Political System Of The European Union

Herman Lelieveldt, Sebastiaan Princen

Political System Of The European Union:

The Political System of the European Union Simon Hix, Bjørn Høyland, 2022-04-21 Starting from the observation that the European Union now possesses many of the attributes of modern political systems Hix and H yland take an innovative approach to analysing researching and teaching the EU Using the general theories of political science to understand how the EU works this text covers each of the main processes in the EU political system executive legislative and judicial politics public opinion interest groups and democracy and regulatory monetary and foreign policies introducing the key political science tools reviewing the relevant theories and applying the knowledge in detailed descriptive analysis As well as incorporating new data and the latest research this new edition examines the consequences of the dramatic political and policy developments in the EU over the past decade The methodology used in the text makes the political system of the EU accessible to political science students as a whole as well as those specifically studying and researching the EU The Political System of the European Union Simon Hix, 1999 Systematically revised and rewritten throughout and updated to cover the impact of EU enlargement this text analyzes the EU as a political system using the methods of comparative political science The Government and Politics of the European Union Neill Nugent, 2006 A clear and comprehensive explanation of the historical development and ongoing evolution of the European Union EU revised and updated in this sixth edition *The Political System of the European Union, Second Edition* Simon Hix, 2005-04-16 A substantially revised and updated new edition of this highly successful and ground breaking text which analyzes the EU as a political system using the methods of comparative political science The Political System of the European Union Simon Hix, Bjørn Kåre Høyland, 2022 Starting from the observation that the EU now possesses many of the attributes of modern political systems Hix and H yland take an innovative approach to analysing researching and teaching the European Union Using the general theories of political science to understand how the EU works this text covers each of the main processes in the EU political system executive legislative and judicial politics public opinion interest groups and democracy and regulatory monetary and foreign policies introducing the key political science tools reviewing the relevant theories and applying the knowledge in detailed descriptive analysis As well as incorporating new data and the latest research this new edition examines the consequences of the dramatic political and policy developments in the EU over the past decade The methodology used in the text makes the political system of the EU accessible to political science students as a whole as well as those specifically studying and researching the EU **The European Union** Walter Gerven, 2005 This book provides a general introduction to the European Union EU and describes how from its origin in 1952 it has grown into a polity of 25 states with a population of more than 450 million **Legislative Codecision in the European Union** Anne Rasmussen, 2017-07-05 This volume takes stock of twenty years of practising and studying codecision in the European Union EU and examines the procedure s long term implications for the EU s institutions politics and policies The introduction of co legislation between the Council of

Ministers and the European Parliament in 1993 raised the prospect of increased parliamentary involvement in EU decision making and promised a new era of more transparent inclusive and accountable policy making This collection draws together contributions from diverse theoretical and methodological perspectives in order to analyse the extent to which codecision has delivered the expected gains and to review the unexpected effects that have followed from its introduction such as the growing informalisation of EU decision making Using a combination of in depth qualitative case studies wider quantitative analyses practitioners insights and a review of the procedure s democratic legitimacy the contributions offer a holistic assessment of the effect of co decision on the political system of the EU This book was published as a special issue of the Journal of European Public Policy

European Union Politics Michelle Cini,Nieves Pérez-Solórzano Borragán,2013-01-17 European Union Politics Fourth Edition provides a comprehensive and authoritative overview of EU theories institutions policies and issues Bringing together carefully edited contributions from leading scholars in the field it assumes no background knowledge and is therefore accessible to students new to the subject The text is enhanced by excellent learning features including reader s guides text boxes key points figures questions further reading web links and a glossary An extensive Companion Website coming soon will offer resources for students interactive maps of Europe an interactive timeline of key events in the history of the EU multiple choice questions biographies of important figures in EU history an exam study guide a flashcard glossary and links to OUP journal articles and instructors PowerPoint based lecture slides essay seminar and quiz questions and boxes and figures from the text

Elgar Encyclopedia of European Union Public Policy Paolo R. Graziano,Jale Tosun,2022-12-13 A holistic and extensive exploration of both the dynamic and incremental changes in EU public policy and the decision processes surrounding them this Elgar Encyclopedia is the definitive reference work in the field of EU public policy

Executive Power of the European Union Deirdre Curtin,2009 The picture of Brussels based bureaucrats exercising arbitrary executive powers is one of the favourite images conjured by Eurosceptics across the political spectrum This book offers a richer understanding of the nature of the EU s powers how they relate to national governments and how they are controlled

European Union Jeremy Richardson,Sonia Mazey,2015-02-23 A key textbook for undergraduate and postgraduate students of contemporary European politics European Union Power and policy making 4th edition offers a comprehensive and accessible analysis of the European Union policy process Intended to advance understanding of the EU as a now mature and ongoing policy system this book addresses the central issues relating to the distribution of power and influence in the European Union including Theoretical perspectives The roles of key institutions in the processing of policy problems Different channels of representation The EU as a policy making state Written by a distinguished group of international scholars this new edition will also appeal to the worldwide community of researchers on the EU New to this edition New chapters on The Politics of Multispeed Europe The Distribution of Power Among Institutions EU Agencies Covert Integration in the European Union and Political Representation and Democracy in the EU New authors

and theoretical approaches on many topics such as differentiated integration opt outs and multi speed integration negotiation and coalition building the interplay of judicial and legislative policy making power distribution agency behaviour integration by subterfuge the democratic deficit fully updated data and content throughout Jeremy Richardson is joined by a co editor Professor Sonia Mazey for the fourth expanded edition of this highly regarded textbook on the EU Jeremy Richardson is an Emeritus Fellow at Nuffield College Oxford UK and Adjunct Professor at the National Centre for Research on Europe University of Canterbury New Zealand He is also Founder and Co editor of the Journal of European Public Policy Sonia Mazey is a Professor and Pro Vice Chancellor of the College of Business and Law University of Canterbury New Zealand and formally a Fellow of Keble College Oxford UK

Localism and the Design of Political Systems Rick Harmes, 2020-12-31 This book examines localism as a political idea and policy approach and explains what localism is about why it is growing in importance and how it relates to other themes in politics Illustrated with case studies from the United Kingdom mainland Europe and the Indian sub continent the book analyses localism in conceptual and theoretical terms and locates it within the overall landscape of political thought Key themes covered in the book include place space and scale decentralization and devolution multi level governance public value democracy and empowerment and political design With the focus on the bottom up constructivist aspects of localism the book argues that localism is most likely to work successfully in a political order where sovereignty is distributed across various social spheres and levels of government It offers a comprehensive view of localism by synthesizing its various strands and creating a distinctive framework for design and evaluation This book will be of particular interest to scholars students and practitioners of localism particularly within local and regional government public administration and policy human and political geography and urban studies

The European Union Ingeborg Toemmel, 2017-08-24 The European Union affects the lives of Europeans in many and varied ways yet in spite of its reach it often appears a constrained political system struggling for internal consensus reliant on the agreement of national governments and hampered by the scepticism of electorates These issues have become even more acute in the wake of the global economic and eurozone crises This new text provides a concise and up to date introduction to the nature of the European Union giving an account of its evolution and structure that makes sense of its current challenges The text analyses the EU's institutional structure and decision making procedures and highlights the manifold conflicts as well as the sophisticated mechanisms for consensus building among the core institutions It explains the ways in which the EU differs from other forms of political order and how this leads to political processes that are characterized by cooperation and conflict In providing this context the author invites readers to a critical assessment of the functioning of the European Union and of the implications of this for its democratic legitimacy and future prospects

The History of the European Union Wolfram Kaiser, Brigitte Leucht, Morten Rasmussen, 2008-09-05 This book radically re conceptualises the origins of the European Union as a trans and supranational polity as it emerged between the Schuman Plan of May 1950 and the first enlargement of

the European Communities at the start of 1973 Drawing upon social science theories and debates as well as recent historical research Wolfram Kaiser and Morten Rasmussen in their introductory chapters discuss innovative ways of narrating the history of the EU as the emergence of a transnational political society and supranational political system Building on these insights eight chapters based on multilateral and multi archival research follow each with case studies of transnational networks public sphere and institutional cultures and policy making which illustrate systematically related aspects of the early history of the EU In the concluding chapter leading political scientist Alex Warleigh Lack demonstrates how greater interdisciplinary cooperation especially between contemporary history and political studies can significantly advance our knowledge of the EU as a complex polity This book will be of interest to students and scholars of Politics European Studies and History

The Future of the European Union Konstanty Adam Wojtaszczyk,Tadeusz Wallas,Paweł Stawarz,2023-09-08 The monograph The Future of the European Union as well as the publication that precedes it European Integration Conditions Essence and Consequences have been compiled as part of the project Quo vadis Unio a racja stanu Polski under the DIALOG research programme between 2019 and 2023 It is the result of contributions by Europeanists political scientists lawyers economists cultural scholars and historians who study the issues of European integration The content presented in both publications reflects the research outcomes and views of the individual authors The first of these publications was designed as an attempt to summarise the integration process to date and its legal and institutional dimension which is the contemporary European Union The publication The Future of the European Union consists of five parts The Concepts of Reforms of the European Union The Future Modernisation of the Institutional System of the European Union Selected EU Policies Future Prospects The European Union the External Determinants of Further Development The Perspectives on the Theoretical Dimension of European Studies We hope that the issues raised in this monograph will be of interest to potential readers especially academics and students interested in European integration issues Insight into these issues may also be useful to government officials and NGO activists as well as to a wide audience interested in European issues These objectives may be more achievable after reading both of these monographs dedicated to European integration issues

The Pandemic Crisis and the European Union Paulo Vila Maior,Isabel Camisão,2021-11-15 This book assesses the implications of the COVID 19 pandemic for the European Union EU as well as its response in dealing with an overarching multidimensional crisis with consequences extending beyond public health safety to political economic legal and institutional arenas It argues the pandemic represents a symmetric crisis cutting across countries with different social economic and political characteristics and which yet despite favouring cooperative solutions at the supranational level has largely been met with initial responses of a national even local nature So how well did the EU perform as a crisis manager in the pandemic crisis This book will be of key interest to scholars students and readers of crisis pandemic and health management European Union politics and governance

The Politics of the European Union Herman Lelieveldt,Sebastiaan Princen,2023-04-20

An introduction to the European Union from a comparative politics perspective systematically analysing its functioning through comparison with national political systems Governing Europe Jack Ernest Shalom Hayward, Anand Menon, 2003 This comprehensive survey aims to provide an overview of all aspects of politics in western Europe Aspects of the European Union the Europeanization of institutions are discussed in detail along with the welfare state economic issues the condition of democracy across the continent **Resolving Controversy in the European Union** Robert Thomson, 2011-09-15 How does the EU resolve controversy when making laws that affect citizens How has the EU been affected by the recent enlargements that brought its membership to a diverse group of twenty seven countries This book answers these questions with analyses of the EU's legislative system that include the roles played by the European Commission European Parliament and member states national governments in the Council of Ministers Robert Thomson examines more than 300 controversial issues in the EU from the past decade and describes many cases of controversial decision making as well as rigorous comparative analyses The analyses test competing expectations regarding key aspects of the political system including the policy demands made by different institutions and member states the distributions of power among the institutions and member states and the contents of decision outcomes These analyses are also highly relevant to the EU's democratic deficit and various reform proposals Is the European Union a peculiar political system or a very developed international organization? Felix Wiebrecht, 2013-07-31 Essay from the year 2013 in the subject Politics International Politics Topic European Union grade 15 University of Aberdeen language English abstract The EU nowadays is a very powerful political actor and has a very big influence not only in Europe but also in the rest of the world Starting from a community for joint coal and steel administration it developed further and further Today there is a discussion among scholars about the type of political actor the EU constitutes Is it an international organization a political system a supranational state or something completely new and incomparable This paper wants to prove that the European Union is not an international organization despite having some of the appropriate characteristics but rather a political system In order to achieve that it will try to define the terms political system and international organization and then evaluate if the characteristics of those match with the European Union as a political actor
