Heeren, 2023-09-23 Reprint of the original first published in 1857 A Retrospect of Political and Commercial Affairs in China During the Five Years 1873 to 1877 Richard Simpson Gundry, 1878 The Political Forms of Modern Society Claude Lefort, 1986-08-26 Claude Lefort is one of the leading social and political theorists in France today This anthology of his most important work published over the last four decades makes his writing widely accessible to an English speaking audience for the first time With exceptional skill Lefort combines the analysis of contemporary political events with a sensitivity to the history of political thought His critical account of the development of bureaucracy and totalitarianism in the Soviet Union and Eastern Europe is a timely contribution to current debates about the nature and shortcomings of these societies His incisive analyses of Marx's theory of history and concept of ideology provide the backdrop for a highly original account of the role of symbolism in modern societies While critical of many traditional assumptions and doctrines Lefort develops a political position based on a reappraisal of the idea of human rights and a reconsideration of what democracy means today The Political Forms of Modern Society is a major contribution to contemporary social and political theory The volume includes a substantial introduction that describes the context of Lefort's writings and highlights the central themes of his work **A Manual of the History of the Political System of Europe and its Colonies ... Translated from the fifth German edition [by D. A. Talboys].** Arnold Hermann Ludwig HEEREN, 1846 **History and Story in the American Political Thriller Film** Pablo Castrillo Maortua, 2023-08-29 In this book Pablo Castrillo Maortua analyzes the emergence of the political thriller in Hollywood at a time of angst and turmoil in the United States The Cold War the nuclear age domestic and international scandals and an increasingly deceitful political culture catalyzed a filmmaking current that would gradually develop its own narrative form and aesthetics into a new genre Castrillo Maortua explores the dramatic identity and design of the American political thriller tracking the close correlation between the evolution of the genre and the history of the United States from the Cuban Missile Crisis to the 9 11 terrorist attacks and the ensuing War on Terror Ultimately the author demonstrates how the American political thriller defies Hollywood conventions and cultural presuppositions with an entertaining yet critical view of the state of politics Scholars of film studies screenwriting and genre theory will find this book of particular interest *The Argus ; Or, General Observer: A Political Miscellany Containing the Most Important Events of Europe, and the Principal Occurrences in England, from the Meeting of Parliament, October 29, 1795, to Its Dissolution, May 18, 1796 with a Variety of Original Letters and Reflections on the Interesting and Critical Situation of the British Empire*

The Political Novel Morris Edmund Speare,1924 *Cyclopaedia of Political Science, Political Ecomony, and of the Political History of the United States* John Joseph Lalor,1884 *Franco-Irish Relations, 1500-1610* Mary Ann Lyons,2015 An examination of the various dimensions political social and economic to the evolution of Franco Irish relations in the early modern period The period 1500 to 1610 witnessed a fundamental transformation in the nature of Franco Irish relations In 1500 contact was exclusively based on trade and small scale migration However from the early 1520s to the early 1580s the dynamics of normal relations were significantly altered as unprecedented political contacts between Ireland and France were cultivated These ties were abandoned when after decades of unsuccessful approaches to the French crown for military and financial support for their opposition to the Tudor r gime in Ireland Irish dissidents redirected their pleas to the court of Philip II of Spain Trade and migration which had continued at a modest level throughout the sixteenth century re emerged in the early 1600s as the most important and enduring channels of contact between the France and Ireland though the scale of both had increased dramatically since the early sixteenth century In particular the unprecedented influx of several thousand Irish migrants into

France in the later stages and in the aftermath of the Nine Years War in Ireland 1594 1603 represented a watershed in Franco Irish relations in the early modern period By 1610 Ireland and Irish people were known to a significantly larger section of French society than had been the case a hundred years before The intensification of this contact notwithstanding the intricacies of Irish domestic political religious and ideological conflicts continued to elude the vast majority of educated Frenchmen including those at the highest rank in government and diplomatic circles In their minds Ireland remained an exotic country They viewed the Irish in the streets of their cities and towns as offensive slothful dirty prolific and uncouth just as they were depicted in the French scholarly tracts read by the French elite This study explores the various dimensions to this important chapter in the evolution of Franco Irish relations in the early modern period MARY ANN LYONS is Professor of History at Maynooth University Republic of Ireland
