# Political Obligations

**D. Mokrosinska, Dorota Mokrosińska**

## **Political Obligations:**

Political Obligations George Klosko, 2005-03-10 Political Obligations provides a full defense of a theory of political obligation based on the principle of fairness or fair play which is widely viewed as the strongest theory of obligation currently available. The work responds to the most important objections to the principle of fairness and extends a theory based on fairness into a developed multiple principle theory of obligation. In order to establish the need for such a theory, Political Obligations criticizes alternative theories of obligation based on a natural duty of justice and reformist consent and critically examines the non-state theories of libertarian and philosophical anarchists. The work breaks new ground by providing the first in-depth study of popular attitudes towards political obligations and how the state itself views them. The attitudes of ordinary citizens are explored through small focus groups, while the self-image of the state in regard to the obligations of its citizens is studied through examination of judicial decisions in three different democratic countries. **Moral Principles**

**and Political Obligations** A. John Simmons, 2020-05-05 Outlining the major competing theories in the history of political and moral philosophy from Locke and Hume through Hart, Rawls and Nozick, John Simmons attempts to understand and solve the ancient problem of political obligation. Under what conditions and for what reasons, if any, he asks, are we morally bound to obey the law and support the political institutions of our countries? **Political Obligations** George Klosko, 2005-03-10

Providing a full defence of the theory of political obligation, George Klosko presents arguments based on a number of key principles as well as commenting on popular attitudes and how the state views them. *Political Obligation* John Horton, 2017-08-24 How should we understand the relationship between citizens and governments and what are the obligations of citizens? In this substantially revised new edition of an influential text, John Horton challenges dominant theories by offering an associative account focusing particularly on what it is to be a member of a political community. *Political Obligation* Dudley Knowles, 2009-09-10 Political obligation is concerned with the clash between the individual's claim to self-governance and the right of the state to claim obedience. It is a central and ancient problem in political philosophy. In this authoritative introduction, Dudley Knowles frames the problem of obligation in terms of the duties citizens have to the state and each other. Drawing on a wide range of key works in political philosophy from Thomas Hobbes, John Locke, David Hume and G. W. F. Hegel to John Rawls, A. John Simmons, Joseph Raz and Ronald Dworkin, *Political Obligation: A Critical Introduction* is an ideal starting point for those coming to the topic for the first time as well as being an original and distinctive contribution to the literature. Knowles distinguishes the philosophical problem of obligation, which types of argument may successfully ground the legitimacy of the state and the duties of citizens, from the political problem of obligation, whether successful arguments apply to the actual citizens of particular states. Against the anarchist and modern skeptics, Knowles claims that a plurality of arguments promise success when carefully formulated and defended and discusses in turn ancient and modern theories of social contract and consent, fairness and gratitude, utilitarianism, justice and a Samaritan duty of care.

for others Against modern communitarians he defends a distinctive liberalism the state proposes the citizen disposes     **The Principle of Fairness and Political Obligation** George Klosko,2004 In The Principle of Fairness and Political Obligation George Klosko presents the first book length treatment of political obligation grounded in the premises of liberal political theory In this now classic work he clearly and systematically formulates what others thought impossible a principle of fairness that specifies a set of conditions which grounds existing political obligations and bridges the gap between the abstract accounts of political principles and the actual beliefs of political actors Brought up to date with a new introduction this new edition will be of great interest to all interested in political thought     **The Temporality of Political Obligation** Justin Chandler Mueller,2015-12-22 The Temporality of Political Obligation offers a critique and reconceptualization of the ways in which our political obligations what we owe to political authorities and communities and the reasons why we ought to obey their rules have been traditionally conceptualized justified and contested Drawing from theories of time and temporality Justin Mueller demonstrates some of the unacknowledged assumptions and theoretical blind spots shared among these ostensibly opposed positions and the problems and contradictions that this neglect of time poses Enriching the literature on the philosophers Henri Bergson and Gilles Deleuze Mueller demonstrates how their theoretical frameworks on time can be used to analyze a political problem that is usually confined to the concerns of normative liberal democratic theory Politically this book provides readers with the means to better identify and analyze the diverse temporalities they encounter in everyday life and better understand their experiences of them A welcomed and timely read which will be of interest to scholars involved in recent efforts to engage with the social and political dimensions and consequences of time and temporality

**Philosophical Anarchism and Political Obligation** Magda Egoumenides,2014-08-28 Political obligation refers to the moral obligation of citizens to obey the law of their state and to the existence nature and justification of a special relationship between a government and its constituents This volume in the Contemporary Anarchist Studies series challenges this relationship seeking to define and defend the position of critical philosophical anarchism against alternative approaches to the issue of justification of political institutions The book sets out to demonstrate the value of taking an anarchist approach to the problem of political authority looking at theories of natural duty state justification natural duty of justice fairness political institutions and more It argues that the anarchist perspective is in fact indispensable to theorists of political obligation and can improve our views of political authority and social relations This accessible book builds on the works of philosophical anarchists such as John Simmons and Leslie Green and discusses key theorists including Rousseau Rawls and Horton This key resource will make an important contribution to anarchist political theory and to anarchist studies more generally

**Rethinking Political Obligation** D. Mokrosinska,Dorota Mokrosińska,2012-07-31 What are the grounds for and limits to obedience to the state This book offers a fresh analysis of the debate concerning the moral obligation to obey the state develops a novel account of political obligation and provides the first detailed argument of how a theory of political obligation

can apply to subjects of an unjust state      **Political Obligation** Richard E. Flathman, 2019-11-19 Under what conditions are obedience and disobedience required or justified To what or whom is obedience or disobedience owed What are the differences between authority and power and between legitimate and illegitimate government What is the relationship between having an obligation and having freedom to act What are the similarities and differences among political legal and moral obligations Originally published in 1972 Professor Flathman discusses these crucial issues in political theory in a lucid and stimulating argument Though mainly concerned to develop his own modified utilitarian standing point he also reviews both the classical and modern literature from Plato and Hobbes to Hare and Rawls The treatment is philosophical but it is frequently related to practical issues of civil obedience and disobedience and in particular focuses on the relation between law obligation and social change      **On Political Obligation** Paul Harris, 2019-11-19 First published in 1990 The individual's obligation to obey the law the state and the government is a fundamental part of contemporary political theory The contributors to this volume drawn from a variety of disciplines including philosophy political science and law take a fresh look at the dilemmas of political obligation They discuss the extent to which we should allow the need for conformity to override individual liberties and ask whether individualism is indeed feasible without a highly developed sense of the public interest or the common good The contrast between individualism and communitarianism is examined throughout the book The contributors also look at the various means through which the state can coerce or persuade the individual to be obedient The emphasis throughout this collection is on the substantive problems themselves rather than on the way these issues have been addressed in the history of political thought The book offers a number of different perspectives on political obligation and will be valuable to students of moral political social and legal philosophy      **Hobbes on Legal Authority and Political Obligation** Luciano Venezia, 2015-09-01 Hobbes on Legal Authority and Political Obligation develops a new interpretation of Hobbes's theory of political obligation According to the account developed in the book the directives issued by the sovereign as introducing authoritative requirements so that subjects are morally obligated to obey them      *On Political Obligation* Judith N. Shklar, 2019-03-26 A compelling set of lectures on political obligation that contributes to ongoing debates in political theory and intellectual history This stimulating collection of lectures by the late Judith Shklar on political obligation is paired with a scholarly introduction that offers an overview of her life illuminates the connections among her teaching research and publications and explains why her lectures still resonate with us and contribute to current debates in political theory and intellectual history      **Political Obligation** Thomas McPherson, 1967      *Lectures on the Principles of Political Obligation and Other Writings* Thomas Hill Green, 1986-02-06 The political writings of T H Green with notes and an introductory essay      *Readings in Political Philosophy* Diane Jeske, Richard Fumerton, 2011-12-20 This anthology surveys important issues in Western political philosophy from Plato to the present day Its aim is to show both the continuity and the development of political thought over time Each unit begins with readings on the fundamental theoretical principles

underlying political discourse Theory is then connected to practice in readings on contemporary issues as well as court cases and other political documents      Partisanship and Political Liberalism in Diverse Societies Matteo Bonotti, 2017-07-13 Since its publication in 1993 John Rawls's Political Liberalism has been central to debates concerning political legitimacy democratic theory toleration and multiculturalism in contemporary political theory Yet despite the immense body of literature which has been produced since Rawls's work was published very little has been said or written regarding the place of political parties and partisanship within political liberalism This book aims to fill this gap in the literature Its central argument is that political liberalism needs and nourishes political parties and that political parties are therefore not hostile but vital to it First partisanship generates its own distinctive kind of political obligations additional to any political obligations people may have qua ordinary citizens Second contrary to what many critics argue and despite its admittedly restrictive features Rawls's conception of public reason allows significant scope for partisan advocacy and partisan pluralism and in fact the very normative demands of partisanship are in syntony with those of public reason Third parties contribute to the overlapping consensus that for Rawls guarantees stability in diverse societies Fourth political liberalism nourishes political parties by leaving many issues including religious and socio economic ones open to democratic contestation In summary parties contribute both to the legitimacy and to the stability of political liberalism      **Lectures on the Principles of Political Obligation** Thomas Hill Green, 1927      The Consent Theory of Political Obligation Harry Beran, 2019-11-19 First published in 1987 The theory that political obligation and authority are derived from the consent of citizens is commonly accepted in the history of Western political thought It is expressed in the famous assertion of the American Declaration of Independence that governments derive their just powers from the consent of the governed and in the constitutions of some Western powers This book provides the first systematic and comprehensive restatement and defence of consent theory since the 19th Century It distinguishes consent from contract theory examines what the actual consent of citizens can consist in and what place it must have in liberal democratic theory The consent theory's relationship with ethics is explored and the major objections to the theory are countered The author points to some political reforms which would increase the proportion of citizens in liberal democracies whose consent places them under political obligation The book provides an overview of the current state of the consent theory of political obligation and authority      Political and Legal Obligation J. Roland Pennock, 2017-07-12 At a point in history marked by dramatic challenges to the existing political and social order the question of legal and political obligation emerges as a focal point of international concern Amid the clamor for radical change in the established order theories of political obligation demand renewed examination In this volume eighteen leading specialists in the legal philosophical and political science aspects of the question offer their views on this timely topic Part I examines the nature of moral legal and political obligation The first essay presents a set of definitions that denies the very existence of obligation While the second essay disagreeing particularly with respect to the relationship of political to moral

tenets and the third discussing the highly complex interplay between law and morality The following essay approaches obligation as existing in the context of an established political and legal system and stresses the importance of evaluating the negative consequences of challenges to the law as well as those arising from the absence of challenges The next paper maintains that political obligation is so complex that its very existence depends upon rational deliberation in particular contexts The fifth explores four significant theories but accepts only the one based on the broadest definition of obligation While the final essay in this part considers political obligation a unique and generalized moral obligation Part II takes up the conditions of obligation and of obedience The first essay in this part discusses the conditions necessary to generate a felt obligation The second paper concentrates on exposing key obstacles to empirical proof that behavior is or is not motivated by felt obligation While the third draws upon a large body of literature and court decisions dealing with compliance to the law The forth essay is a case study of Rome probes the role of obligation during that city s seven cent

### Political Obligations Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Political Obligations free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Political Obligations free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Political Obligations free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Political Obligations. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious

and verify the legality of the source before downloading Political Obligations any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Political Obligations Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Obligations is one of the best book in our library for free trial. We provide copy of Political Obligations in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Obligations. Where to download Political Obligations online for free? Are you looking for Political Obligations PDF? This is definitely going to save you time and cash in something you should think about.
