There is this perception that Nigerians don't write and read. This perception is deep seated even among intellectuals who see our authors as shallow researchers. But Dr Dan Mou has debunked that myth and shown that Nigerians can write well researched and detailed books. It is quite prophetic in its assessment of the Nigerian State. Agbo Agbo deputy editor The Nation. Dr Dan Mou has proven himself a world class scholar and an intellectual colossus. His reputation as an internationally renowned public policy expert has continued to soar. I congratulate him for these remarkable achievements. Professor Justice Abdul Fatai Kuti first justice of Abuja High Court and former dean faculty of law University of Ado Ekiti Ekiti State of Nigeria. Dr Mou is certainly one of the best scholars we have on the African continent. As an educationist myself before I became a traditional ruler, I agree totally with his analysis and conclusions. I share the optimism Dr Mou has expressed that once the recommendations therein are adopted and meticulously implemented with proper monitoring and evaluation of such resultant policies and programmes, Nigeria and indeed Africa would be able to solve most of these challenges. HRH Alh Dr Sheban Audu Nizazo III Etsu Kwali Etsu Kwali's Palace Abuja Nigeria. *National Security, Democracy, & Good Governance in Post-Military Rule Nigeria, Volume One*. Dr. Dan Mou, 2016-12-30. This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the seventy one percent 71% of Nigeria's population still living below poverty line. This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades. It reveals that one does not need to be a political prophet to predict that if these challenges are not successfully addressed through good governance and inclusive growth, this country will witness the worst civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in future. It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria. These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use.
