Political Depravity Of The Founding Fath:

The Political Depravity of the Founding Fathers John Bach McMaster, 1964 N263 First published in 1896 under title *With the Fathers* **Founding Fathers** The Encyclopaedia Britannica, 2007-08-01 An authoritative accessible guide to the figures who shaped a nation How did upstart colonists solidify the ideas celebrated in the Declaration of Independence and defeat the powerful British army How did thinkers from disparate backgrounds shape a government that transformed modern politics The Founding Fathers explains how putting valuable information on this historic period at your fingertips straight from one of the most trusted sources of information around the globe This comprehensive guide takes a compelling look at prominent statesmen such as Benjamin Franklin Thomas Jefferson Thomas Paine and George Washington and lesser known but influential leaders such as Samuel Chase Charles Pinckney and others Alphabetized for easy reference it also offers discussions of key issues including slavery the separation of powers the presidency and Deism and Christianity events such as the American Revolution the Whiskey Rebellion and the Louisiana Purchase and documents including the Constitution and the Bill of Rights Every special essay and concise entry from Abigail Adams to George Wythe promotes the deeper understanding of the personalities issues and events that only Encyclopaedia Britannica can provide The book's balanced fact based coverage of the Founding Fathers is especially relevant today when differing interpretations of their intent are used in debates over current policies The Founding Fathers is the ideal resource for anyone looking to hone his or her knowledge of the fascinating figures who wrote the first chapter of U S history The Roots of American Order Russell Kirk, 2003-07 What holds America together In this classic work Russell Kirk identifies the beliefs and institutions that have nurtured the American soul and commonwealth Beginning with the Hebrew prophets Kirk examines in dramatic fashion the sources of American order His analytical narrative might be called a tale of five cities Jerusalem Athens Rome London and Philadelphia For an understanding of the significance of America in the twenty first century Russell Kirk's masterpiece on the history of American civilization is unsurpassed The Political Science Toolbox Stephen E. Frantzich, Howard R. Ernst, 2008-08-07 This book is designed to serve as a reliable research companion to students of American government as they navigate their undergraduate programs It is a no nonsense guide that assists students as they develop research questions explore the literature make use of Web base resources analyze data and present findings **The Indestructible Jews** Max I. Dimont, 2014-05-27 From the author of *Jews God and History* this comprehensive history of the Jewish people is an epic drama searching and nobly conceived Publishers Weekly A compelling and readable account of the four thousand year history of a people that spans the globe and transcends the ages From the ancient and simple faith of a small tribe to a global religion with adherents in every nation the path of the Jews is traced through countless expulsions and migrations the great tragedy of the Holocaust and the joy of founding a homeland in Israel Putting the struggle of a persecuted people into perspective Max Dimont asks whether the tragic sufferings of the Jews have actually been the key to their survival as other

nations and races vanished into obscurity Here is a book for Jews and non Jews to enjoy evoking a proud heritage while offering a hopeful vision of the future *Revolutionary Characters* Gordon S. Wood,2006 A historical analysis of America s founding leaders identifies the character qualities that enabled them to make their pivotal contributions to the country s formation discussing what their examples can teach modern readers and how their shared vision of a national meritocracy was shaped by period beliefs about character and leadership 75 000 first printing *A History of the Jews* Max I. Dimont,2017-11-28 Three books on Jewish heritage from the author of *Jews God and History* the best popular history of the Jews written in the English language Los Angeles Times With over a million and a half copies sold *Jews God and History* introduced readers to the fascinating reasoning of acclaimed scholar Max I Dimont s bright and unorthodox mind San Francisco Sunday Examiner and Chronicle In these three volumes Dimont builds on the themes and insights presented in that seminal work providing a rich and comprehensive portrait of the cultural and religious history of the Jewish people *The Indestructible Jews* traces the four thousand year journey of the Jewish people from an ancient tribe with a simple faith to a global religion with adherents in every nation Through countless expulsions and migrations the great tragedy of the Holocaust and the joy of founding a homeland in Israel this compelling history evokes a proud heritage while offering a hopeful vision of the future *The Jews in America* offers an overview of Judaism in the United States from colonial times to twentieth century Zionism Dimont follows the various waves of immigration recounts the cultural achievements of those who escaped oppression in their native lands and discusses the attitudes of American Jews both religious and secular toward Israel *Appointment in Jerusalem* explores the mystery surrounding the predictions Jesus made about his fate Dimont re creates the drama in three acts using his knowledge of the events recorded in the Bible Thoughtful and fascinating his account offers fresh insights into questions that have surrounded religion for centuries Who was Jesus the Christian messiah or a member of a Jewish sect *The Jews in America* Max I. Dimont,2014-06-10 A wondrous tale of American Judaism from the Colonial Era to the twentiethcentury by the acclaimed author of *Jews God and History* Kirkus Reviews Beginning with the Sephardim who first reached the shores of America in the 1600s this fascinating book by historian Max Dimont traces the journey of the Jews in the United States It follows the various waves of immigration that brought people and families from Germany Russia and beyond recounts the cultural achievements of those who escaped oppression in their native lands and discusses the movement away from Orthodoxy and the attitudes of American Jews both religious and secular toward Israel From the author of *Jews God and History* which has sold more than one million copies and was called unquestionably the best popular history of the Jews written in the English language by the LosAngeles Times this is a compelling account by an author who was himself an immigrant raised in Helsinki Finland before arriving at Ellis Island in 1929 and going on to serve in army intelligence in World War II *Democracy Under Fire* Lawrence R. Jacobs,2022 How did democracy become so vulnerable in America Donald Trump is a shrill warning of the political system s fragility but he alone is not the problem The

vulnerability is broader and deeper and looms still Even before Trump ran for president his disdain for the rules and norms of democracy and the US Constitution was well known by many prominent Republicans who were unable to stop his nomination Trump s presidency is the culmination of a series of political decisions since the late 18th century that ceded party nominations to small cliques of ideologues Democracy Under Fire provides a readable if disturbing history of American democracy and proposes recommendations to restore it *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December

The Legend of the Founding Fathers Wesley Frank Craven,1956 Lectures on the motives and guiding principles of the founders of the 13 colonies and leaders of the American Revolution freedom under God a light to the world et al *Karl Marx* Kevin B. Anderson,2017-05-15 Marx s approach to analyzing society and especially his critique of capitalist society continues to influence the work of a large number of scholars world wide Unfortunately there are relatively few clear accounts of what this approach is and how to put it to use And despite the many attempts to use Marx s method to study a variety of subjects there are relatively few that can serve as useful models In the present volume the internationally renowned Marxist scholar Bertell Ollman and the social theorist Kevin B Anderson have brought together a sampling of the best writings of the past hundred years that illustrate and critique Marx s method as well as explain what it is and how to put it to work Anyone wishing to understand better Marx s dialectical method along of course with the theories created with its help or to revise this method or to criticize it or to use it in their own work will find this collection invaluable

Internet Histories Niels Brügger, Gerard Goggin, Ian Milligan, Valérie Schafer,2018-12-07 In 2017 the new journal Internet Histories was founded As part of the process of defining a new field the journal editors approached leading scholars in this dynamic interdisciplinary area This book is thus a collection of eighteen short thought provoking pieces inviting discussion about Internet histories They raise and suggest current and future issues in the scholarship as well as exploring the challenges opportunities and tensions that underpin the research terrain The book explores cultural political social economic and industrial dynamics all part of a distinctive historiographical and theoretical approach which underpins this emerging field The international specialists reflect upon the scholarly scene laying out the field s research successes to date as well as suggest the future possibilities that lie ahead in the field of Internet histories While the emphasis is on researcher perspectives interviews with leading luminaries of the Internet s development are also provided As histories of the Internet become increasingly important Internet Histories is a useful roadmap for those contemplating how we can write such works One cannot write many histories of the 1990s or later without thinking of digital media and we hope that Internet Histories will be an invaluable resource for such studies This book was originally published as the first issue of the Internet Histories journal

Cracks in the Constitution Ferdinand Lundberg,2017-12-18 Simply put the book is a blockbuster Stephen Lendman It s must reading to learn what schools to the highest levels never teach about the nation s most important

document that lays out the fundamental law of the land in its Preamble Seven Articles Bill of Rights and 17 other Amendments Lundberg deconstructs it in depth separating myth from reality about what he called the great totempole of American society What you think you know about the Constitution of the United States is probably false even and especially if you are well educated In 1968 a book appeared which told the story of the lords of wealth and their glittering clans It was titled THE RICH AND THE SUPER RICH It has become a classic Since then Ferdinand Lundberg has devoted himself to research and writing on a subject not unrelated to the domains of wealth the United States Constitution that he found was material hitherto concealed from most readers and believers in the Constitution What he concludes is that the Constitution is an unrestricted instrument of government that carries within it powers more vast than its citizens imagine **Compromise**
