Pike,1977 Monograph on the role of USA in the present and historical political development of the Andean region treats the rise of corporativism ie The protection of traditional culture and social structure from negative outside capitalistic influences in Peru Bolivia and Ecuador and discusses the effects of race and religion Marxism elites and the CIAP on the formation of political ideology Maps and references *Radical Democracy in the Andes* Donna Lee Van Cott,2008-08-25 After a decade in local office are indigenous peoples governments in the Andes fulfilling their promise to provide a more participatory accountable and deliberative form of democracy Using current debates in democratic theory as a framework Donna Lee Van Cott examines 10 examples of institutional innovation by indigenous party controlled municipalities in Bolivia and Ecuador In contrast to studies emphasizing the role of individuals and civil society the findings underscore the contributions of leadership and political parties to promoting participation and deliberation even at the local level Democratic quality is more likely to improve where local actors initiate and design institutions Van Cott concludes that indigenous parties innovations have improved democratic quality in some respects but that authoritarian tendencies endemic to Andean cultures and political organizations have limited their positive impact **Politics In The Andes** Jo-Marie Burt,Philip Mauceri,2004-02-22 The Andean region is perhaps the most violent and politically unstable in the Western Hemisphere Politics in the Andes is the first comprehensive volume to assess the persistent political challenges facing Bolivia Colombia Ecuador Peru and Venezuela Arguing that Andean states and societies have been shaped by common historical forces the contributors comparative approach reveals how different countries have responded variously to the challenges and opportunities presented by those forces Individual chapters are structured around themes of ethnic regional and gender diversity violence and drug trafficking and political change and democracy Politics in the Andes offers a contemporary view of a region in crisis providing the necessary context to link the often sensational news from the area to broader historical political economic and social trends **The Crisis of Democratic Representation in the Andes** Scott Mainwaring,2006 The essays in this book analyze and explain the crisis of democratic representation in five Andean countries Bolivia Colombia Ecuador Peru and Venezuela In this region disaffection with democracy political parties and legislatures has spread to an alarming degree Many presidents have been forced from office and many traditional parties have fallen by the wayside These five countries have the potential to be negative examples in a region that has historically had strong demonstration and diffusion effects in terms of regime changes The Crisis of Democratic Representation in the

Andes addresses an important question for Latin America as well as other parts of the world Why does representation sometimes fail to work **Trials of Nation Making** Brooke Larson,2004-01-19 This book offers the first interpretive synthesis of the history of Andean peasants and the challenges of nation making in the four republics of Colombia Ecuador Peru and Bolivia during the turbulent nineteenth century Nowhere in Latin America were postcolonial transitions more vexed or violent than in the Andes where communal indigenous roots grew deep and where the Indian problem seemed so daunting to liberalizing states Brooke Larson paints vivid portraits of Creole ruling elites and native peasantries engaged in ongoing political and moral battles over the rightful place of the Indian majorities in these emerging nation states In this story indigenous people emerge as crucial protagonists through their prosaic struggles for land community and ethnic identity as well as in the upheaval of war rebellion and repression in rural society This book raises broader issues about the interplay of liberalism racism and ethnicity in the formation of exclusionary republics without citizens *Radical Democracy in the Andes* Donna Lee Van Cott,Helen Kellogg Institute for International Studies,2006
