Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain

David Feldman, Jon Lawrence

Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain:

Labour and the left in the 1980s Jonathan Davis,Rohan McWilliam,2017-12-11 This volume of essays constitutes the first history of Labour and left wing politics in the decade when Margaret Thatcher reshaped modern Britain Leading scholars explore aspects of left wing culture activities and ideas at a time when social democracy was in crisis There are articles about political leadership economic alternatives gay rights the miners strike the Militant Tendency and the politics of race The book also situates the crisis of the left in international terms as the socialist world began to collapse Tony Blair s New Labour disavowed the 1980s left associating it with failure but this volume argues for a more complex approach Many of the causes it championed are now mainstream suggesting that the time has come to reassess 1980s progressive politics despite its undeniable electoral failures With this in mind the contributors offer ground breaking research and penetrating arguments about the strange death of Labour Britain

The Liberal Party and the Economy, 1929-1964 Peter Sloman,2015 The Liberal Party and the Economy 1929 1964 explores the reception generation and use of economic ideas in the British Liberal Party between its electoral decline in the 1920s and 1930s and its post war revival under Jo Grimond Drawing on archival sources party publications and the press this volume analyses the diverse intellectual influences which shaped British Liberals economic thought up to the mid twentieth century and highlights the ways in which the party sought to reconcile its progressive identity with its longstanding commitment to free trade and competitive markets Peter Sloman shows that Liberals enthusiasm for public works and Keynesian economic management which David Lloyd George launched onto the political agenda at the 1929 general election was only intermittently matched by support for more detailed forms of state intervention and planning Likewise the party s support for redistributive taxation and social welfare provision was frequently qualified by the insistence that the ultimate Liberal aim was not the expansion of the functions of the state but the pursuit of ownership for all Liberal policy was thus shaped not only by the ideas of reformist intellectuals such as John Maynard Keynes and William Beveridge but also by the libertarian and distributist concerns of Liberal activists and by interactions with the early neoliberal movement This study concludes that it was ideological and generational changes in the early 1960s that cut the party s links with the New Right opened up common ground with revisionist social democrats and re established its progressive credentials

Political Culture in Late Medieval Britain Linda Clark,Christine Carpenter,2004 Eight studies of aspects of C15 England united by a common focus on the role of ideas in political developments of the time The concept of political culture has become very fashionable in the last thirty years but only recently has it been consciously taken up by practitioners of late medieval English history who have argued for the need to acknowledge the role of ideas in politics While this work has focused on elite political culture interest in the subject has been growing among historians of towns and villages especially as they have begun to recognise the importance of both internal politics and national government in the affairs of townsmen and peasants This volume the product of a conference on political culture in the late

middle ages explores the subject from a variety of perspectives and in a variety of spheres It is hoped that it will put the subject firmly on the map for the study of late medieval England and lead to further exploration of political culture in this period Contributors CAROLINE BARRON ALAN CROMARTIE CHRISTOPHER DYER MAURICE KEEN MIRI RUBIN BENJAMIN THOMPSON JOHN WATTS JENNY WORMALD LINDA CLARK is editor History of Parliament CHRISTINE CARPENTER is Reader in History University of Cambridge

Labours old and new Stephen Meredith, 2013-07-19 This study is concerned with the Old Labour right at a critical juncture of social democratic and Labour politics It attempts to understand the complex transition from so called Old Right to New Right or New Labour and locates at least some of the roots of the latter in the complexity tensions and fragmentation of the former during the lean years of social democracy in the 1970s The analysis addresses both the short and long term implications of the emerging ideological organisational and political complexity and divisions of the parliamentary Labour right and Labour revisionism previously concealed within the loosely adhesive post war framework of Keynesian reformist social democracy It establishes the extent to which New Labour is a legatee of at least some elements of the disparate and discordant Labour right and tensions of social democratic revisionism in the 1970s In so doing it advances our understanding of a key moment in the development of social democracy and the making of the contemporary British Labour Party

Governing Post-War Britain Glen O'Hara, 2012-04-11 Glen O Hara draws a compelling picture of Second World War Britain by investigating relations between people and government the electorate s rising expectations and demands for universally available social services the increasing complexity of the new solutions to these needs and mounting frustration with both among both governors and governed

Twentieth-Century Mass Society in Britain and the Netherlands Bob Moore, Henk van Nierop, 2006-10-01 From the beginning of the nineteenth century Western Europe witnessed the emergence of a mass society Grand social processes such as urbanization industrialization and democratization blurred the previous sharp distinctions that had divided society This massive transformation is central to our understanding of modern society Comparing the British and Dutch experience of mass society in the twentieth century this book considers five major areas politics welfare media leisure and youth culture In each section two well known specialists one from each country examine the conditions behind the rise of a mass society and show how these conditions were distinctively British or Dutch Drawing on history cultural studies and sociology the authors bring new insight into the development of modern European society

The New Left, National Identity, and the Break-up of Britain Wade Matthews, 2013-08-08 In *The New Left National Identity and the Break Up of Britain* Wade Matthews charts the nexus between socialism and national identity in the work of key New Left intellectuals E P Thompson Raymond Williams Stuart Hall Perry Anderson and Tom Nairn Matthews considers these New Left thinkers response to Britain s various national questions including decolonization and the End of Empire the rise of European integration and separatist nationalisms in Scotland and Wales and to the national and nationalist implications of Thatcherism Cold War and the fall of

communism Matthews establishes a contestatory dialogue around these issues throughout the book based around different New Left perspectives on what has been called the break up of Britain He demonstrates that national questions were crucial to New Left debates

Constructing Post-Imperial Britain: Britishness, 'Race' and the Radical Left in the 1960s J. Burkett, 2013-04-11 The end of empire shaped the way the British public saw their place in the world society and the ethnic and racial boundaries of their nation Focussing on some of the most controversial organisations of the 1960s this book illuminates their central importance in constructing post imperial Britain

Consumerism in Twentieth-Century Britain Matthew Hilton, 2003-11-13 This book is the first comprehensive history of consumerism as an organised social and political movement Matthew Hilton offers a groundbreaking account of consumer movements ideologies and organisations in twentieth century Britain He argues that in organisations such as the Co operative movement and the Consumers Association individual concern with what and how we spend our wages led to forms of political engagement too often overlooked in existing accounts of twentieth century history He explores how the consumer and consumerism came to be regarded by many as a third force in society with the potential to free politics from the perceived stranglehold of the self interested actions of employers and trade unions Finally he recovers the visions of countless consumer activists who saw in consumption a genuine force for liberation for women the working class and new social movements as well as a set of ideas often deliberately excluded from more established political organisations

Structures and Transformations in Modern British History David Feldman, Jon Lawrence, 2011-01-20 This major collection of essays challenges many of our preconceptions about British political and social history from the late eighteenth century to the present Inspired by the work of Gareth Stedman Jones twelve leading scholars explore both the long term structures social political and intellectual of modern British history and the forces that have transformed those structures at key moments The result is a series of insightful original essays presenting new research within a broad historical context Subjects covered include the consequences of rapid demographic change in the eighteenth and nineteenth centuries the forces shaping transnational networks especially those between Britain and its empire and the recurrent problem of how we connect cultural politics to social change An introductory essay situates Stedman Jones s work within the broader historiographical trends of the past thirty years drawing important conclusions about new directions for scholarship in the twenty first century

[The Spirit of '68](#) Gerd-Rainer Horn, 2008-10-02 In virtually all corners of the Western world 1968 witnessed a highly unusual sequence of popular rebellions In Italy France Spain Vietnam the United States West Germany Czechoslovakia Mexico and elsewhere millions of individuals took matters into their own hands to counter imperialism capitalism autocracy bureaucracy and all forms of hierarchical thinking Recent reinterpretations have sought to play down any real challenge to the socio political status quo in these events but Gerd Rainer Horn s book offers a spirited counterblast 1968 he argues opened up the possibility that economic and political elites on both sides of the Iron Curtain could be toppled from their position of

unnatural superiority to make way for a new society where everyday people could for the first time become masters of their own destiny Furthermore Horn contends the moment of crisis and opportunity culminating in 1968 must be seen as part of a larger period of experimentation and revolt The ten years between 1956 and 1966 characterised above all by the flourishing of iconoclastic cultural rebellions can be regarded as a preparatory period which set the stage for the non conformist cum political revolts of the subsequent red decade 1966 1976 Horn s geographic centres of attention are Western Europe including the first full examination of Mediterranean revolts and North America He placed particular emphasis on cultural nonconformity the student movement working class rebellions the changing contours of the Left and the meaning of participatory democracy His book will make fascinating reading for anyone interested in this turbulent period and the fundamental changes that were wrought upon societies either side of the Atlantic **Your Britain** Laura Beers,2010-05-15

In the early twentieth century new mass media popular newspapers radio film exploded at the same time that millions of Britons received the vote in the franchise expansions of 1918 and 1928 The growing centrality of the commercial media to democratic life quickly became evident as organizations of all stripes saw its potential to reach new voters The new media presented both an exciting opportunity and a significant challenge to the new Labour Party Laura Beers traces Labour s rise as a movement for working class men to its transformation into a national party that won a landslide victory in 1945 Key to its success was a skillful media strategy designed to win over a broad diverse coalition of supporters Though some in the movement harbored reservations about a socialist party making use of the capitalist commercial media others advocated using the media to hammer home the message that Labour represented not only its traditional base but also women office workers and professionals Labour s national leadership played a pivotal role in the effective use of popular journalism the BBC and film to communicate its message to the public In the process Labour transformed not only its own national profile but also the political process in general New Labour s electoral success of the late twentieth century was due in no small part to its grasp of media communication This insightful book reminds us that the importance of the mass media to Labour s political fortunes is by no means a modern phenomenon **New Labour's Pasts** James E. Cronin,2016-09-17 Where other books are either highly partisan dismissals or appreciations of the Third Way or dull sociological accounts this book gets behind the clichés in order to show just what is left of Labour party ideology and what the future may hold New Labour has changed the face of Britain Culture class education health the arts leisure the economy have all seen seismic shifts since the 1997 election that raised Blair to power The Labour that rules has distanced itself from the failed Labour of the 70s and 80s but the core remains Labour remains gripped by its own past unable and unwilling to shed its ties to the old Labour party but determined to avoid the mistakes of which lead to four electoral defeats between 1979 and 1992 Cronin covers the full history of the party from its post war triumph through decades of shambolic leadership against ruthless and organised opposition to the resurgent New Labour of the 90s that finally took Britain into the new millennium **Peculiarities of**

Liberal Modernity in Imperial Britain Simon Gunn, James Vernon, 2011-05-15 In this wide ranging volume leading scholars across several disciplines history literature sociology and cultural studies investigate the nature of liberalism and modernity in imperial Britain since the eighteenth century They show how Britain's liberal version of modernity of capitalism democracy and imperialism was the product of a peculiar set of historical circumstances that continues to haunt our neoliberal present

The Labour Party, Denis Healey and the International Socialist Movement Ettore Costa, 2018-05-18 This book describes how after the Second World War the Labour Party assumed leadership of the International Socialist Movement thanks to the achievements of the Attlee Government International Secretary Denis Healey guided the reconstruction of the Socialist International through the early Cold War making the British vision for socialist internationalism prevail over the French and Belgian At first the provisional Socialist International International Socialist Conference and Comisco supported cohabitation with pro communist socialists and the USSR but with the Sovietisation of Eastern Europe it committed to militant anti communism Ambiguity between the Labour Party and Labour Government influenced British policy in Austria Czechoslovakia Greece Italy and Poland while the characterization and stereotypes of Eastern and Southern Europe shaped the language and actions of the British Furthermore the book shows how international contacts and the British and Swedish model encouraged the transition of socialist parties to responsible government parties fully embracing Western democracy and prepared the ideological revision of the 1950s

Interpreting the Labour Party John Callaghan, Steven Fielding, Steve Ludlam, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license Interpreting the Labour Party consists of twelve essays on the principal thinkers and schools of thought concerned with the political and historical development of the Labour Party and Labour movement The essays are written by contributors who have devoted many years to the study of the Labour Party the trade union movement and the various ideologies associated with them The book begins with an in depth analysis of how to study the Labour Party and goes on to examine key periods in the development of the ideologies to which the party has subscribed Each chapter situates its subject matter in the context of a broader intellectual legacy including the works of Sidney and Beatrice Webb Theodore Rothstein Stuart Hall and Samuel Beer among others

Public Library Governance Edward Abbott-Halpin, Carolyn Rankin, 2020-09-07 Major changes in public libraries throughout the world have led to an increased focus on governance issues Forging successful futures for public libraries depends on effective governance This book defines governance and examines its many facets in relation to public library provision internationally differentiating governance from the policies processes and practices of public libraries The perspectives of leaders practitioners researchers decision makers and service users are presented offering a variety of views from the past the present and potential approaches in the future Decision making and the roles of decision makers involved in governance are explored Prominent figures from the public library community throughout the world have contributed their knowledge and experience Wicked problems facing the

public library sector are identified and the varying approaches adopted internationally to deal with them are outlined There are many practitioner and professional practice issues associated with provision of libraries and views on library usage and delivery vary according to user and practitioner standpoints Globally diverse content provides directions for the future development of public libraries and for dealing with the emerging challenges facing the library world

The Life and Death of the Shopping City Alistair Kefford, 2022-04-07 Traces the transformation redevelopment of Britain's cities from post war reconstruction and modernist urban renewal to the present day

Pauvreté et inégalités en Grande-Bretagne, 1942-1990 Antoine Capet, Philippe Romanski (dir.), Aïssatou Sy-Wonyu (dir.), 2001 Le 20e siècle semble traîner derrière lui des valeurs et des réalités qu'il pensait combattre jamais Ingalité et pauvreté n'étaient déjà plus envisageables depuis au moins deux siècles et le Royaume Uni semblait porter les espoirs de cette nouvelle Depuis 1942 d'aucuns affirment que le processus de richesse inégalité et pauvreté est un des plus stables du pays Qu'en est-il au juste Le recueil bilingue anglais français apporte sa contribution au débat

Psychological socialism Jeremy Nuttall, 2013-07-19 To Labour's first Prime Minister Ramsay MacDonald socialism meant not only satisfactory figures of death rates and improved houses but also the mental cleanliness the moral robustness of our people This book explores the neglected theme of individual character and mental qualities in British social democratic thought and Labour Party history How important was it for the centre left that citizens be good people What was the relationship between socialism and psychology in the 1930s Did Labour's technocratic statist socialism of the 1950s and 1960s downgrade moral and mental progress Why was the party often more concerned to produce a rationally planned economy than rational independent minded citizens Does New Labour represent a sidelining of ethical socialism or a rebirth of the pre-war left's belief in improvement through education and self control

Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Introduction

Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Offers a diverse range of free eBooks across various genres. Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain, especially related to Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain books or magazines might include. Look for these in online stores or libraries. Remember that while Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Political Culture Of The Left In Britain 1951 1964 Old Labour

New Britain full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain eBooks, including some popular titles.

FAQs About Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain is one of the best book in our library for free trial. We provide copy of Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain. Where to download Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain online for free? Are you looking for Political Culture Of The Left In Britain 1951 1964 Old Labour New Britain PDF? This is definitely going to save you time and cash in something you should think about.
