Political Leadership In An Age Of Constraint The Australian Experience:

Political Leadership in an Age of Constraint Colin Campbell, John Halligan, 1992 Rethinking the Delivery of Public Services to Citizens F. Leslie Seidle, Institute for Research on Public Policy, 1995 Based on in depth research and 50 interviews with senior officials Examines recent innovations structural change to separate policy and operational functions total quality management principles performance targets service standards and client assessment partnership and single window one stop shopping techniques *Public Sector Governance in Australia* Meredith Edwards, John Halligan, Bryan Horrigan, Geoffrey Nicoll, 2012-07-01 Provides the first comprehensive theoretical and empirical work on governance in the Commonwealth public sector It addresses the issues that emerged under the Howard government as well as their handling under the Rudd and Gillard governments abstract **Political Science Abstracts**, 2012-12-06 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available Political Leadership in an Age of Constraint Colin Campbell, John Halligan, 2000-10 **The Political Psychology of the Gulf War** Stanley Renshon, 2010-06-15 In these original essays widely respected experts analyze the personal psychologies and public belief systems of the individuals and nations involved in the Gulf War from George Bush and Saddam Hussein to the peoples of the United States Israel and Arab countries Approaching the events of 1990 1991 from the perspectives of psychology history mass communications and political science these scholars examine the dynamic relationship of events behavior and perceptions Part I deals with the psychological and political origins of the war part II focuses on George Bush Saddam Hussein and the nature of their leadership and judgement part III discusses the battle for public perceptions and beliefs waged by both sides part IV analyzes the results of that battle as revealed by the understanding of the U S Israeli and Arab publics and part V deals with the war s consequences A postscript by Stanley Renshon covers military actions in the Gulf in late 1992 and early 1993 *Leadership and Public Sector Reform in Asia* Evan Berman, Eko Prasoj, 2018-04-06 Present day knowledge about public sector reforms in Asia is quite scattered and seldom focuses on the challenges of leadership This book seeks to address this issue by presenting country cases that reflect the great diversity of the region **Presidential Policymaking: An End-of-century Assessment** Steven A. Shull, Norman C. Thomas, 2016-09-16 A comprehensive overview of the president s policy making role and the way this role structures the president s interaction with other institutions of government The book concludes with a discussion of the issues of accountability and policy leadership **The New Public Management** Michael Barzelay, 2001-02-15 How policymakers should guide manage and oversee public bureaucracies is a question that lies at the heart of contemporary debates about government and public administration In their search for better systems of public management reformers have looked in particular at the United Kingdom Australia and New Zealand These countries are exemplars of the New Public Management a term used to describe distinctive new themes styles and patterns of public

service management Calling for public management to become a vibrant field of public policy this valuable book consolidates recent work on the New Public Management and provides a basis for improving research and policy debate on managing public bureaucracies A copublication with the Russell Sage Foundation *Advising Governments in the Westminster Tradition* Jonathan Craft, John Halligan, 2020-11-05 In turbulent environments and unstable political contexts policy advisory systems have become more volatile The policy advisory system in Anglophone countries is composed of different types of advisers who have input into government decision making Government choices about who advises them varies widely as they demand contestability greater partisan input and more external consultation The professional advice of the public service may be disregarded The consequences for public policy are immense depending on whether a plurality of advice works effectively or is derailed by narrow and partisan agendas that lack an evidence base and implementation plans The book seeks to address these issues within a comparative country analysis of how policy advisory systems are constituted and how they operate in the age of instability in governance and major challenges with how the complexity policy issue can be handled **Social Citizenship in the Shadow of Competition** Bronwen Morgan, 2017-11-30 Social Citizenship in the Shadow of Competition explores how economic concepts and tools are reshaping regulatory law Building on studies that link law both institutionally and discursively to the legitimization of economic neo liberalism the book charts lawmakers attempts to justify social welfare regulation in the language imposed by economic theory It presents new qualitative findings from an ambitious regulatory reform programme targeting over 1 700 pieces of legislation Bronwen Morgan argues that the interplay between economic discourse and lawmaking does not destroy the possibility of social citizenship however the subsequent regulatory conversations frequently silence or weaken the claims of vulnerable groups Thus even when vulnerable groups secure instrumental success economic conceptions of bureaucratic rationality impoverish their capacity to express certain kinds of intangible values and aspirations To expand or retain social citizenship requires that we learn to conceive of what matters in political economy without relying on the logic of utility or other instrumental rationalities **The State Roots of National Politics** Michael B. Berkman, 2010-11-23 Winner of the William Anderson Award of the American Political Science Association Explores the role of state politics in shaping the national agenda during the 1980s By focusing on the federal tax policy from 1978 1986 Berkman argues that a conservative political agenda slowly replaced the liberal agenda dominant since World War II The state roots model asserts that national policymakers particularly members of Congress are products of their state political systems and environments Berkman applies this model to the tax cutting policies that took hold nationally in 1978 before Regan came to office and continued in the tax acts of 1981 and 1986 *Administrative Reforms and Democratic Governance* Jean-Michel Eymeri-Douzans, Jon Pierre, 2011-03-21 After a quarter of a century of implementation of New Public Management NPM reform strategies this book assesses the major real outcomes of these reforms on states and public sectors at both the organisational level and a more political level Unlike most previous accounts

of reform this book looks at how reform has changed the role of the public administration in democratic governance Featuring case studies on the UK Germany France Norway Ireland Switzerland Scandinavia Post communist states Mexico South Korea Turkey and the European Commission and focusing on two issues this book Examines the significant variations in the trajectories of administrative reform among West European countries on the basis of empirically rooted research on different national case studies Assesses the extent to which these constitutive public policies have affected the institutions of government and the governing processes of our democratic occidental states and ask how have NPM inspired programs with their exclusive focus on managerialist objectives and instruments challenged the political and democratic nature of public administration Looking at the broader issues relating to the current recompositions of democratic states this book will be of interest to students and scholars of all matters relating to public administration and governance within political science management public law sociology contemporary history and cultural studies The Cambridge Handbook of Social Sciences in Australia Ian McAllister, Steve Dowrick, Riaz Hassan, 2003-08-07 First published in 2003 The Cambridge Handbook of Social Sciences in Australia is a high quality reference on significant research in Australian social sciences The book is divided into three main sections covering the central areas of the social sciences economics political science and sociology Each section examines the significant research in the field placing it within the context of broader debates about the nature of the social sciences and the ways in which institutional changes have shaped how they are defined taught and researched

Thatcher, Reagan, and Mulroney Donald J. Savoie, 2010-11-23 Savoie considers the war of reform waged by the leaders of these major industrial countries Reagan declared that he had come to Washington to drain the swamp of bureaucracy and set up the Grace Commission to investigate the operation of the U S government Thatcher and Mulroney were equally committed to reform and initiated wide ranging changes By the end of the 1990s the changes were dramatic Many governments operations had been privatized in all three countries and new management techniques had been introduced In Great Britain one observer judged that the changes were historically as important as the collapse of Keynesian economics Is government now better in these countries and was political leadership right in focusing on management of the bureaucracy as the villain Savoie suggests that the reforms overlooked problems now urgently requiring attention and at the same time attempted to address non existent problems He combines theory and research based on sixty two interviews nearly all with members of the executive branch of the governments of Britain Canada and the United States New Public Management Kathleen McLaughlin, Ewan Ferlie, Stephen Osborne P, 2005-07-08 The UK has played a pivotal role in the development of New Public Management NPM This book offers an original comprehensive and multidisciplinary analysis of the impact of the New Public Management in the UK and situates these analyses in a broader comparative perspective Its chapters consider competing typologies of NPM issues of professionalism within NPM debates on social exclusion and equity the role of different research approaches in evaluating NPM the evolving nature of NPM and impact of modernisation

evaluations of NPM in mainland Europe North America Africa and the developing World Australia and Pacific Asia Leading authorities from around the world present evaluations of current thinking in NPM and highlight the challenges which will shape future development and research approaches New Public Management presents a timely and constructive overview of the nature and impact of the NPM and offers important lessons for public management across the world Institutions of American Democracy Joel D. Aberbach, Mark A. Peterson, 2005-10-27 Presents a collection of essays that provide an examination of the Executive branch in American government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level

Handbook of Public Administration B. Guy Peters, Jon Pierre, 2007-05-23 The past two decades have been marked by a period of substantial and often fundamental change in public administration Critically reflecting on the utility of scholarly theory and the extent to which government practices inform the development of this theory the Handbook of Public Administration was a landmark publication which served as an essential guide for both the practice of public administration today and its on going development as an academic discipline The Concise Paperback Edition provides a selection of 30 of the original articles in an accessible paperback format and includes a new introduction by B. Guy Peters and Jon Pierre It is an essential point of reference for all students of public administration **Australian Handbook of Public Sector**

Management Sandra Nutley, John Halligan, 2020-07-25 This is an excellent do it yourself introductory study to public sector management covering a wide range of issues including recent public service reforms I recommend it to anyone interested in the practice and study of public sector management Tony Ayers National President Institute of Public Administration Australia The traditional view of public sector management is under challenge The shifting boundaries of the public private sector are transforming the nature of the public sector in the 21st century and placing increasing demands on managers This user friendly handbook examines the changes that have taken place over the last twenty years and addresses the practical issues faced by public servants today It makes abundant use of exhibits case studies and real world examples to illustrate key concepts in public sector management By including many points for reference the authors challenge readers to apply both theory and practice to those public services situations with which they are familiar Australian Handbook of Public Sector Management is a unique blend of academic and practical approaches to current management practices in the public sector It has been designed to assist students and those new to the public sector to develop the knowledge and skills they require to provide high quality public services **The Future of Governing** B. Guy Peters, 2001 Examines and compares various forms of government in industrialized countries
