## **Political Culture In Israel Cleavage And Integration Among Israeli Jews:**

Political Culture in Israel Eva Etzioni-Halevy, Rina Shapira, 1977-02      Cross-Currents in Israeli Culture and Politics Myron Joel Aronoff, 1984-01-01 This fourth volume of Political Anthropology is the first in the series to be devoted entirely to a single country Israel is currently undergoing a critical stage of transition in its development The election of the first Likud government in 1977 ended fifty years of Labor dominance of the political system It introduced new personalities policies symbols and myths as it attempted to establish the legitimacy of the new regime The 1981 election which maintained the Likud rule was the closest and one of the most violent in Israeli history and one in which political and ethnic tensions reached an unprecedented peak The election in 1984 will determine considerably more than just which part will rule the country The very character of the nation is at stake In this volume the most timely and pressing problems confronting Israeli society are analyzed by leading Israeli and American experts utilizing the unique interdisciplinary focus of political anthropology Aronoff analyzes the resurgence of political polarization after almost two decades of relative political quietude Lewis astutely explains the role of ethnicity in Israeli politics and how it relates to foreign policy of the Likud government Shokeid critically analyzes a case study exemplifying collective redefinition of status Weissbrod sees the war in Lebanon as particularly noteworthy because it was the first time that a significant part of the Israeli public questioned the justice of an Israeli war especially during the initial victorious stages Weisburd and Vinitzky demonstrate that the settlers of Gush Emunim have developed a rational ideological legitimization for their vigilante activities against the Arabs in the territories Dominguez analyzes the meanings of left and right as multivocal and multifunctional terms in Israeli politics This volume is the one book that will give you insight into and understanding of the most pressing problems facing Israeli society      **New Zionism and the Foreign Policy System of Israel (RLE Israel and Palestine)** Ofira Seliktar, 2015-05-22 The invasion of Lebanon was the culmination of an extraordinary change which New Zionism created in Israel's foreign policy system This book first published in 1986 examines how New Zionism came to dominate Israeli politics and it investigates the implications of this new ideology for the future of the Middle East The author agrees that after the creation of the State of Israel the belief system of the evolving society gradually changed After the Six Day War the ideology of Socialist Zionism became increasingly discredited and replaced by the New Zionist quest for Eretz Israel Hardened by the harsh experience of the continuing Arab Israeli conflict and enhanced by the threatening image of the enemy the political culture in Israel became less tolerant and more receptive to the language of New Zionism As a result Begin's Likud came to power in 1977 and quickly changed the whole basis of Israel's foreign policy Instead of the cautious pragmatism of Socialist Zionism the Begin government pursued the grand design that had enjoyed a long tradition in Revisionist thinking Although General Sharon was responsible for the actual conduct of the war it was the New Zionist propensity to use military force to introduce a new order in the Middle East which was responsible for the invasion The book suggests that it is still too early to assess the full impact of the war in

Lebanon on New Zionism Although the war failed to validate any of the grand design tenets of New Zionism the violent Shiite response in Southern Lebanon may serve to strengthen the New Zionist hard line This could hasten the annexation of the occupied territories as the final stage of turning the State of Israel into the Land of Israel

**Interest Groups and Political Change in Israel** Marcia Drezon-Tepler,2012-02-01 This book challenges the conventional view of Israeli politics as an ideological stron party system Focusing on three important and influential interest groups the Gush Emunim the Ihud kibbutz federation and the Manufacturers Association Drezon Tepler presents a comprehensive view of Israel s society and politics Integrated here are unpublished sources and material from personal interviews with prominent personalities including Prime Ministers Menachem Begin Yitzhak Rabin and Shimon Peres and Minister Ariel Sharon The book illuminates such current controversial topics in Israel as the influence of the volatile Gush Emunim the country s chronically unstable economy and the continued vitality of the kibbutz movement Relevant beyond Israel s borders this book enhances understanding of systems groups and change presenting an original analytical framework of three models for group and party decision making within democracies

**The Transformation Of Israeli Society** S. N. Eisenstadt,S N Eisenstadt,2019-07-09 This book discusses the development and organization of the major spheres of life of Israeli society It analyses major aspects and trends of development of Israeli society which have been taking place continuously since its beginning from the early period of Zionist settlement in Eretz Israel

**Envisioning Israel** Allon Gal,1996 Explores how North American Jews have envisioned Israel From the late 19th century to the present

**Language and Communication in Israel** Hanna Herzog,2018-01-16 This volume presents a broad range of the various approaches and questions that preoccupy Israel s sociologists of language and communication It covers the relation of language and communication to daily life to social and cultural pluralism and to politics and elections

**Israeli Politics and the Middle East Peace Process, 1988-2002** Hassan A. Barari,2004-07-31 The book is a fresh interpretation of Israeli foreign policy vis vis the peace process one that deems domestic political factors as the key to explain the shift within Israel from war to peace The main assumption is that peacemaking that entails territorial compromise is an issue that can only be completely comprehended by understanding the interaction of domestic factors such as inter party politics ideology personality and the politics of coalition Although the bulk of the book focuses on how internal inputs informed the peace process the book takes into account the external factors and how they impacted on the internal constellation of political forces in Israel

**Israeli Identity** Lilly Weissbrod,2014-05-22 This thoroughly researched book reveals the true identity of the modern Israeli Israelis are unique in having changed their identity three times in only one hundred years Written in a user friendly style the book will appeal to scholars and students of the Middle East

**The Modern Jewish Experience** Jack Wertheimer,1993-01-01 The pace of scholarly research and academic publication in fields of Judaica has quickened dramatically in the second half of the twentieth century The major consumers and producers of this new scholarship are found in Jewish Studies programs that have proliferated at institutions of higher

learning around the world since the 1960s From the vantage point of the nineties it is difficult to fathom that until thirty years ago Jewish studies courses were mainly limited to a few elite universities rabbinical seminaries and Hebrew teachers colleges Today there are few colleges at public or private insitutions of higher learning that do not sponsor at least some courses on aspects of Jewish study In light of this explosion of research on Jewish topics non specialists and educators can benefit from guidance through the thicket of new monographs source anthologies textbooks and scholarly essays The Modern Jewish Experience the result of a multi year collaboration between the International Center for the University Teaching of Jewish Civilization and the Jewish Theological Seminary of America offers just such guidance on a range of issues pertaining to modern Jewish history culture religion and society With contributions from two dozen leading scholars The Modern Jewish Experience presents practical information and guidelines intended to expand the teaching repertoire for undergraduate courses on modern Jewish life as well as a means for college professors to enrich and diversify their courses with discussions on otherwise neglected Jewish communities social and political issues religious and ideological movements and interdisciplinary perspectives Sample syllabi are also included for survey courses set in diverse linguistic settings An indispensable resource for undergraduate instruction this volume may also be used to great profit by educators of adults in synagogue and Jewish communal settings as well as by individual students engaged in private study

**Jewish Civilization** Shmuel Noah Eisenstadt, Shemuel Noa? Aizens?ad?, 1992-01-01 This book explains why the best way to understand the Jewish historical experience is to look at Jewish people not just as a religious or ethnic group or a nation or people but as bearers of civilization This approach helps to explain the greatest riddle of Jewish civilization namely its continuity despite destruction exile and loss of political independence In the first part of the book Eisenstadt compares Jewish life and religious orientations and practices with Hellenistic and Roman civilizations as well as with Christian and Islamic civilizations In the second part of the book he analyzes the modern period with its different patterns of incorporation of Jewish communities into European and American societies national movements that developed among Jews toward the end of the nineteenth century especially the Zionist movement and specific characteristics of Israeli society The major question Eisenstadt poses is to what extent the characteristics of the Jewish experience are distinctive in comparison to other ethnic and religious minorities incorporated into modern nation states or other revolutionary ideological settler societies He demonstrates through his case studies the continuous creativity of Jewish civilization

**Land Expropriation in Israel** Yifat Holzman-Gazit, 2016-04-22 Historically Israel s Supreme Court has failed to limit the state s powers of expropriation and to protect private property This book argues that the Court s land expropriation jurisprudence can only be understood against the political cultural and institutional context in which it was shaped Security and economic pressures the precarious status of the Court in the early years the pervading ethos of collectivism the cultural symbolism of public land ownership and the perceived strategic and demographic risks posed by the Israeli Arab population all contributed to the creation of a harsh and arguably undemocratic

land expropriation legal philosophy This philosophy the book argues was applied by the Supreme Court to Arabs and Jews alike from the creation of the state in 1948 and until the 1980s The book concludes with an analysis of the constitutional change of 1992 and its impact on the legal treatment of property rights under Israeli law **Bibliography of Israeli**

**Politics** Gregory S. Mahler, 2019-03-08 This bibliography is a response to the problems facing students and scholars of Israeli politics who need to find the most current resources for their research A readily accessible and comprehensive listing of published works dealing with Israeli politics the bibliography includes studies on the Israeli constitutional system Israel s elections political history and economics its diplomatic relations and foreign policy and Zionism Also included are studies of related topics such as Palestine and the Palestinian people the resolution of the West Bank and Gaza Strip question and the Arab Israeli peace process The book contains a detailed keyword index to nearly 1 500 entries citing books and journal articles published in the United States Europe and Israel The Invention and Decline of Israeliness Baruch

Kimmerling, 2005-12-13 This work reexamines Israel in terms of its origins as a haven for a persecuted people and its evolution into a multi cultural society The author suggests that the Israeli State has divided into seven major cultures

**Uncommon Democracies** T. J. Pempel, 2019-05-15 In this collection of original essays thirteen country specialists working within a common comparative frame of reference analyze major examples of long term single party rule in industrialized democracies They focus on four cases Japan under the Liberal Democratic party since 1955 Italy under the Christian Democrats for thirty five or more years starting in 1945 Sweden under the Social Democratic party from 1932 until 1976 and again from 1982 until present and Israel under the Labor party from pre statehood until 1977 **International**

**Bibliography Of Jewish Affairs, 1976-1977** Elizabeth E. Eppler, 2019-04-03 This bibliography a project of is intended as an aid to research on and cultural aspects of contemporary ship between Jews and the non Jewish material published in 1976 and 1977 the Institute of Jewish Affairs the historical social political Jewish life and on the relationworld The present volume covers The Bibliography includes primarily nonfiction works published outside Israel by both Jewish and non Jewish authors it excludes belles lettres with the exception of documentary novels and memoirs and religious studies Entries are arranged by subject with cross references wherever applicable a cumulative index of names and a list of periodicals are provided at the end of the volume **Israel at the Polls 2006** Shmeul Sandler, Manfred Gerstenfeld, Jonathan Rynhold, 2013-10-18 The

2006 elections constitute a major redrawing of the political map in Israel due to Prime Minister Ariel Sharon s exit from the Likud party and his creation of a new centre party Kadima Following Israel s unilateral withdrawal from Gaza Sharon formed Kadima taking many former Likud MKs and prominent members of the Labour party with him Focusing particularly on the various political parties the election campaign in the media and the main issues at stake in the election including foreign and defence policies social and economic issues as well as the issue of corruption this book examines the impact of this reorganization of the political map The impact of events in the Palestinian Authority and other external factors are also

discussed as well as the challenges for the new government in the wake of the election results This book was previously published as a special issue of Israel Affairs      **The Jewish World In Modern Times** Abraham J Edelheit,Hershel Edelheit,2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research methods      Migrants from the Promised Land Zvi Sobel, In December 1983 Israeli radio and television blitzed the nation with programming on yerida emigration from Israel So much attention has been given to emigration that the casual observer might think it is the central threat to Israeli society Demographics show that it is not but emotions continue to run high on the subject In Migrants from the Promised Land Zvi Sobel explores the reasons for emigration from contemporary Israel within the context of a far ranging critical assessment of Israeli society and the Zionist enterprise He asks why in light of near devastating challenges to the survival of Israel does emigration assume such overwhelming importance among both elites and masses His analysis is based on intensive interviews with hundreds of people preparing to leave Israel and a thorough examination of all relevant demographics      A Brief History of Israel Bernard Reich,2008 Narrates the complex tale of Israel s people and their modern state established thousands of years after the destruction of the old one against the backdrop of exile anti Semitism Zionism and the Holocaust

Yeah, reviewing a book **Political Culture In Israel Cleavage And Integration Among Israeli Jews** could increase your near contacts listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have extraordinary points.

Comprehending as skillfully as concord even more than further will have enough money each success. bordering to, the broadcast as with ease as insight of this Political Culture In Israel Cleavage And Integration Among Israeli Jews can be taken as capably as picked to act.
