Political Dynamics Of Japan

Gary D. Allinson, Yasunori Sone

Political Dynamics Of Japan:

The Political Dynamics of Japan Jun'ichi Kyōgoku,1987 **Regime Shift** T. J. Pempel,1998 Pempel contrasts the political economy of Japan during two decades the 1960s when the nation experienced conservative political dominance and high growth and the early 1990s when the bubble economy collapsed and electoral politics changed The different dynamics of the two periods indicate a regime shift in which the present political economy deviates profoundly from earlier forms This shift has involved a transformation in socioeconomic alliances political and economic institutions and public policy profile rendering Japanese politics far less predictable than in the past Pempel weighs the Japanese case against comparative data from the USA Great Britain Sweden and Italy to show how unusual Japan's political economy had been in the 1960s The text suggests that Japan's present troubles are deeply rooted in the economy's earlier success *Political Dynamics in Contemporary Japan* Gary D. Allinson,Yasunori Sone,1993 **The Political Dynamics of Japan** Jun'ichi Kyōgoku,1987
The Post-war Roots of Japanese Political Malaise Dagfinn Gatu,2015-06-12 Writings on post war Japanese politics have tended to take for granted the dominance of the Liberal Democratic Party LDP as inevitable without questioning how this came about This book analyses the nature of Japanese party politics over the first four decades following the Second World War assessing how the chief contenders the conservative LDP and the socialists JSP Japan Socialist Party competed in terms of their strengths and weaknesses relative to the other Throughout it addresses the questions How effectively were the parties strengths harnessed How did they alter over time To what extent was the winning formula challenged Did the loser have access to strengths with a major potential and if so why did these remain underdeveloped It extends widely to include discussion of the political system the social and economic environment in which parties operated internal party matters especially factions personal support groups special interest groups and the role of government bureaucracy It shows why the Liberal Democratic Party was dominant why the Japan Socialist Party remained out of power and how successive prime ministers conducted policymaking in ways which often resulted in the bureaucracy taking the lead Overall the book shows how precedents for the political system and for policymaking were set in this important period precedents which continue and which have contributed significantly to the present conservative stance on many key issues *The Evolution of Japan's Party System* Leonard James Schoppa,2011-01-01 The Evolution of Japan's Party System analyses the transition by examining both party politics and public policy This volume discusses how older parties such as the LDP and the Japan Socialist Party failed to adapt to the new policy environment of the 1990s **Dictionary of the Modern Politics of Japan** Prof J A A Stockwin,J. A. A. Stockwin,2003-08-27 An accessible work of reference bringing together information and authoritative analysis on all aspects of the politics of Japan and the Japanese political system *Japanese Political History Since the Meiji Restoration, 1868-2000* R. Sims,2019-06-12 Japanese Political History Since the Meiji Restoration 1868 2000 explores through a combination of narrative and analysis the changes in the political process which lay behind Japan's transformation

into a modern nation state its successive turn toward militarism fascism and the Pacific War and the imposition of a fully democratic constitution Sims examines closely such central topics as the Meiji renovation samurai modernisers the rise of liberal political parties the Meiji constitution Taisho democracy the wartime changes in the political system postwar reforms and the reverse course four decades of Liberal Democratic rule and the shake up of Japanese politics during the 1990s No other book has covered Japanese political history over the entire period since 1868 in such detail and the present volume aims to fill the gap between the various general histories of modern Japan and the ever increasing monographic literature

The Political History of Modern Japan Kitaoka Shinichi, 2018-10-10 Spanning the 130 year period between the end of the Tokugawa Era and the end of the Cold War this book introduces students to the formation collapse and rebirth of the modern Japanese state It demonstrates how faced with foreign threats Japan developed a new governing structure to deal with these challenges and in turn gradually shaped its international environment Had Japan been a self sufficient power like the United States it is unlikely that external relations would have exercised such great control over the nation And if it were a smaller country it may have been completely pressured from the outside and could not have influenced the global stage on its own For better or worse therefore this book argues Japan was neither too large nor too small Covering the major events actors and institutions of Japan's modern history the key themes discussed include Building the Meiji state and Constitution The establishment of Parliament The First Sino Japanese and Russo Japanese Wars Party Politics and International Cooperation The Pacific War Development of LDP politics Changes in the international order and the end of the Cold War This book written by one of Japan's leading experts on Japan's political history will be an essential resource for students of Japanese modern history and politics

Women and Political Inequality in Japan Mikiko Eto, 2020-12-17 Why are there so few Japanese women involved in the political system In 2019 Japanese women made up 10% of the national Lower House 21% of the Upper House and 14% of local assemblies According to the Inter Parliamentary Union this places Japan 164th out of 193 countries when it comes to women's representation in the legislature The percentage of women in the Lower House has only increased by fewer than two percentage points since women gained full suffrage and the right to stand for election in Japan in 1946 Eto analyses the various factors that have led to women's low presence in the Japanese legislature She evaluates ways in which it might be possible for Japan to catch up and in doing so examines how Japanese society continues to perpetuate gender rigid expectations of people This text is a valuable study for scholars of Japanese politics and society and for readers with an interest in the broader issue of the representation of women in politics

Area Handbook for Japan Donald P. Whitaker, 1974 *Governmental Changes and Party Political Dynamics in Korea and Japan* Korean Political Science Association, Japanese Political Science Association, 2012 *Parallel Politics* Samuel Kernell, 2010-12-01 While much has been written about economic competition between the United States and Japan it is easy to lose sight of the fact that their relationship is founded essentially on each sides domestic political concerns Many critics have concluded that to gain a

new equilibrium in relations the two countries must develop a sophisticated appreciation of each other's political dynamics. Because budgets, taxes and macroeconomic policy are so central to activities of both governments, this book by Japanese and American experts focuses on the role of political institutions in formulating economic policy. Despite the differences in the two countries' political systems, one party parliamentary versus two party presidential, there are striking similarities in the way politics is transacted in Japan and the United States. In particular, politicians in both countries are motivated primarily by the desire to serve local constituencies, which leads to overly parochial public policies. Combining case studies and discussions, the contributors provide an overview of the Japanese and American political systems, particularly those aspects that are most relevant to economic policymaking. In addition, they offer a comparative analysis of the politics of budgeting, tax reform and structural policies.

The Logic of Japanese Politics Gerald L. Curtis, 2000-11-05. Widely recognized both in America and Japan for his insider knowledge and penetrating analyses of Japanese politics, Gerald Curtis is the political analyst best positioned to explore the complexities of the Japanese political scene. Today, Curtis has personally known most of the key players in Japanese politics for more than thirty years, and he draws on their candid comments to provide invaluable and graphic insights into the world of Japanese politics. By relating the behavior of Japanese political leaders to the institutions within which they must operate, Curtis makes sense out of what others have regarded as enigmatic or illogical. He utilizes his skills as a scholar and his knowledge of the inner workings of the Japanese political system to highlight the commonalities of Japanese and Western political practices while at the same time explaining what sets Japan apart. Curtis rejects the notion that cultural distinctiveness and consensus are the defining elements of Japan's political decision making, emphasizing instead the competition among and the profound influence of individuals operating within particular institutional contexts on the development of Japan's politics. The discussions featured here, as they survey both the detailed events and the broad structures shaping the mercurial Japanese political scene of the 1990s, draw on extensive conversations with virtually all of the decade's political leaders and focus on the interactions among specific politicians as they struggle for political power. *The Logic of Japanese Politics* covers such important political developments as the Liberal Democratic Party's egress from power in 1993 after reigning for nearly four decades and their crushing defeat in the voters' revolt of the 1998 upper house election; the formation of the 1993 seven party coalition government led by prime minister Morihiro Hosokawa and its collapse eight months later; the historic electoral reform of 1994 which replaced the electoral system operative since the adoption of universal manhood suffrage in 1925 and the decline of machine politics and the rise of the mutohaso, the floating nonparty voter. Scrutinizing and interpreting a complex and changing political system, this multi-layered chronicle reveals the dynamics of democracy at work, Japanese style. In the process, *The Logic of Japanese Politics* not only offers a fascinating picture of Japanese politics and politicians but also provides a framework for understanding Japan's attempts to surmount its present problems and helps readers gain insight into Japan's future.

Bargaining with Japan Leonard James Schoppa, 1997

Schoppa documents how U S pressure has been misapplied in the past insisting on the need for a strategy more informed about internal Japanese politics While a strategy reliant on brute force is liable to backfire he argues one which works with domestic politics in Japan can succeed **Living Cities in Japan** André Sorensen,Carolyn Funck,2007 Over the last fifteen years local citizens movements have spread rapidly throughout Japan This volume examines the growth and nature of civil society participation in local urban and environmental governance **Japan's Budget Politics** Takaaki Suzuki,2000 What is the source of the increasing politicization of Japan s budgetary policy In this text Takaaki Suzuki explores this question finding answers in the interplay of domestic and international politics from the early 1970s through the 1990s *Dynamic and Immobilist Politics in Japan* Martin Collick,Aurelia George,James Horne,Daiichi It,Alan Rix,J.A.A. Stockwin,1988-05-17 Over the past thirty years Japan has shown that it is a highly dynamic society and its economic policy making has often astonished the world Japanese politics however though sometimes showing dynamism are very stable and frequently strangely immobilist In this book six specialists on Japanese politics seek to find out why **Japanese Democracy** Bradley Richardson,Bradley M. Richardson,1997-01-01 Richardson refutes the widely accepted hypothesis that postwar Japan has been a semiauthoritarian and consensual state arguing that Japanese political life has been extremely fragmented and discordant at all levels **Japan: Shadow WTO Agricultural Domestic Support Notifications** Yoshihisa Godo and Daisuke Takahashi,

This is likewise one of the factors by obtaining the soft documents of this **Political Dynamics Of Japan** by online. Political Dynamics Of Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Political Dynamics Of Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Political Dynamics Of Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Political Dynamics Of Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Political Dynamics Of Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Dynamics Of Japan is one of the best book in our library for free trial. We provide copy of Political Dynamics Of Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Dynamics Of Japan. Where to download Political Dynamics Of Japan online for free? Are you looking for Political Dynamics Of Japan PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a

doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Political Dynamics Of Japan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
