& STEFAN SCHWARZKOPF

BLOOMSBURY

Political Theology

**Mitchell Dean, Lotte List, Stefan
Schwarzkopf**

Political Theology:

Political Theology Carl Schmitt, 2024-05-31 The distinctive theory of sovereignty from one of the most significant and controversial political theorists of the twentieth century Translated and with an introduction by George Schwab Foreword by Tracy B Strong Written in the intense political and intellectual tumult of the early years of the Weimar Republic Carl Schmitt argues in *Political Theology* that legal order ultimately rests upon the decisions of the sovereign Focusing on the relationships among political leadership the norms of the legal order and the state of political emergency he asserts that only the sovereign can meet the needs of an exceptional time and transcend legal order so that order can then be reestablished Convinced that the state is governed by the ever present possibility of conflict Schmitt theorizes that the state exists only to maintain its integrity in order to ensure order and stability Suggesting that all concepts of modern political thought are secularized theological concepts Schmitt concludes *Political Theology* with a critique of liberalism and its attempt to depoliticize political thought by avoiding fundamental political decisions

Political Theology Today Mitchell Dean, Lotte List, Stefan Schwarzkopf, 2023-02-23 Almost 100 years have passed since Carl Schmitt gave his controversial definition of the sovereign as the one who decides on the exception in his by now classic *Political Theology* 1922 Written at a time of crisis the book sought to establish the institution of sovereignty not from within a well functioning governing machine of the state in a situation of normality but rather as the minimal condition of state order in the moment of governmental breakdown The book appeared anachronistic already at its publication Schmitt went against Max Weber's popular thesis defining secularization as a disenchantment of the world characterizing modern societies and instead suggested that the concepts of modern politics mirrored a metaphysics originating in Christianity and the church Nevertheless the concept of political theology has in recent years seen a revival as a field of research in philosophy as well as political theory as studies in the theological sub currents of politics economics and sociality proliferate *What Is Political Theology?* Vincent W Lloyd, Luke Bretherton, Valentina

Napolitano, 2025-11-25 This field changing interdisciplinary book brings together three of the leading voices in political theology a Christian theologian a critical theorist and an anthropologist to offer new entry points to understand religion and politics

Freedom in Christ Paul Lakeland, 1986 **Political Theology for a Plural Age** Michael Jon

Kessler, 2013-05-07 New challenges that emerged in the postwar era have given rise to ongoing debate about the place of religion in public life in the United States and in other established democracies and this debate has dramatically reshaped the way scholars policymakers and religious leaders think about political theology *Political Theology for a Plural Age* examines historic and contemporary understandings of political engagement in Christianity Judaism and Islam engaging political theologies not merely as a set of theoretical concepts but as religious beliefs and principles that motivate specific political action The essays in this volume written by leading thinkers and practitioners within each tradition and their secular counterparts examine a number of core issues at the intersection of religion and politics They contest the definition of

political theology establish a common discourse across the three Abrahamic traditions and closely examine how globalization secularization and pluralism affect the construction and plausibility of political theologies Finally they offer insight into how political theologies might adapt to the shared global challenges of the twenty first century

Political Theology Francis Schüssler Fiorenza, Klaus Tanner, 2013-11-15 In this collection six leading theologians on political theology explore the contemporary states and potential future of the discipline Offering a highly nuanced and complex picture of older and newer Political Theology these scholars examine the multifaceted interconnections and tensions between political theologies liberation theologies feminist theologies and theologies that see themselves as postcolonial or decolonizing Among other topics the authors address the ecumenical and global nature of political theology the lack of critical feminist analysis in most political liberation and postcolonial theologies the statements regarding political theology in the encyclicals of Benedict XVI and the specific tasks that political theology must address to remain effective and relevant Contributors include Jürgen Moltmann Johann Baptist Metz Elisabeth Schüssler Fiorenza Francis Schüssler Fiorenza Klaus Tanner and Michael Welker

Political Theology in the Canadian Context Benjamin G. Smillie, 1982-06-30 Papers presented at a Conference on Political Theology in the Canadian Context on March 10 and 11 1977 at the University of Saskatchewan in Saskatoon

Radical Political Theology Clayton Crockett, 2013-10-01 In the 1960s the strict opposition between the religious and the secular began to break down blurring the distinction between political philosophy and political theology This collapse contributed to the decline of modern liberalism which supported a neutral value free space for capitalism It also deeply unsettled political religious and philosophical realms forced to confront the conceptual stakes of a return to religion Genuinely intervening in a contest that defies simple resolutions Clayton Crockett conceives of the postmodern convergence of the secular and the religious as a basis for emancipatory political thought Engaging themes of sovereignty democracy potentiality law and event from a religious and political point of view Crockett articulates a theological vision that responds to our contemporary world and its theological political realities Specifically he claims we should think about God and the state in terms of potentiality rather than sovereign power Deploying new concepts such as Slavoj Žižek's idea of parallax and Catherine Malabou's notion of plasticity his argument engages with debates over the nature and status of religion ideology and messianism Tangling with the work of Derrida Deleuze Spinoza Antonio Negri Giorgio Agamben Alain Badiou John D Caputo and Catherine Keller Crockett concludes with a reconsideration of democracy as a form of political thought and religious practice underscoring its ties to modern liberal capitalism while also envisioning a more authentic democracy unconstrained by those ties

Political Theology Reimagined Alex Dubilet, Vincent W. Lloyd, 2025-07-25 The contributors to Political Theology Reimagined center decolonial Black queer feminist and Marxist modes of critical practice to offer a cutting edge vision of the field that foregrounds a political theology animated by both a fascination with and suspicion of the secular

Political Theology of International Order William Bain, 2020-04-09 Is contemporary international order truly a secular

arrangement Theorists of international relations typically adhere to a narrative that portrays the modern states system as the product of a gradual process of secularization that transcended the religiosity of medieval Christendom William Bain challenges this narrative by arguing that modern theories of international order reflect ideas that originate in medieval theology They are in other words worldly applications of a theological pattern This ground breaking book makes two key contributions to scholarship on international order First it provides a thorough intellectual history of medieval and early modern traditions of thought and the way in which they shape modern thinking about international order It explores the ideas of Augustine Thomas Aquinas William of Ockham Martin Luther and other theologians to rise above the sharp differentiation of medieval and modern that underpins most international thought Uncovering this theological inheritance invites a fundamental reassessment of canonical figures such as Hugo Grotius and Thomas Hobbes and their contribution to theorizing international order Second this book shows how theological ideas continue to shape modern theories of international order by structuring the questions theorists ask as well as the answer they provide It argues that the dominant vocabulary of international order system and society anarchy balance of power and constitutionalism is mediated by the intellectual commitments of nominalist theology It concludes by exploring the implications of thinking in terms of this theological inheritance albeit in a world where God is only one of several possibilities that can called upon to secure the regularity of order

Race and Political Theology Vincent Lloyd, 2012-04-25 In this volume senior scholars come together to explore how Jewish and African American experiences can make us think differently about the nexus of religion and politics or political theology Some wrestle with historical figures such as William Shakespeare W E B Du Bois Nazi journalist Wilhelm Stapel and Austrian historian Otto Brunner Others ponder what political theology can contribute to contemporary politics particularly relating to Israel s complicated religious racial national identity and to the religious currents in African American politics Race and Political Theology opens novel avenues for research in intellectual history religious studies political theory and cultural studies showing how timely questions about religion and politics must be reframed when race is taken into account

The Cambridge Companion to Christian Political Theology Craig Hovey, Elizabeth Phillips, 2015-11-18 Interest in political theology has surged in recent years and this accessible volume provides a focused overview of the field Many are asking serious questions about religious faith in secular societies the origin and function of democratic polities worldwide economic challenges the shift of Christianity s center of gravity to the global south and anxieties related to bold and even violent assertions of theologically determined political ideas In fourteen original essays authors examine Christian political theology in order to clarify the contemporary discourse and some of its most important themes and issues These include up to date critical engagements with historical figures like Augustine Thomas Aquinas and Immanuel Kant discussions of how the Bible functions theopolitically and introductions to key movements such as liberation theology Catholic social teaching and radical orthodoxy An invaluable resource for students and scholars in theology the

Companion will also be beneficial to those in history philosophy and politics The Future of Political Theology Péter Losonczi, Mika Luoma-aho, Aakash Singh, 2011 Recent shifts in the contemporary cultural political and religious landscape are engendering intensive attention concerning political theology New trends and traditional ideas equally colour these movements This book presents a rich overview of fresh contemporary theoretical approaches uniquely prioritizing the prospects of the future of political theology but also making room for significant interventions from philosophy and political theory Including prominent essays on Judaic Islamic Buddhist and Christian perspectives this book balances elements from postmodern theology with more classical as well as anti postmodern approaches **Wiley Blackwell Companion to Political Theology** William T. Cavanaugh, Peter Manley Scott, 2019-03-11 Offers a comprehensive survey and interpretation of contemporary Christian political theology in a newly revised and expanded edition This book presents the latest thinking on the topic of contemporary Christian political theology with original and constructive essays that represent a range of opinions on various topics With contributions from expert scholars in the field it reflects a broad range of methodologies ecclesial traditions and geographic and social locations and provides a sense of the diversity of political theologies It also addresses the primary resources of the Christian tradition which theologians draw on when constructing political theologies and surveys some of the most important figures and movements in political theology This revised and expanded edition provides the most comprehensive and accessible introduction to this lively and growing area of Christian theology Organized into five sections Wiley Blackwell Companion to Political Theology Second Edition addresses the many changes that have occurred over the last 15 years within the field of political theology It features new essays that address social developments and movements such as Anglican Social Thought John Milbank Anabaptist Political Theologies African Political Theologies Postcolonialism Political Economy Technology and Virtuality and Grass roots Movements The book also includes a new essay on the reception of Liberation Theology Offers essays on topics such as the Trinity atonement and eschatology Features contributions from leading voices in the field of political theology Includes all new entries covering fresh developments and movements like the urgency of climate change virtuality and the digital age the economic crisis of 2008 the discourse of religion and violence and new modalities of war Addresses some important social movements from a theological point of view including postmodernism grass roots movements and more Provides both Islamic and Jewish responses to political theology Written for academics and students of political theology Wiley Blackwell Companion to Political Theology 2nd Edition is an enlightening read that offers a wide range of authoritative essays from some of the most notable scholars in the field The Future of Political Theology Péter Losonczi, Mika Luoma-aho, Aakash Singh, 2016-03-16 Recent shifts in the contemporary cultural political and religious landscape are engendering intensive attention concerning political theology New trends and traditional ideas equally colour these movements Given that a medley of recent books and articles have exhaustively treated both the history and the current resurgence of political theology we now find ourselves faced with the task of reinventing and

redefining the future of political theology This book presents a rich overview of fresh contemporary theoretical approaches uniquely prioritizing the prospects of the future of political theology but also making room for significant interventions from philosophy and political theory Including prominent essays on Judaic Islamic Buddhist and Christian perspectives this book balances elements from post modern theology with more classical as well as anti post modern approaches **Islamic**

Political Theology Massimo Campanini,Marco Di Donato,2021-05-11 Can we affirm that a political theology exists in Islam This apparently simple question is the core of Massimo Capanini and Marco Di Donato s edited collection of essays Considering the wide range of meanings of political theology this book contains essays written by different authors having their own specific and specialized point of view on the topics from Shia and Sunni political thought to Islamic classic philosophy and philosophers until arriving at contemporary Muslim thinkers **Radical Democracy and Political**

Theology Jeffrey W. Robbins,2011-04-06 Alexis de Tocqueville once wrote that the people reign over the American political world like God over the universe unwittingly casting democracy as the political instantiation of the death of God According to Jeffrey W Robbins Tocqueville s assessment remains an apt observation of modern democratic power which does not rest with a sovereign authority but operates as a diffuse social force By linking radical democratic theory to a contemporary fascination with political theology Robbins envisions the modern experience of democracy as a social cultural and political force transforming the nature of sovereign power and political authority Robbins joins his work with Michael Hardt and Antonio Negri s radical conception of network power as well as Sheldon Wolin s notion of fugitive democracy to fashion a political theology that captures modern democracy s social and cultural torment This approach has profound implications not only for the nature of contemporary religious belief and practice but also for the reconceptualization of the proper relationship between religion and politics Challenging the modern liberal and secular assumption of a neutral public space Robbins conceives of a postsecular politics for contemporary society that inextricably links religion to the political While effectively recasting the tradition of radical theology as a political theology this book also develops a comprehensive critique of the political theology bequeathed by Carl Schmitt It marks an original and visionary achievement by the scholar the Journal of the American Academy of Religion hailed one of the best commentators on religion and postmodernism

Political Theology: A Guide for the Perplexed Elizabeth Phillips,2012-06-07 There is an increasingly intense interest in political theology amongst contemporary scholars and students Yet while there are many authors engaging in political theology there are very few resources about political theology which aim to orient students and other recent new comers to the field This is a concise and accessible advanced introduction which distinguishes various approaches to political theology and which explores several of the central issues addressed in political theologies Theological students will be able to approach courses and readings in political theology with a renewed confidence with this overview in hand **A Political Theology of the Bureaucratic State** Steven T. Lane,2024-10-29 Liberal democracies of the twenty first century face the

continuing economic tensions of globalization and the various populist political responses In *A Political Theology of the Bureaucratic State* Steven T Lane argues that a deeper problem exists underneath the neoliberal system of contemporary democratic capitalism the bureaucratic state and the ways it deploys its sovereignty Yet these problems have received little attention from Christian political thinkers in the fields of ethics or political theology By bringing thinkers from across the academic disciplines from political philosophy and economics to biblical interpretation and public policy and using modern case studies related to public health and welfare state Lane address the foundational issues affecting liberal democracies and the claims to power they make against their citizens

The English Modernist Novel as Political Theology Charles Andrews, 2024-01-11 A 2024 CHOICE OUTSTANDING ACADEMIC TITLE novels by Virginia Woolf D H Lawrence Evelyn Waugh and Sylvia Townsend Warner as political theology works that imagine a resistance to the fusion of Christianity and patriotism which fuelled and supported the First World War this book shows how we can gain valuable insights from their works for anti militarist anti statist and anti nationalist efforts today While none of the four novelists in this study were committed Christians during the 1920s Andrews explores how their fiction written in the wake of the First World War operates theologically when it challenges English civil religion the rituals of the nation that elevate the state to a form of divinity Bringing these novels into a dialogue with recent political theologies by theorists and theologians including Giorgio Agamben William Cavanaugh Simon Critchley Michel Foucault Stanley Hauerwas and Jürgen Moltmann this book shows the myriad ways that we can learn from the authors theopolitical imaginations Andrews demonstrates the many ways that these novelists issue a challenge to the problems with civil religion and the sacralized nation state and in so doing offer alternative visions to coordinate our inner lives with our public and collective actions

Political Theology Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Theology PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Theology PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources

available. In conclusion, the availability of Political Theology free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Theology Books

1. Where can I buy Political Theology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Theology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Political Theology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Political Theology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Political Theology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
