Economic Thought of the Sikh Gurus J. R. Dass, 1988 Economic Thought of the Sikh Gurus reveals how down to earth the Sikh religion is and demonstrates the absolutely secular nature of that way of life J R Dass has analysed the contribution of the Sikh Gurus from Nanak to Gobind Singh to the socio economic development of

Northern India The Gurus taught and practised what were during the time extremely revolutionary economic ideas chiefly the secular ideal of community living Alongside the Gurus economic ideas found in the Sikh Scriptures the writer has extrapolated the ideas of the classic Western economists of later years such as Adam Smith Keynes and Marshall to prove that the Sikh Gurus were far ahead of their age in respect of their economic theories The relevance of the Gurus thoughts in economic revolution and the need to narrow down economic disparities are found to be relevant centuries later in the present work **The Sikh Gurus and the Sikh Society** Niharranjan Ray,1975 The History of Sikh Gurus Prithi Pal Singh,2006 Sikhs DK,2023-04-25 Dive into the history the philosophy the essence of the Sikh faith and trace its evolution At the turn of the 15th century Guru Nanak embarked on a series of journeys across the Indian subcontinent and instituted an equitable community and an egalitarian religion built upon the values of inclusion service and kindness Sikhs throws a spotlight on this incredible faith that places service before self Today it is the fifth largest religion in the world with over 30 million Sikhs across the globe The book explores the gurus the scriptures the philosophy and stories and legends It explains how a faith led to the birth of a historic empire of immense military and political might maps the emergence of a distinct identity looks at its impact on the world today and celebrates the contributions of this illustrious community *Sikhism* Mr. Rohit Manglik,2023-08-21 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels Political Science in India Rajendra Narayan Sharma,Santosh Bakshi,1978 **Sikh Philosophy** Arvind-Pal Singh Mandair,2022-07-14 Sikhism one of the major spiritual philosophical traditions of India is often missing from discussions of cross cultural philosophy In this introduction Arvind Pal Singh Mandair an internationally acknowledged expert in Sikh studies provides the first rigorous engagement in the West with Sikh philosophy Sensitive both to the historical formation of Sikh thought and to the decolonial context in which he writes Mandair examines some of the key concepts of Sikh philosophy and how they inform its vision of life He asks what Sikh philosophical concepts tell us about the nature of reality the relationship between mind self ego and whether it is possible to discern broad contours of a Sikh logic epistemology and ontology Additionally the book looks at how these concepts address broader themes such as the body health and well being creation and cosmology death and rebirth the nature of action and intention bioethics and a theme that undergirds every chapter spirituality Each chapter concludes with a set of bullet points highlighting the key concepts discussed a set of questions for further discussion and teachings points to aid discussion Through this much needed introduction we understand the place of Sikh Philosophy within modern Sikh studies and why the philosophical quest became marginalized in contemporary Sikh studies Most importantly we recognize the importance of looking beyond the well trodden terrain of Hindu and Buddhist thinkers and involving Sikh philosophical thought in the emergent field of world philosophies *The*
