THE STORY A comedy about ethnic identity and the eternal American search for roots Jasju thirtyish is a Polish American who has been taught not to value his own roots so he decides to make his own roots reinventing himself first as a sort of      The Best Ever Book of Polish Jokes Mark Geoffrey Young,2011-12-22 If you've ever heard a Jewish Polish Italian Irish Polish Libyan Catholic Mexican Polish Australian Norwegian or an Essex Girl Newfie Mother in Law or joke aimed at a minority this book of Polish jokes is for you In this not so original book The Best Ever Book of Polish Jokes Lots and Lots of Jokes Specially Repurposed for You Know Who Mark Young takes a whole lot of tired worn out jokes and makes them funny again The Best Ever Book of Polish Jokes is so unoriginal it's original And if you don't burst out laughing from at least one Polish joke in this book there's something wrong with you This book has so many Polish jokes you won't know where to start For example Why do Poles wear slip on shoes You need an IQ of at least 4 to tie a shoelace An evil genie captured a Pole and her two friends and banished them to the desert for a week The genie allowed each person to bring one thing The first friend brought a canteen so he wouldn't die of thirst The second friend brought an umbrella to keep the sun off The Pole brought a car door because if it got too hot she could just roll down the window Did you hear about the Pole who wore two jackets when she painted the house The instructions on the can said Put on two coats Why do Poles laugh three times when they hear a joke Once when it is told once when it is explained to them and once when they understand it      **The Ultimate Polish Joke Book** Midwest Cylinder Management, Incorporated,2003-02-01 This book is so funny It is not intended to insult anyone it is for entertainment purposes only It is loaded with more Polish jokes than you will ever hear again A must have for every party Or just enjoy it yourself Makes a great gift      Official Polish-Italian Joke Book Larry Wilde,1988-08      Polish Joke and Other Plays David Ives,2004 This collection brings together four full length plays from the same dazzling pen that produced the one act comic masterpieces of All in the Timing Polish Joke a young Polish American's trip through ethnic stereotypes Don Juan in Chicago in which a Renaissance innocent makes a deal with the devil only to become a reluctant Latin lover Ancient History a comedy drama about the holy war that breaks out when two people from two very different cultures fall in love and The Red Address the searing portrait of a man with a secret who is forced by tragedy into self revelation      *More of the Official Polish Italian Joke Book* Larry Wilde,1982      **The Official Polish Joke Book** ,1966      The Mirth of Nations Christie Davies,2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique

characteristics of the humor of each nation or group A tightly argued book *The Mirth of Nations* uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one's own group *The Mirth of Nations* is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author's careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural studies

the bottom of the sea Marc Galanter calls it an opportunity to investigate the meanings of a rich and time honored genre of American humor lawyer jokes Lowering the Bar analyzes hundreds of jokes from Mark Twain classics to contemporary anecdotes about Dan Quayle Johnnie Cochran and Kenneth Starr Drawing on representations of law and lawyers in the mass media political discourse and public opinion surveys Galanter finds that the increasing reliance on law has coexisted uneasily with anxiety about the legalization of society Informative and always entertaining his book explores the tensions between Americans deep seated belief in the law and their ambivalence about lawyers      *The Polish Joke Book* Mike Kowalski,1974
