Political Communications Transformed From Morrison To Mandelson:

Political Communications Transformed John Bartle, Dylan Griffiths, 2001-03-30 Dramatic changes in society technology and culture have transformed the relationship between political parties the media and the individual voter over the last fifty years The leading researchers gathered in this volume offer a comprehensive analysis of the evolution of British political communication since 1945 They explore the competition for coverage between political parties and media organizations the ongoing rivalry between politicians and the press and the implications for the quality of British democracy **Political Communications** Simon Atkinson, John Bartle, Roger Mortimore, 2013-10-23 This work examines political communications in British general elections Like its predecessors it has a dual purpose first to make available the reflections of those who participated in it and second to provide analysis of the media the parties and public opinion polls in the campaign **Social Media and Elections in Africa, Volume 1** Martin N. Ndlela, Winston Mano, 2020-01-02 This book brings together fresh evidence and new theoretical frameworks in a unique analysis of the increasing role of social media in political campaigns and electoral processes across Africa Supported by contemporary and historical cases studies it engages with the main drives behind the various appropriations of social media for election campaigns organization and voter mobilization Contributors in this volume delve into changing and complex aspects of social media offering an appraisal of theoretical perspectives and examining fascinating case studies which social media use is redefining elections across Africa Contributions show that new media ecologies are resulting in new policy regimes user behaviors and communication models that have implications for electoral processes The book also provides preliminary analysis of emerging forms of algorithm driven campaigns fake news information distortions and other methods that undermine electoral democracy in Africa **Political Communication in Britain** Roger Mortimore, Simon Atkinson, 2011-04-13 The 2010 General Election represented a pathbreaking contest in Political Communication The TV debates changed forever the feel of the campaign This book brings together key commentators analysts and polling experts to present readers with a unique and valuable insight into the development of political communication in British Politics **Consumer Democracy** Margaret Scammell, 2014-02-10 This book argues that marketing is inherent in competitive democracy explaining how we can make the consumer nature of competitive democracy better and more democratic Margaret Scammell argues that consumer democracy should not be assumed to be inherently antithetical to proper political discourse and debate about the common good Instead Scammell argues that we should seek to understand it to create marketing literate criticism that can distinguish between democratically good and bad campaigns and between shallow cynical packaging and campaigns that at least aspire to be responsive engender citizen participation and enable accountability Further we can take important lessons from commercial marketing enjoyment matters what citizens think and feel matters and just as in commercial markets structure is key the type of political marketing will be affected by the conditions of competition **Global Political Campaigning** Fritz Plasser, 2002-02-28 Plasser examines the changing

practices of election campaigning worldwide Based on data of an indepth survey of campaign managers and political consultants from 43 countries he provides insights into the professional role definitions and strategic orientations determining the future of electioneering in media centered democracies The first section gives a state of the art overview of the international literature and modernization theories describing and analyzing the ongoing process of modernization and growing professionalization of electioneering around the world The second section deals with the topic of an Americanization of campaign practices in countries fundamentally different from the United States from a diffusion point of view A special focus is the role of U S overseas consultants in influencing and modifying campaign practices in foreign countries based on indepth interviews about the professional experiences of leading figures of the Americans overseas consultancy business The third section deals with central features of campaign practices from a comparative perspective and provides information and data about the media infrastructure and political culture indicators for 50 countries as well as a detailed comparison of country specific campaign regulations party system features and campaign styles The fourth section focuses on the results of Plasser s Global Political Consultancy Survey among 592 campaign professionals from 43 countries The results of this first worldwide survey offer insights into professional orientations role definitions and practices of campaign managers and political consultants throughout the world The fifth section discusses different area and country specific campaign styles from a comparative perspective The final chapters present a global typology of distinct campaign styles across the world summarize the central findings and link them to the ongoing debate about the future of electioneering in media centered democracies An essential research tool for scholars students and other researchers involved with comparative electioneering political management and political communication

The Media and Political Process Eric Louw, 2010-02-17 How have professional communicators transformed the business of politics How do political bodies use the media to sell domestic and foreign policies to the public This fully revised new edition of The Media and Political Process assesses the impact of spin doctoring and media activity in liberal democracies that are just as concerned with impression management and public relations as with policy Political processes never stand still and this revised second edition explores the mediatization of the political process in light of recent developments from Vladimir Putin s growth into a political celebrity to the activities of spin doctors in the 2008 US Presidential Elections Providing a comprehensive overview of the evolution operation and terminology of political communication this text is an accessible lively resource for students of political communication and media and politics and will be important further reading for students of journalism public relations and cultural studies

The Media and Political Process P. Eric Louw, 2005-05-20 The Media and Political Process examines the increasingly topical subject of the political process and assesses The nature of the relationship between mass media and the political process The impact of media ization on existing political frameworks The implications of media ized politics Eric Louw uses a number of case studies including political celebrity war and terrorism to provide a media studies perspective on how media

workers journalists public affairs officers spin doctors impact upon the political process The book also considers the media's role in promoting a range of twentieth century ideologies and emerging dominant discourses **Campaign**

Professionalism during Egypt's 2012 Presidential Election Dalia Elsheikh, 2018-04-09 This book presents the first analytical study of the levels of professionalism of campaigns in the 2012 Egyptian presidential elections It considers the extent to which the election was professionalised and how far the levels of professionalism impacted the democratisation process of Egypt It provides the story of the five main campaigns by applying the professionalisation index to analyse their structures hardware and strategies software The book also evaluates the application of the professionalization index to nascent democracies and the impact of campaign professionalism on such democracies The book encourages further studies within similar fragile democratic systems as well as offering campaigners practical guidance when approaching future elections **Voice of the Locality** Lenka Waschková, 2017-01-01 Publikace se zaměřuje na to, jak lokální média v oboru mediálních studií a to poměrně hlavně pohledu jsou analýza lokálních publik a charakteristika vztahu lokálních médií a lokálních publik Mezinárodní kolektiv devatenácti autorů mapuje specifika fungování lokálních médií a obecněji lokální komunikace v různých především evropských státech The Transformation of Political Communication Ralph M. Negrine, 2017-09-16 The relationship between politics and the media is continually evolving This book explores the technological political and social forces that affect the practice of political communication throughout the world today Offering a critical historical approach this book is for all students interested in the communication of politics Perspectives on Political Communication in Africa Bruce Mutsaers, Beschara Karam, 2018-02-27 This edited collection is a cutting edge volume that reframes political communication from an African perspective Focusing on sub-Saharan Africa and occasionally drawing comparisons with other regions of the world this book critically addresses the development of the field focusing on the current opportunities and challenges within the African context By using a wide variety of case studies that include Mozambique Zambia Rwanda Zimbabwe Ghana Kenya Uganda South Africa Ivory Coast and Nigeria the collection gives space to previously understudied regions of sub-Saharan Africa and challenges the over-reliance of western scholarship on political communication on the continent Global Political Marketing Jennifer Lees-Marshment, Chris Rudd, Jesper Stromback, 2009-10-16 There is increasing awareness of growing similarities in political marketing practices around the world Global political marketing is a comprehensive analysis of why how and with what affect parties use political marketing in a range of political systems presidential parliamentary two and multi party and established and emerging democracies Written by a team of 25 international expert authors the volume explores the impact of systemic features such as the party and electoral system analysing how parties use marketing through 14 detailed country studies The book explores the notion that political marketing is used by parties to both sell and design political products is by no means confined to the opposition and that many opinions besides those of the voters are considered in product design including ideological anchors expert opinion and

party members input The authors also explore how other factors impact on political marketing effectiveness such as the ability of governments to communicate delivery stay in touch the role of the media and party unity and culture Finally the work discusses the democratic implications of market oriented parties highlighting the need for debate about the relationship between citizens and governments and the prospects for democracy in the 21st century Including a practitioner perspective as well as rigorous academic analysis this collection provides the first global comprehensive overview of how political parties market themselves it will be of great interest to all scholars of political marketing parties and elections and comparative politics

Media, Politics and Democracy John Street, 2021-05-14 The third edition of *Media Politics and Democracy* examines the fraught debate over media influence who wields it and what effect social and traditional media has on what we think how we behave and how we vote Charting the media conglomerates of old the alarming rise of the Tech Giants in recent decades concerns over fake news and the use of social media by political candidates this book places contemporary anxieties into historical context and compares the response to such issues across different states and societies Using examples from around the world Street tackles the changing nature of political communications and brings under scrutiny the question of how a democratic society can function alongside a democratic media Suitable for students studying politics and the media political communications and other related fields New to this Edition Completely revised and updated version of *Mass Media Politics and Democracy* Includes a new chapter on the power of the Tech Giants Contains detailed accounts of the significance of figures such as Donald Trump Rupert Murdoch and Mark Zuckerberg Student questions and issues for debate interspersed throughout the book

Global Electioneering Gerald Sussman, 2005 *Global Electioneering* explores American style political consulting and its spread to countries throughout the world emphasizing the roles of communication and technology Gerald Sussman challenges the common belief that American influence abroad is due strictly to the professionalization of politics and asserts that it is instead affected by economics industry and the organizational power of new communication technology

Party System in India Ajay K Mehra, India's party system has been under flux transformation and reconfiguration since the end of the 1980s By the time the sun set on the twentieth century the party system in India had developed a plurality of national and regional

levels and following several experiences in fits and starts coalition making among the parties too stabilized at the national level The dawn of twenty first century thus witnessed a federalized party system in place where coalition making and cohabitation amongst the parties stabilized at both national and regional levels As a result since 1999 India has had two completing governments completing their full term at the national level the third UPA II has completed four years and despite hiccups is likely to complete its full term till mid 2013 However the party system in the country has turned competitive and several trajectories of alternation are being attempted by parties and leaders making the emerging political situation fluid The volume attempts to capture the emerging trajectories of the party system in India in the second decade of the twenty first century with seventeen essays written specially for this volume by scholars who met several times to discuss and formulate questions and critique each other's drafts Overall the volume provides an incisive and comprehensive analysis of the far reaching changes that India's political parties and party system are undergoing It looks into the institutional dimensions processes and agenda federal manifestations transitions including generational change and extraneous influences brought in by globalization Indian Diaspora and the impact of new media technology Constituting an important contribution to the on going debate on the Indian party system this volume will attract the attention of students of Indian politics political science democracy party systems and comparative politics

Voters or Consumers Darren Lilleker, Richard Scullion, 2009-05-05 This edited collection seeks to map current thinking and practice in order to assess the extent to which the consumer as opposed to the voter should now be elevated to a central position within our understanding of the relationship between the public and political spheres The volume will firstly offer an overview of how consumerism has been applied to our understanding of political and voter behaviour so outlining the book's key concepts The volume then follows a processual approach to developing its analysis offering essays that explore contrasting critical perspectives on the topic The group of essays focus on conceptualising political consumerism the next look at how political organisations use the tools of positioning and branding so developing an overview of consumer driven political behaviour The focus then moves to the nature of political communication both by parties and the media and how this reflects the neo liberal ontological perspective that encourages voting to be treated as part of consumer behaviour Finally the book turns to the voter consumer looking firstly at the processing of messages and how this can be analysed from a consumerist perspective and finally on voting behaviour itself exploring the extent to which rational choice and economic models of voting have been increasingly a reflection of a consumerist perspective Each chapter will approach the subject from a discrete perspective which will be outlined within its introduction However the chapters will each explore the following Whether parties or voters are approaching one another using consumerist perspectives How this can be mapped empirically through specific examples or case studies The extent to which consumer behaviour models and perspectives help us understand voter or party behaviour
