural inequality Yet despite some progress he argues that the agreement's leverage to stir change was severely constrained by opposing actors within and outside the government García Trujillo later applies the framework developed for the Colombian case to explain key dynamics of other post conflict societies that have dealt with agrarian issues under a transitional context like El Salvador or South Africa The original theoretical framework and empirically rich analysis make *Peace and Rural Development in Colombia* an indispensable read for scholars and practitioners who wish to gain an understanding on the political economy of peacemaking policy change and rural development in Colombia and beyond PEACE STUDIES, PUBLIC POLICY AND GLOBAL SECURITY - Volume VII Ursula Oswald Spring, Ada Aharoni, Ralph V. Summy, Robert Charles Elliot, 2010-07-24 *Peace Studies Public Policy and Global Security* is a component of *Encyclopedia of Social Sciences and Humanities* in the global *Encyclopedia of Life Support Systems EOLSS* which is an integrated compendium of twenty one Encyclopedias The Theme on *Peace Studies Public Policy and Global Security* provides the essential aspects and a myriad of issues of great relevance to our world such as *Processes of Peace and Security International Security Peace Development and Environment Security Threats Challenges Vulnerability and Risks Sustainable Food and Water Security World Economic Order* This 11 volume set contains several chapters each of size 5000 30000 words with perspectives issues on *Peace studies Public Policy and Global security* These volumes are aimed at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs

New Nordic Peace: Nordic Peace and Conflict Resolution Efforts Hagemann, Anine, Bramsen, Isabel, 2019-04-09 For a long time the Nordic countries have been a region of peace with the ability to resolve conflicts peacefully among themselves and a region for peace actively promoting peace globally Although efforts to actively brand the Nordic region are ongoing the Nordic Peace brand is an area with untapped potential The Nordics have rich traditions for working together on peace and conflict resolution These joint efforts have grown organically and informally from like mindedness letting the common Nordic culture and ways of working foster integration among them where relevant The people working in the Nordic countries on Nordic cooperation and peace recognize the potential of strengthening the Nordic Peace brand One area of special potential is increasing focus on the shared Nordic priorities of prevention and the women peace and security agenda as part of the Nordic Peace brand

Disarmament, Peace and Development Reiner Braun, Colin Archer, Ingeborg Breines, Manas Chatterji, Amela Skiljan, 2018-12-13 This new volume provides reflections and insights from leading public figures and activists who oppose military expenditure in any form Many of the contributions to this volume were presented as speeches at the Disarm For a Climate of Peace meeting held in Berlin in 2016 organized by the International Peace Bureau

Israel and the Peace Process 1977-1982 Yaacov Bar-Siman-Tov, 2012-02-01 Examines the Egyptian Israeli peace negotiations and settlement and their implications for understanding the peacemaking process

Norway's Peace Policy J. Taulbee, A. Kelleher, P. Grosvenor, 2014-12-17 The post Cold War world allows space for less powerful states to develop influential roles in responding to specific international problems Norway has focused on the persistent issue of violent ethno political conflict This book explains why Norway chose its peace policy and demonstrates what it has been able to achieve

Handbook of Peace and Conflict Studies Charles Webel, Johan Galtung, 2007-03-12 This major new Handbook provides a cutting edge and transdisciplinary overview of the main issues debates state of the art methods and key concepts in peace and conflict studies today The Handbook of Peace

and Conflict Studies will be essential reading for students of peace studies conflict studies and conflict resolution It will also be of interest and use to practitioners in conflict resolution and NGOs as well as policy makers and diplomats The Democratic Peace and Territorial Conflict in the Twentieth Century Paul K. Huth,Todd L. Allee,2002 Table of contents

Public Opinion and Lord Beaconsfield, 1875-1880 George Carslake Thompson,1886 Power, Terror, Peace, and War Walter Russell Mead,2007-12-18 International affairs expert and award winning author of Special Providence Walter Russell Mead here offers a remarkably clear eyed account of American foreign policy and the challenges it faces post September 11 Starting with what America represents to the world community Mead argues that throughout its history it has been guided by a coherent set of foreign policy objectives He places the record of the Bush administration in the context of America s historical relations with its allies and foes And he takes a hard look at the international scene from despair and decay in the Arab world to tumult in Africa and Asia and lays out a brilliant framework for tailoring America s grand strategy to our current and future threats Balanced persuasive and eminently sensible Power Terror Peace and War is a work of extraordinary significance on the role of the United States in the world today **War, Peace and the Military** Franz Kernic,2023-03-17 This book is a comprehensive analysis of the various social science approaches to explaining and interpreting war peace and the military Its central aim is to trace and reconstruct those basic assumptions constructed and thought processes undertaken by modern social sciences in their research and conceptualization of military violence and the use of force In addition to such reconstruction the aim is also to enquire into the preconditions of such thought This study therefore eschews the development of an explicit strategy in the sense of a research strategy but instead is much more concerned with thinking about its subject matter by means of re thinking and reflecting upon different theoretical approaches and problems The investigation includes a critical reexamination of the tradition of military sociological research from the beginning of modern sociology to late twentieth century theoretical approaches regarding the security focused and or war driven aspects of modern society Debates. Official Report Pakistan. Constituent Assembly (1947-1954). Legislature,1954 Peace and Conflict 2010 J. Joseph Hewitt,Jonathan Wilkenfeld,Ted Robert Gurr,2017-07-05 Peace and Conflict is a new biennial publication that provides key data and documents trends in national and international conflicts ranging from isolated acts of terrorism to internal civil strife to full fledged intercountry war A major trend it tracks is the incidence of wars beyond the protracted conflicts in Iraq and Afghanistan For 2010 Peace Conflict adds a new regular feature Trends in Global Terrorism and focuses on the theme of Challenges of Post Conflict Transitions It covers special topics including women and post conflict settings and truth commissions and tribunals Peace and Conflict is a large format full color reference including numerous graphs tables maps and appendices dedicated to the visual presentation of data Crisp narratives are highlighted with pull quote extracts that summarize trends and major findings such as the continuing increase in high casualty terrorist acts and the likelihood of genocide risk in certain areas Governing the Feminist Peace Paul C.

Kirby, Laura Shepherd, 2024-04-02 The Women Peace and Security WPS agenda is celebrated as a landmark global framework for achieving gender equality in peace and security governance Its power is visible in two decades of United Nations resolutions national action plans regional initiatives and countless activist academic and philanthropic projects Yet despite this vitality it is haunted by failure as a lack of political will and stubborn patriarchal resistance frustrate its promise This book offers a groundbreaking critical account of the WPS agenda exploring its evolution in relation to the wider politics of global governance and feminism Paul Kirby and Laura J Shepherd argue that WPS is not a settled cohesive policy but a field in flux defined and disrupted by a growing number of national supranational subnational and transnational agents who in turn act on an expanding catalogue of threats from climate change to homophobia challenging traditional boundaries of peace and security Kirby and Shepherd reconceptualize WPS as a policy ecosystem tracing interaction and contestation around the agenda across levels from the UN Security Council to military alliances to feminist activists They combine analysis of a vast dataset of policy documents with key informant interviews and close readings of diplomacy statecraft the politics of indigeneity counterinsurgency antimilitarism human rights and the arms trade across the first twenty years of WPS Far reaching and incisive *Governing the Feminist Peace* poses a provocative question What if we abandoned the idea of the WPS agenda as a unified political project altogether *Queensland Justice of the Peace and Local Authorities' Journal* ,1919

Defense White Paper ,2004 *Finding Gender Equality in the Women, Peace, and Security Agenda* Barbara K.

Trojanowska, 2022-03-28 This interdisciplinary book explores how the policy goal of gender equality operates in arguably the most masculinist area of politics peace and security Gender equality was set on the international peace and security agenda with the adoption of UN Security Council Resolution 1325 in 2000 and the inception of the Women Peace and Security WPS agenda Celebrated internationally as an outcome of feminist advocacy efforts the WPS agenda has over time become a site of contestation Security institutions have questioned the placement of the gender equality objective within the peace and security sector whereas feminist advocates have expressed their concerns about the capacity of security institutions to support gender equality in meaningful ways Drawing on insights of nearly seventy UN government international and local civil society experts the book offers a systematic take on key gender equality debates within the WPS agenda in the case studies of UN Security Council ASEAN and Pacific Islands Forum and Governments of the Philippines and Australia By looking back at the dilemmas of gender equality policymaking and their paradoxical effects in conflict and post conflict situations the book also looks forward to the third decade of the WPS agenda and the long term impact of the agenda on the political struggle for gender equality in peace and security
